9-1-1 EMERGENCY TELEPHONE SYSTEM

The Village of Fox River Grove operates an enhanced emergency 9-1-1 telephone system through a contractual relationship with the City of McHenry. The Fox River Grove Police Department also maintains a seven digit, non-emergency line for non-emergency requests at 847-639-2411.

9-1-1 TESTING

To test the accuracy of the 9-1-1 telephone system when a resident moves or changes their telephone number, residents can contact the non-emergency police number. The resident should advise the telecommunicator that they would like to test their 9-1-1 system. The telecommunicators, if not busy with emergency calls, will advise the resident to hang up and dial 9-1-1. When the resident calls 9-1-1, the telecommunicator will answer and ask the resident to verify their information, which will appear in the 9-1-1 system database and the telecommunicator's screen.

ABANDONED VEHICLES

Any inoperable vehicle that is left unattended on a Village street for more than seven (7) days is considered abandoned and may be removed by the Police Department. Any vehicle that is left unattended and deemed by the Police Department to be obstructing traffic may be removed immediately.

ANIMALS, BARKING DOGS/NOISY CATS

Dogs and cats may not disturb the peace at any time of the day or night. During the day, however, discretion should be used as to how long an animal is noisy before being considered a nuisance.

ANIMAL BITES

The Animal Warden / Animal Control division will determine if the animal should be confined to a kennel or residence.

ANIMAL CONTROL

For animal control services such as wildlife removal, rescue, humane capture and relocation, and prevention, refer to your yellow pages under animals for a list of organizations that provide these services. (The Village does not endorse specific organizations or businesses for any service.)
