## Magic Beans

How magical is baking soda? We're about to spill the beans.

### **What You Need:**

- Vase or wide-mouthed clear jar
- 1/4 cup vinegar
- 3 teaspoons Baking Soda
- Food coloring

### **What to Do:**

1. Fill vase/jar with water.
2. Add 3 to 4 drops of food coloring.
3. Add vinegar, then the Baking Soda
4. Drop in beans, rice, buttons, pasta – and watch them rise and fall.
