

Target Practice

Cut a hole in some pop bottles and strap them to your heads. Divide into two groups and have a round of target practice with water guns. Endless hours of fun, and also a great way to get soaked. Which normally wouldn't be a good thing, but during these hot months, it's a welcome feeling.

KIDDIE POOL TOE DIVING

Prep: Setup a full kiddie pool with all sorts of of fun little toys, rings, etc.

Play: When you say go, players must try to fish out as many items from the kiddie pool as they can with their toes only.

Win: The winner is whoever can get something out first or whoever gets out the most things.

Adult Version: Blindfold players for the game
