Timber Assessed Value (TAV) is used in the base to set levies for voted bonds and capital projects for schools, fire districts and cities. One-half (1/2) of the TAV is used in calculating school district enrichment levies.  
NOTE: The 1983 timber roll is used instead of 1/2 TAV if the timber roll is greater.

The above is the 'Final' assessed valuation of the various taxing districts in Grays Harbor County.
