## **The Administrative Rules -- What the law says**

RCW 29A.32.230 requires the Auditor to adopt and publish administrative rules governing the format and content of the local voters' pamphlet. These rules must include: (a) Limits on the length and deadlines for submission of candidates' statements; (b) the basis for rejecting all or any part of a candidates' statement; and (c) an administrative appeal process in the case of such rejection.

## **Submission Deadlines**

The deadline to submit your local voters' pamphlet information online is **Friday, May 28, 2021 at 4:30 p.m.**

## **Basis for Rejection**

All or any part of a candidates' statement may be rejected by the Election Department if it includes biographical information, statements, photos, or contact information that:

- Is obscene;
- Is libelous;
- Contains a commercial advertisement;
- Contains matter prohibited by law from distribution through the mail;
- Contains matter that is otherwise not germane to the candidate's qualifications nor to the office that is the subject of election;

- Was received after the submittal deadline.

Photos will be rejected that do not meet the statutory and administrative criteria outlined on page 12.

## **Helpful Tips**

The candidates' statement portion of the local voters' pamphlet is your opportunity to introduce yourself to the voters. It can be thought of as your resume to the voters.

**Do:**

- Offer your vision to the voters. Be positive.
- Describe what you want to accomplish, if elected.
- Describe what makes you an excellent candidate.

**Don't:**

- Criticize your opponent or other individuals.
- Name people specifically or make references to "my opponent" or "the incumbent."
- Make false or misleading statements.

As part of your statement you may wish to explain:

- Who – Who **you** are.
- What – What **you** will do if elected.
- When – The timeframe for **your** goals or accomplishments.
- Where – **You** will make changes.
- Why – Are **you** the best candidate for the office?
- How – **You** will make changes or accomplish your goals for the office.

## Submit your Local Voters' Pamphlet information online

The deadline to submit your local voters' pamphlet information online is **Friday, May 28, 2021 at 4:30 p.m.**

The local voters' pamphlet provides an opportunity for every candidate to publish biographical information, photo, candidate statement, and contact information.

You may submit your Voters' Pamphlet information when you file for office or you may submit later. If you choose to submit your Voters' Pamphlet information later, you will receive an email after your filing has been approved with a link to submit your statement and photo.

To meet the deadline, candidates should begin the upload process as early as possible after they file for office. There is no benefit to delaying. Local voters' pamphlet submissions are kept confidential. A candidate's submission will not be released until the deadline for submission of all statements has passed and the submissions have been approved by the Grays Harbor Auditor's Office.

Any candidate who experiences technical problems should call the Auditor's Office immediately. Technical difficulties will not excuse candidates from meeting the deadline.

You may **NOT** submit a new statement for the General Election. The same local voters' pamphlet information submitted will be used for both the Primary Election and General Election.

## Local Voters' Pamphlet Publication

Grays Harbor County publishes an official local voters' pamphlet for all elections. It is available in both printed and electronic form on the Election Department website. RCW 29A.32.220 sets deadlines and rules regarding participation.

The Office of the Secretary of State is responsible for accepting and approving voters' pamphlet information for state offices, congressional offices, legislative offices and certain judicial offices. The requirements and rules for these statements may differ from the laws and local rules for Grays Harbor County candidates.

No signatures may be submitted after Friday, May 21, 2021 at 4:30 p.m. Candidates must submit all signatures upon initial submission and may not supplement the signatures later. **Write-in Candidates  
RCW 29A.24.311, 320,  
29A.60.021**

Any person who desires to be a write-in candidate must file a declaration of candidacy not later than 8:00 p.m. on the day of the primary or election. A write-in declaration of candidacy is timely if filed by this deadline.

Write-in candidates that file more than 18 days before an election do not pay a filing fee.

Write-in votes will only be tallied when they impact the outcome of the election.

Votes cast for write-in candidates who have filed declarations need only specify the name of the candidate in the appropriate location on the ballot and fill in the oval to be counted.

**No person may file a write-in declaration:**

- For the General Election, if the candidate lost the Primary Election, either as a candidate or a write-in candidate.
- A valid write-in declaration has already been filed for another office.

- The candidate already appears on the ballot for another office.

No write-in candidate filing under RCW 29A.24.311 will be included in any voters' pamphlet unless that candidate qualifies to have his or her name printed on the General Election ballot.

## **Voids in Candidacy RCW 29A.24.181**

A void in candidacy occurs if, after the regular filing week but prior to the day of the primary:

- No candidate has filed for office.
- All candidates who filed have withdrawn, or
- All candidates who have filed died or have been disqualified.

There is no void in candidacy if there is at least one viable candidate.

If a void in candidacy exists, a special three-day filing period will be opened. Notice of the special three day filing period will be given by notifying the media.

If a void in candidacy is filled by special filing period, no primary will be held. All candidates who file during the special filing period appear on the General Election ballot.

## **Vacancy in Office RCW 29A.24.171**

When an incumbent resigns, dies, or is disqualified mid-term, and candidate filings have not been held for the office, one of the following occurs:

- If the Auditor's Office is notified of a vacancy before regular candidate filing, the office will be included in regular filing.
- If the vacancy in office occurs on or after regular candidate filing has begun, no election is held for that office. The jurisdiction will fill the vacant position with an appointment until the next election for that office.

If no candidate files during the regular filing period and subsequent special filing period, an election for that office will not be held until the next applicable election for the office.

**No one file non-partisan office (Lapsed Elections) RCW 29A.24.191, 201**

If, after the special three-day filing period has passed and no candidate has filed for any city, town, or district position, the incumbent continues to serve until a successor is elected at the next election when such positions are voted upon.

## Primary Election Guidelines

**Partisan Offices  
RCW 29A.52, 29A.36,  
WAC 434-230-015 and  
045**

A partisan office is an office for which a candidate may choose to indicate a political party preference on his or her Declaration of Candidacy. Federal, statewide, legislative and some county positions are partisan offices.

A Primary Election will be held for each partisan office open for election, regardless of the number of candidates filing.

Candidates for partisan office may state a political party that he or she prefers. A candidate's preference does not indicate endorsement by the party. No changes to party preference will be accepted after the deadline for withdrawal of candidacy.

It is the voter's option to vote for partisan candidates of their choice and/or vote for any or all nonpartisan races and issues.

On the Primary Election ballot, candidates shall be listed in the order determined by lot drawing.

The names of candidates for County Commissioner will appear only on ballots within their Commissioner district.

The two candidates who receive the greatest number of votes cast will advance to the General Election ballot regardless of party preferences. The name of the top vote getter will appear first on the ballot.

**Precinct Committee Officer (PCO)  
(Even years only)**

Anyone who is a registered voter and a member of a major political party may become a candidate for Precinct Committee Officer. A candidate must file an online Declaration of Candidacy form. Since voters do not register by political party in Washington, a candidate declares himself/herself to be a member of a political party at the time of filing.

Precinct Committee Officers will be elected at the Primary Election.

Only contested PCO races will appear on the ballot, and write-in candidates are not allowed. If only one person files for office, he or she is deemed elected. If no one files for office, the position is filled by the county chair of the county central committee of the appropriate political party.

**No local voters' pamphlet information required. (This office is not included in the local voters' pamphlet.)**

**Term of Office and Vacancies**

The term of office is two years. Should a vacancy occur in the office (caused by death, disqualification, resignation, or failure to elect), the chairperson of the County Central Committee fills the vacancy by appointment.

**Duties of a Precinct Committee Officer**

Each officer is a member of the County Central Committee. The committee has the authority to nominate persons to fill vacancies for a state, legislative or county office. Also, they may elect members to the State Central Committee. They participate in party activities and represent the party.

**Nonpartisan Offices  
RCW 29A.52.220,  
35.61.050, 36.69.090**

A nonpartisan office is an office for which candidates do not indicate a party preference. All judicial and most local offices (odd year) are nonpartisan offices. No party preference appears on the ballot for these races.

A Primary Election will be held if three or more candidates file in any nonpartisan office, of a city, town, school, special purpose district or district court office. The two candidates with the most votes continue to the General Election. The name of the top vote getter will appear first on the ballot.

A Primary Election will not be held for park and recreation district positions. All candidates will advance directly to the General Election ballot in lot draw order.

## **Judicial Offices State Constitution Art IV Sec 29**

Judicial candidates will only appear on the Primary Election ballot when three or more candidates file for the office. The candidates' names will appear in lot draw order.

See the chart below for more judicial office ballot information.

**After Election Day**

Elections Department staff will continue to verify, open, count, and update results until certification.

**Recounts**

**Mandatory/Automatic  
Recounts RCW 29A.64**

An automatic recount applies to candidates and statewide measures and will occur if less than 2,000 votes and also less than 1/2 of 1% of the votes cast for that race separate candidates or issues. The recount is applicable only to candidates apparently nominated or elected and the closest defeated opponent. The automatic recount will tally only votes for the position or measure in question and will be conducted without charge to any candidate.

For statewide elections, if the difference in the number of votes cast for the apparent winner and the closest

apparently defeated opponent is less than 1,000 votes and also less than 1/4 of 1% of the total number of votes cast for both candidates, the votes shall be recounted manually.

For all other elections, if the difference in the number of votes cast for the apparent winner and the closest apparently defeated opponent is less than 150 votes and also less than 1/4 of 1% of total number of votes cast for both candidates, the votes shall be recounted manually. An alternative counting method may be used if both candidates agree in writing and the procedure is suited to the ballot system that was used for casting the votes for the office.

If a mandatory recount is required for a candidate in a jurisdiction, the costs of the recount are billed as a direct cost to the jurisdiction.

#### **Local Measure, Question, or Issue**

Automatic recounts do not apply to non-statewide ballot measures, such as levy, bond and other questions or issues.

#### **Requested Recounts**

All requested recounts must be submitted no later than two business days after the certification of the election. A deposit equal to \$.15 (machine recount) or \$.25 (manual recount) per ballot by certified check or cash is required. Final cost of the recount will be determined by the canvassing board and may be less or more than the deposit.
