

**Language Assistance Plan (LAP)
Grays Harbor County Superior Court,
Juvenile Court and District Court**

January 10, 2023

Language Assistance Plan

Grays Harbor County Superior Court, Juvenile Court and District Court

I. PURPOSE

This LANGUAGE ASSISTANCE PLAN (LAP) sets forth the **Grays Harbor County Superior Court, Juvenile Court and District Court** policy and procedures for the provision of timely language assistance services that ensure access for all limited English proficient (LEP), deaf, hard of hearing, and deaf-blind (D/HH/DB) individuals who come in contact with **Grays Harbor County Superior Court, Juvenile Court and District Court** services and programs. Language assistance services include both interpretation and translation services for LEP and D/HH/DB individuals.

II. COURT POLICY REGARDING LANGUAGE ASSISTANCE SERVICES

Under Washington state law (chapters 2.42 and 2.43 RCW), Title VI of the Civil Rights Act of 1964 (Title VI), the Omnibus Crime Control and Safe Streets Act of 1968 (Safe Streets Act), the Americans with Disabilities Act (ADA), and the regulations implementing these federal laws, Washington courts are required to provide LAP services to all LEP and D/HH/DB individuals in civil and criminal court proceedings and in all court-managed services and programs and to develop a written LAP pursuant to RCW 2.43.090.

It is the policy of **Grays Harbor County Superior Court, Juvenile Court and District Court** to provide foreign language interpreter services at no cost to LEP parties, witnesses, victims, and others with an interest (e.g., parents, legal guardians, custodians) in all court proceedings and operations, both civil and criminal, other than when it is the responsibility of other government bodies to provide such services pursuant to state law. It is also the policy of this court to provide sign language interpreting services at no cost to persons who are D/HH/DB as required under applicable state and federal statutes and regulations.

Grays Harbor County Superior Court, Juvenile Court and District Court will provide accessible information to LEP and D/HH/DB persons on how to request these language assistance services and vital documents as part of its notice to the public about its LAP services.

Although D/HH/DB individuals are covered under the ADA and chapter 2.42 RCW rather than Title VI and the Safe Streets Act, this plan covers LAP services for both D/HH/DB and LEP individuals.

III. DATA COLLECTION AND NEEDS ASSESSMENT

The **Grays Harbor County Superior Court and District Court Administrators Office** for **Grays Harbor County Superior Court, Juvenile Court and District Court** will, on an annual basis, compile demographic data regarding the language needs of its community. The court will initially review data from sources such as the following:

- Most recent and relevant U.S. Census and American Community Survey (ACS)
- Local school districts
- Department of Public Defense for Grays Harbor County
- Prosecuting Attorney's Office

This data will be analyzed annually to determine whether the court's allocation of LAP resources is appropriate.

The **Grays Harbor County Superior Court, Juvenile Court and District Court** will make every effort to track requests for LAP services by:

- Language preference (both spoken, written, and signed)
- Proceeding (e.g. trial, arraignment, initial appearance, etc.)
- Whether the LAP service requested was granted or denied
- Reason for denial

In addition to mechanisms discussed under the identification of language needs section below, the **Grays Harbor County Superior Court, Juvenile Court and District Court** will track this internal data in a case management system where available, and/or case files if case management is not automated. On a yearly basis, the court will analyze the data collected to identify whether services requested are in fact provided, assist in the allocation of LAP resources, and identify gaps in the provision of services to address future needs.

The **Grays Harbor County Superior Court, Juvenile Court and District Court** will send the final data compilation and analyses in the form of a biennial report to the Washington State Court Interpreter Commission to assist the Commission in monitoring of the court's LAP, identification of interpreter training and certification strategies, and other tools to assist the AOC and local courts in the provision of LAP services.

IV. LANGUAGE ASSISTANCE IDENTIFICATION AND RESOURCES

A. Designated Language Access Office

The **Grays Harbor County Superior Court, Juvenile Court and District Court** has designated **Administrators for each Court** as the person responsible for coordinating LAP services and to whom requests for interpreters and other LAP services may be addressed. This designated person is available to:

- Develop lists of interpreters and secure interpreter services;
- Receive and track language assistance requests;
- Address gaps in interpreter services by conducting outreach as needed;

B. Identification of Language Access Needs and Notice of Availability

LEP and D/HH/DB, individuals may come in contact with court personnel via the phone, TTY / TDD, in-person, or through other means. In addition, there are various points of contact within **Grays Harbor County Superior Court, Juvenile Court and District Court** where LEP individuals or persons who are D/HH/DB will be in contact with court staff. Sometimes people who need language access services, including translated documents, will not request these services because they do not realize that such services are available at no charge, or because they do not recognize the level of English-language proficiency or communication ability needed to effectively participate in the court program, court proceeding, or court services. The first step in providing language access services is to enable LEP individuals or persons who are D/HH/DB to properly identify their language needs.

As a first step towards ensuring that LEP and D/HH/DB individuals are able to properly identify their language needs and to request language access and assistance services, **Grays Harbor County Superior Court, Juvenile Court and District Court** has a legal obligation to provide accessible notice to the public of an individual's right to spoken and sign language interpreter services and to be provided vital documents in translated form whenever necessary to access court proceedings and court-managed programs.

1. Identifying Language Needs at Points of Access

Grays Harbor County Superior Court, Juvenile Court and District Court will identify language access needs at all points of contact with the court, such as the following:

- Telephone calls to court staff
 - Superior & Juvenile Court 360-249-5311
 - District Court 360-249-6382
- Security screening at courthouse entrances
- Clerks' Offices
- Courtrooms

To ensure the earliest possible identification of the need for language access services, the **Grays Harbor County Superior Court, Juvenile Court and District Court** has established internal protocols with the various justice partners which routinely interact with this court in order for these partners to communicate to the appropriate court staff the needs of LEP or D/HH/DB participants who will be coming into contact with the court. While justice partners themselves may be under a separate legal obligation to provide language access services to their clients, the court will be notified of any services that fall under the responsibility of the court as early as possible so services may be provided in a timely and efficient manner. Examples of justice partners to be notified include:

- Jail / Detention staff
- Domestic violence victim's advocate
- Attorney/public defender

2. Notice of the Availability of Language Access Services

In order to facilitate the ability of LEP and D/HH/DB individuals to request their need for language assistance services, the **Grays Harbor County Superior Court, Juvenile Court and District Court** shall provide notice of the availability of language assistance services translated into Washington State's most frequently used languages that states:

"You may have the right to a court-appointed interpreter in a court case. Please see the Court Administrator's office in *the Court which you are utilizing for assistance in obtaining an interpreter.*"

The **Superior Court** displays this notice on its website and at the following locations:

- 2nd and 3rd floor of the Courthouse

The **Juvenile Court** displays this notice on its website and at the following locations:

- Reception area of Juvenile Court

The **District Court** displays this notice on its website and at the following locations:

- 2nd floor of the Courthouse
- Pearsall Building

Additionally, **Grays Harbor County Superior Court, Juvenile Court and District Court** has the following resources available at its points of contact, including those listed above when appropriate, to help LEP and D/HH/DB and court staff communicate with each other:

Language identification cards at all points of contact

When it appears that an individual has difficulty communicating due to a language barrier, **Grays Harbor County Superior, Juvenile, or District Court** staff must inform the LEP or

D/HH/DB person of his or her right to have language assistance services provided by the courts at no cost to them, even if the LEP or D/HH/DB person has not made a request for the language assistance services.

V. LANGUAGE ASSISTANCE SERVICES

Once the **Grays Harbor County Superior Court, Juvenile Court and District Court** staff has determined interpreter services are required for an LEP or D/HH/DB individual, court staff have access to the following procedures for securing an interpreter.

A. Language Assistance Services Inside the Court Room

1. Appointment of a Certified, Registered, or Qualified Interpreter for In Court Proceedings

The person responsible for appointing or securing the assistance of an interpreter at the **Grays Harbor County Superior, Juvenile or District Court** will comply with the following order of preference in appointing an interpreter as set forth in RCW 2.43.030(1)(b) and (2).

RCW 2.43.030(1) (b) states:

An in-person Certified or Registered interpreter who has been credentialed by the Administrative Office of the Courts shall be appointed, whenever possible, unless good cause is found and noted by the appointing authority. "Good cause" includes, but is not limited to, a determination that:

- (i) Given the totality of the circumstances, including the nature of the proceeding and the potential penalty or consequences involved, the services of an in-person credentialed interpreter are not reasonably available to the appointing authority; or
- (ii) The current list of credentialed interpreters maintained by the Administrative Office of the Courts does not include an interpreter in the language spoken by the LEP.

RCW 2.43.030(2) states:

If good cause is found for using an interpreter who is not credentialed by the Administrative Office of the Court, the appointing authority shall make a preliminary determination that the proposed interpreter is able to interpret accurately all communications to and from such person in that particular proceeding. The appointing authority shall satisfy itself on the record that the proposed interpreter:

- (a) Is capable of communicating effectively with the court or agency and the person for who the interpreter would interpret; and
- (b) Has read, understands, and will abide by the code of ethics for language interpreters established by court rules.

In the event no in-person interpreter is available locally, the court or designated authority will weigh the need for moving forward with the proceeding against any possible negative consequences to the LEP or D/HH/DB person's ability to effectively participate in the proceedings through the use of a remote interpreter, as may be allowed by Washington court rule or law. When evidentiary matters are before the court, the court shall reschedule the hearing until an in-person interpreter is available, whether located in-state or out-of-state, and be made present at the hearing.

Grays Harbor County Superior, Juvenile or District Court will NOT appoint as interpreters anyone with a potential conflict of interest in the case, including the following: minors; friends and family of the LEP or D/HH/DB person; advocates and attorneys; justice partner bilingual staff; or anyone deemed unqualified after voir dire by the court.

2. Practices in the Appointment and Use of Interpreters

In appointing interpreters, staff at **Grays Harbor County Superior Court, Juvenile Court and District Court**, will ensure that the interpreter and the LEP or D/HH/DB participant can effectively communicate. It is also the practice of **Grays Harbor County Superior Court, Juvenile Court and District Court** to:

- Make a determination of the appropriate number of interpreters that may be required for the proceeding. When the proper administration of justice so requires the court will appoint multiple or separate interpreters.
- For long hearing sessions or trials, appoint a team of two interpreters or if no second interpreter is available, allow the interpreter to have frequent breaks to avoid interpreting fatigue, ensure accuracy, and avoid subsequent errors.
- Only allow an LEP or D/HH/DB person to waive his or her right to the assistance of an interpreter if the waiver is knowing, voluntary, and on the record. The waiver of an interpreter may be rejected by the court or later revoked by the person.
- Require interpreters to provide sight translations for documents related to the court proceedings.
- Provide sign language interpreters for jurors who are D/HH/DB when such persons are called and selected for jury service

3. Calendaring and Scheduling of Interpreters for In-court and Out-of-court Contacts

Grays Harbor County Superior Court, Juvenile Court and District Court will provide interpreter services in a timely manner. In order to provide high quality language assistance services in an efficient manner, we employ the following practices:

- Batching of matters for which an interpreter for a specific language is needed so long as this does not cause unnecessary delays in access and loss of remedies available to litigants, such as Criminal or Domestic matters
- Coordinating calendars so an interpreter may be available for several matters in the same court location on the same day.
- Creating a pool of interpreters who may be available by telephone or video to assist in non-evidentiary proceedings or other court programs.

4. Remote Interpreting

For short non-evidentiary hearings the **Grays Harbor County Superior Court, Juvenile Court and District Court** uses the following remote interpreting technologies:

- Telephonic interpreting provided by credentialed interpreters
- Telephonic interpreting agencies

The policy or practice of the court with regard to the use of remote interpreting services is as follows:

Video remote and telephonic interpreting use will be consistent with GR 11.3 and will be used with caution. Generally, in-person interpreters are preferred.

C. Language Services Outside the Courtroom

The **Grays Harbor County Superior Court, Juvenile Court and District Court** is responsible for taking reasonable steps to ensure that LEP, deaf and hearing impaired individuals have meaningful access to services outside the courtroom. It is the practice of the court to provide interpreters for court-managed services, programs and operations consistent with state and federal language assistance mandates. In compliance with such mandates, the court shall provide language assistance services at:

- Guardians Ad Litem
- Juvenile detention

The court, in compliance with federal and state civil rights laws and regulations, shall provide the most appropriate language assistance for these programs and services, including qualified interpreters, bilingual staff, and translated materials and information. When the most appropriate language assistance service is the appointment of a qualified interpreter, the court shall follow the guidelines described for the appointment of interpreters.

As noted in the policy interpretation section earlier, chapter 2.42 RCW requires that courts provide interpreters for persons who are D/HH/DB when they are required to attend court ordered-programs or services. In addition to the provision of qualified interpreters in all proceedings where required, court's bilingual staff may assist with language needs outside of court proceedings. Bilingual staff shall be trained to understand their role, how it differs from the role of an interpreter, and that staff are only used for basic communications.

C. Translated Forms and Documents

The **Grays Harbor County Superior Court, Juvenile Court and District Court** understands the importance of translating forms, documents, and electronic materials into non-English languages, so that LEP individuals have greater access to the courts' services. Judicial and court staff shall not use web-based applications or software to process or provide translations for LEP individuals.

State forms which have been translated are available at www.courts.wa.gov/forms. Additional informational resources translated into Spanish include:

- [A Guide to Washington State Courts / Guía de los Tribunales del Estado de Washington](#)

- [An Introduction to Small Claims Court / Una Introducción Al Juzgado De Demandas De Cuantía Menor](#)

D. Providing Emergency Information to LEP Court Customers

The **Grays Harbor County Superior Court, Juvenile Court and District Court** is responsible for taking reasonable steps to ensure that LEP and D/HH/DB individuals have meaningful access to emergency information should an emergency situation arise. The court provides such information in the following ways:

- There are universally understood emergency signs located in the strategic places throughout the courthouse and juvenile building; and
- Emergency exits are clearly marked

VI. TRAINING

The **Grays Harbor County Superior Court, Juvenile Court and District Court** is committed to providing training for all judicial and court staff members who come in contact with LEP and D/HH/DB individuals in order to ensure the successful delivery of language assistance services. The court will provide staff training on all requirements in this LAP. Additional training opportunities will include *[check all that apply or delete those that are not relevant to your court]*:

- Proper appointment and scheduling of interpreters for all court proceedings and court-managed programs and services
- How to voir dire a non-credentialed court interpreter
- Role of an interpreter, modes of interpreting, and interpreter ethics and professional standards
- Courtroom management when interpreters are used
- Use of remote technologies for interpreting

Training efforts will include an initial training for new staff on the requirements of the current LAP and an annual training for existing court personnel that addresses any revisions made to the Plan.

Resources and information regarding language assistance services, policies and procedures and tools for providing language assistance (such as bench cards, language identification guides, brochures, etc.) are available to all court staff and decision makers at:

- The Courts' Administrator

This is an informal process whereby the Commission may be involved in providing consultation and guidance to LEP parties and local courts in resolving and removing barriers to language assistance services and resources.

LEP and D/HH/DB individuals are encouraged to first file a complaint with the local court using local court customer complaint filing procedures. The local court complaint rules are as follows:

This determination shall be made within 10 business days of receiving the complaint. The Commission may request additional information from the complainant if appropriate. If the Commission

the court will continue to communicate on an ongoing basis with stakeholders via e-mail and in conversation to determine any changes that are needed.

This assessment will be done by reviewing various areas in which the court provides language assistance services, taking into consideration, at a minimum, the number of interpreters requested by language in the courts and the identification of emerging changes in the languages spoken or signed within the court's local population as identified by any informational means or by other methods. Elements of the assessment evaluation shall include:

- Number of LEP or D/HH/DB persons requesting court interpreters;
- Assessment of current language needs to determine if additional services or translated materials should be provided;
- Assessing whether staff members adequately understand LAP policies and procedures and how to carry them out; and
- Identification of challenges or trends your court is experiencing with providing language assistance services.
