### **Grays Harbor County Emergency Management new logo and 5<sup>th</sup> Annual Expo**

**Montesano** – Grays Harbor County Emergency Management, a division of the Grays Harbor County Sheriff's Office, is excited to unveil to the public a new logo! Emergency Management wants this logo to encompass the vast array of beauty contained within Grays Harbor County. Unfortunately, the same components that make this county so beautiful also present their own unique hazards.

Grays Harbor County Emergency Management is committed to the preparedness for, response to, recovery from, and mitigation of emergencies. This looks different for each hazard that we are presented with. A great way to learn more about these hazards and how best to protect yourself is by attending the 5<sup>th</sup> Annual Emergency Preparedness Expo on July 31<sup>st</sup>! This event will be held from 10:00 AM – 2:00 PM in the parking lot of Shoppes at Riverside in Aberdeen. There will be fun for the whole family brought to you by various community organizations and members. Come out to learn how to best prepare yourself for an emergency and enter our free raffle for a chance to win many prizes!

Are you signed up for Grays Harbor County Emergency Alerts? **Rave Alert/ Smart911** allows Grays Harbor County Emergency Management to relay critical weather-related information, such as high winds, flooding or tsunami warnings would be transmitted to citizens registered.
