BOIL WATER ADVISORY NO LONGER IN EFFECT

THE WATER SERVICES IN:

SEAVIEW ESTATES

E. coli bacteria were found in the water supply on 9/7/2023 during a routine coliform sampling of the distribution system.

Customers of Seaview Estates no longer need to boil their drinking water. Grays Harbor County has been working with the Washington State Department of Health over the last 3 days. We have completed inspections, water quality testing, disinfection and flushing to resolve the contamination problem.

****If you have shut off or not used fixtures, water fountains, ice machines, soda machines, and/or other equipment that is connected to a water supply since the boil water advisory went into effect, be sure to flush the fixture or equipment until there is a change in the water temperature.****

Customers with questions should contact:

Kyle Scott, Utilities Manager – Grays Harbor County Utilities

Phone number: (360) 249-4222 X1859

**Mailing address: 100 W Broadway Ave, Suite 31,
