Prevent. Promote. Protect.

OFFICE OF THE MAYOR
ROXANN WEDEGARTNER
Mayor

Valerie Bird
Health Director

The best way to prevent illness is to avoid being exposed to this virus.

Wash your hands for 20 seconds.

Avoid touching your eyes, nose, and mouth

Avoid close contact – 6 feet separation

Distance between yourself and other people – 6 feet!

Stay home if you're sick

Coughs & Sneezes: Cover your mouth and nose; wash your hands
