ARTICLE 1
UNION RECOGNITION

SECTION 1: The City recognizes the Union for purposes of collective bargaining as the exclusive bargaining agent for the unit of all permanently appointed Patrol Officers employed full-time by the City, but shall not represent the Chief of Police, Deputy Chief, Captains, Lieutenants, Sergeants, Auxiliary Patrol Officers, Special Police Officers, permanent Reserve Patrol Officers, Office and Clerical employees of the Police Department, and all other employees of the City, whether or not specifically excluded.

SECTION 2: The Union, as the exclusive representative, shall have the right to act for and negotiate Agreements covering all Patrol Officers in the Unit and shall be responsible for representing the interests of all such Patrol Officers without discrimination and without regard to Union membership.

SECTION 3: The Union Negotiating Committee shall not exceed a total of six (6) members. All negotiating time shall be without pay. Those Committee members whose shift conflicts with negotiating time may request time off from duty without pay for the purpose of negotiating the terms of an Agreement, or supplement thereto. Such time will be limited to a maximum of two (2) employees from the same tour and a maximum of three (3) hours per tour of duty and will be submitted at least twenty-four (24) hours in advance for approval by the Chief of Police or the designated replacement. The members will not be penalized, in any manner, for requesting and/or receiving time off.

SECTION 4: The Parties agree that Patrol Officers following appointment or promotion to a Supervisory rank in any Civil Service capacity (temporary, provisional, etc.) shall no longer be covered by the Patrol Officer Collective Bargaining Agreement but shall be covered by the Police Supervisory Collective Bargaining Agreement. Such Officers shall cease to be covered by the Agreement following their return to the Patrol Officer bargaining unit.

ARTICLE 2
UNION RIGHTS

SECTION 1: No employee shall be removed, dismissed, discharged, suspended or disciplined except as provided by Civil Service Regulations and existing laws. Should the City be removed from Civil Service, no employee shall be disciplined or discharged except for just cause.

SECTION 2: If a Superior Officer has reason to reprimand an employee, it shall be done in such a manner that it will not unduly embarrass the employee before the public or before other employees of the Police Department.

SECTION 3: Whenever a report is submitted by an employee and such report reflects that the employee making said report has allegedly committed a crime, such alleged statements shall not be used to violate the constitutional protection against self-incrimination, and to cause a waiver of immunity for the purpose of prosecution; such alleged incriminating statements may be taken

into account with reference to performance of said employee in the violation of their public trust; but under no circumstances shall they be used in any manner whatsoever as a waiver of immunity before a grand jury, court of law or in any other court proceeding which would or could result in the sufferance of a penalty whether by fine, imprisonment or both.

ARTICLE 3
MANAGEMENT RIGHTS

SECTION 1: The Parties agree that the operation of the Police Department of the City of Greenfield, the supervision of the employees and of their work are the right of the City alone and include, subject to the provisions of this Agreement, the making of reasonable rules to assure orderly and effective work, the making of work schedules; the determination of what and where duties will be performed, and of employees' competency; in compliance with Civil Service Law and other laws of the Commonwealth of Massachusetts, and the ordinances of the City, hiring, transfer, promotion, demotion, layoff, discipline or discharge of employees for just cause without discrimination; and the right to discuss terms and conditions of employment with the employees and to inform them directly concerning matters or rights of the City.

SECTION 2: Such rights, authority and obligations shall include, but are not limited to, the following:

- (a) To develop, alter or abolish policies, practices, procedures and rules to govern the operation of the Police Department and bring about discipline.
- (b) To determine work assignments and establish, alter or eliminate work schedules, locations or functions in accordance with municipal or Departmental needs.
- (c) To recruit, select and determine the number and types of employees required.
- (d) To establish basic and in-service training programs and requirements for upgrading Patrol Officers.
- (e) To take such measures as the City may determine to be necessary for the orderly and efficient operation of the Police Department.

SECTION 3: The above rights are solely and exclusively the prerogative of the City, subject only to such limitations as are expressly provided for in this Agreement.

SECTION 4: In order to substitute for or to supplement the workforce of the Department, the City shall have the right to employ non-bargaining unit personnel to perform dispatch and desk duties. It is understood, however, that any such employment shall not cause the layoff of a bargaining unit employee nor shall it permit bargaining unit reduction through attrition.

ARTICLE 4
SCOPE OF BARGAINING

SECTION 1: The City and Union shall meet at reasonable times, including meetings in advance of the City's budget-making process, and shall negotiate in good faith with respect to wages, hours and any other terms and conditions of employment.

SECTION 2: This Agreement is subject to all applicable laws or regulations of the Commonwealth of Massachusetts, with both the City and Union agreeing to negotiate according to M.G.L. Chapter 150E, as amended, including applicable Civil Service Rules and Regulations, the decisions of the Massachusetts Ethics Commission and the ordinances of the City, and should any provisions of this Agreement be found to be in violation of the laws of the Commonwealth of Massachusetts, now in effect or enacted at a later date, all other provisions of this Agreement shall remain in full force and effect for the duration of this Agreement, and the Parties shall promptly meet on request of either Party or other authorized Parties in order to negotiate a proper provision to replace that provision which has been found to be in violation should such replacement be deemed necessary by either Party.

SECTION 3: No amendment, alteration or variation of the terms or provisions of this Agreement shall bind the Parties hereto unless made and executed in writing by said Parties.

SECTION 4: The failure of the City or the Union to insist, in any one or more situations, upon performance of any of the terms or provisions of this Agreement, shall not be considered a waiver or relinquishment of the right of the City or of the Union to future performance of any such term or provision, and the obligations of the Union and the City to such future performance shall continue.

SECTION 5: It is understood by the City and the Union that all provisions of this Agreement which require that necessary appropriations be made and authorized by the City Council are subject to said authorization and conditional upon the granting of said authorization by the Greenfield City Council.

SECTION 6: For purposes of this Agreement, the following terms are defined:

- (a) *Patrol Officer*: A permanently appointed, full-time employed Officer of the Greenfield Police Department, having the rank of Patrol Officer.
- (b) *Officer*: A permanently appointed part-time or full-time employee of the Greenfield Police Department whose duty it is to enforce the law.
- (c) *Superior Officer*: Any Officer having the rank of Sergeant or higher.
- (d) *Employee*: Any person employed within the bargaining unit by the Greenfield Police Department.

SECTION 7: Unless otherwise agreed in writing, all provisions of this Agreement shall be retroactive to the commencement of the Agreement.

ARTICLE 5
DISCRIMINATION

SECTION 1: Both Parties hereto agree that neither shall discriminate against any employee because of membership or non-membership in the Union.

SECTION 2: Both Parties agree to fully comply with all applicable laws or constitutional provisions prohibiting discrimination on grounds of race, color, creed, religion, sex, sexual orientation, age or national origin.

SECTION 3: All Patrol Officers hired as of March 22, 2001 and subsequent shall comply with M.G.L. Chapter 31, Section 58, regarding residency requirements, except that the statutory 10 mile residency limit shall be extended to a radius of 30 miles from the perimeter of the City. All Patrol Officers hired prior to March 22, 2001 shall be subject to this requirement if they change their current residence if presently not in compliance.

ARTICLE 6
SENIORITY

SECTION 1: The Chief of Police shall establish tours of duty for Patrol Officers for the efficient operation of the Department. Subject to the procedures set forth in this Article, the Patrol Officers covered by this Agreement shall have the right to select the tour of their choice, according to seniority; except the Chief shall retain the right, upon reasonable assessment standards, to reassign an Officer when personal or marital conflicts impair or jeopardize Departmental operations. Provided, however, that the grievance/arbitration procedure may be used by the Union on an expedited basis if the Chief is alleged to have abused their discretion in such a reassignment.

SECTION 2: Seniority among Patrol Officers shall be determined by their most recent date of hire and appointment as permanent full-time members of the Greenfield Police Department. Identical appointment dates shall be resolved by granting seniority in order of the Civil Service test score for each appointee from the highest to the lowest. Those hired after date of Civil Service are deemed to have a hire date of September 1, 2020.

SECTION 3: If a permanent vacancy occurs within any given tour, by reason of promotion, reassignment, retirement, resignations, death, tour change or the initiation of new tours, that vacancy shall be set forth by the Chief or designee and made available for bidding by Patrol Officers. An Academy graduate will not be able to bid until six (6) months after service begins after Academy, or one (1) year from date of hire, so Officer's bidding rights will be delayed from six (6) to twelve (12) months but not longer. In the meantime, they work as assigned by the Chief.

SECTION 4: All tours in the uniform division will be posted and made available for bidding twice a year. The tour changes will take effect on April 1st and October 1st of each year. The shift bidding will be posted on February 1st and August 1st and that bidding must be completed

thirty (30) calendar days later. If a vacancy opens between bidding periods, the Chief may fill the vacancy with the least senior Officer(s).

SECTION 4(a): No more than one (1) reserve/special officer shall be allowed to work any given shift. The exception will be that within four (4) hours' notice of the start of the shift, a second reserve/special officer may be called if a Shift Supervisor is working the shift with the vacancy. The option to use a second reserve/special officer will remain at the discretion of the Shift Supervisor. If the shift is without a Shift Supervisor and the safety of the Officers on that short shift is considered to be in jeopardy, the Shift Supervisor receiving the notification of the vacancy may offer overtime to an Officer already working or call in a regular Officer for overtime while maintaining seniority rights.

SECTION 5: Vacancies on the Detective Bureau or a specialized position shall be filled by appointment by the Chief within the Chief's discretion; however, permanent assignments shall not be made without the consent of the appointee.

SECTION 6: For the purposes of demotions and layoffs, seniority will be calculated in accordance with M.G.L. Chapter 31, Section 33. For choice of vacation, shift assignment or any other contractual benefit, time in grade from their most recent date of permanent full-time appointment with the Greenfield Police Department shall determine order of choice.

ARTICLE 7 **HOURS OF WORK**

SECTION 1: The schedule will consist of a four-days-on, two-days-off ("4-2") repeating schedule. Shift staffing will be determined by the Chief or their designee.

SECTION 2: Nothing contained in this Article shall be construed as limited or restricting the power of the Chief of Police to keep Officers on duty or to assign them to extra duty, at any time, in cases of actual emergency or unusual demand for police services.

SECTION 3: The work day shall begin at the start of the normal eight (8) hour and ten (10) minute shift and last for twenty-four (24) hours thereafter.

SECTION 4: The work week shall begin on Sunday at 0650 hours, and end on Sunday at 0649 hours. This only applies to scheduling, not to payroll.

SECTION 5: Patrol Officers covered by this Agreement shall be afforded a twenty (20) minute paid lunch period which is included as part of their eight (8) hour and ten (10) minute shift.

SECTION 6: Officers designated "Officer-in-Charge" (OIC), designated by the Chief, shall be compensated additionally at a rate equivalent to one hour straight-time rate for each shift worked as OIC, to be placed in their FLSA account at the Officer's discretion. OIC pay will be paid at an additional ten percent (10%) of the employee's base on permanent appointment.

SECTION 7: Officers may swap tours of duty within rank with a seventy-two (72) hour notice to the Chief or designee. It shall be the responsibility of the Officer who agreed to the swap to perform the work and to complete the exchange within three (3) months. No such exchange shall result in the City being obligated to pay overtime which would not have otherwise been required. The Chief shall have the right to disallow a swap for good cause.

SECTION 8: Officers assigned to the Detective Bureau or a non-uniform function shall have the schedule the Chief or designee determines. For each shift bid, any Officer assigned to a non-uniform function may choose either option. There are specific functions that require a Monday-through-Friday work schedule. Officers assigned to those specific functions will be informed prior to their accepting these positions. Non-uniform employees working a 5-2 schedule shall receive the holidays identified in Article 12, plus the Day after Thanksgiving and Christmas Eve Day off in lieu of the 4-2 schedule. In the event a holiday falls on a weekend, such Officers will be afforded the day off on the closest work day. Officers working a 5-2 schedule will also be given six (6) additional administrative days off to be used at their discretion within the fiscal year. The six (6) administrative days will not be allowed to carry over into the following fiscal year, and will be granted pro-rata for Officers who begin a 5-2 schedule after the start of a fiscal year. No compensation will be granted for any unused hours of days.

ARTICLE 8 **WAGES**

SECTION 1: Weekly wage rates for full-time employees are as outlined in Appendix C effective July 1, 2021, July 1, 2022 and July 1, 2023. Employees eligible for the increases will be those employees in the bargaining unit who were employed in the bargaining unit at the time of the execution of the 2021-2024 Collective Bargaining Agreement. The straight-time hourly rate shall be calculated by dividing the weekly wage rate by forty (40) hours. Step increases will take place on July 1st each year. Step dates will be delayed by the length of time any employee was on unpaid leave during the prior year, except Military Leave. Effective July 1, 2022, the wage scale shall be adjusted accordingly: the then-applicable (i.e., with all base wage increases up and through July 1, 2022) Step 2 shall become the new Step 1. The current Steps 3, 4, 5, 6, and 7 shall become the new Steps 2, 3, 4, 5, and 6 respectively. A new Step 7 shall be added with the same % differential between Steps 1 through 6 for each Grade/Title. Employees will remain at their current step for the July 2022 stepping, as this shift will effectively step them.

SECTION 1(a):

- (a) Upon appointment, an employee who is Academy trained (or its equivalent certification) will be placed at the Step commensurate with their years of full-time police service.
- (b) Upon appointment, an employee who is not Academy trained (or its equivalent certification) will be placed on the above schedule at a pay rate of ninety-five

percent (95%) of the listed rates; and, after completion of Academy, at one hundred percent (100%) of the pay rate.

SECTION 2: All employees covered by this Agreement, working a shift between the hours of 3:00 p.m. and 11:00 p.m., shall be paid an additional sum each week, as outlined below:

Effective July 1, 2021 – increase to forty dollars (\$40.00) per week;
Effective July 1, 2022 – increase to fifty dollars (\$50.00) per week;
Effective July 1, 2023 – increase to sixty dollars (\$60.00) per week.

SECTION 3: All employees covered by this Agreement, working a shift between the hours of 11:00 p.m. and 7:00 a.m., shall be paid an additional sum each week, as outlined below:

Effective July 1, 2021 – increase to sixty dollars (\$60.00) per week;
Effective July 1, 2022 – increase to seventy dollars (\$70.00) per week;
Effective July 1, 2023 – increase to eighty dollars (\$80.00) per week.

SECTION 4: (Detective and School Resource Officer Stipends): Detectives and School Resource Officers shall be paid a Fiscal Year Service stipend of \$1,800 when they are so assigned. Service stipend shall increase to \$2,000 for an employee when employee attains at least three (3) years of service in any of these capacities. Service stipend shall increase to \$2,200 when an employee attains at least five (5) years of service in any of these capacities. Stipends shall be paid on a weekly basis. In the event that an employee ceases serving in any of the aforementioned capacities and subsequently returns to the same position, they will have their prior service counted in determining the amount of the stipend. All officers joining the Canine Unit must make a 5 year commitment to the Unit. Officers in the Canine Unit shall receive an additional ten percent (10%) annually, to be spread out over each pay date.

SECTION 5: Night bonus “Shift Differential” shall be paid on a basis of a five (5) day work week, fifty-two (52) weeks per year with the exception of vacation time only.

SECTION 6: All in-grade Step increases will take effect on the first full payroll period of July of any fiscal year rather than on an employee’s anniversary date of hire. No Step increase shall be retroactive or take effect unless the Officer has spent the maximum time in grade for their Step.

SECTION 7: An employee assigned as Field Training Officer (FTO) shall be compensated in accordance with one of the following policies, at the employee’s option:

- 1) The Officer shall be compensated with an additional one dollar and fifty cents (\$1.50) per hour and two (2) hours of FLSA time per shift when assigned as FTO, or
- 2) The Officer shall receive four (4) hours of FLSA time per shift, and no additional hourly compensation, when assigned as FTO.

SECTION 8: Longevity pay of one percent (1%) maximum for Patrolmen with ten (10) years’ GPD service from their initial date of appointment as permanent Officers. After fifteen (15)

years of service, the longevity pay will be two percent (2%); after twenty (20) years of service, the longevity pay will be three percent (3%); and three and one-half percent (3½%) after completion of twenty-five (25) years of service with the City, all to be paid whether in continuous service or combined service if a break in service has occurred (and effective in the first payroll period after City Council approves funding).

ARTICLE 9 **OVERTIME**

SECTION 1: Each employee shall receive one and one-half (1½) times their hourly rate for any time worked beyond their scheduled eight (8) hour tour.

SECTION 2: After working a tour, an employee shall have at least eight (8) hours off duty prior to starting a second full tour.

SECTION 3:

- (a) For overtime hours, each employee may, by mutual agreement of the Chief and the employee, receive pay at one and one-half (1½) times their base hourly rate, or at one and one-half (1½) times the hours accrued added to their Fair Labor Standards Compensatory Time Account (FLSA). Agreement to past practice for K-9 and training, including special response team training, periods will continue during this contract term. Employees active as of April 2006 shall have the option of accruing up to two hundred (200) FLSA hours at their discretion.
- (b) FLSA shall be capped at the legal maximum of 480 hours for each Officer. Employees who reach this cap shall be paid for overtime hours.
- (c) Requested use of FLSA will be granted at times requested by the employee, but in no less than one (1) hour increments, unless authorized by the Chief or Designee, when a minimum of forty-eight (48) hours' request notice is given to the Chief of Police, or designee, and as follows:
 - (1) Regular contractual time-off plans shall take precedent over any FLSA request.
 - (2) One Supervisor and One Officer per shift will be allowed, up to a maximum of four (4) consecutive days off per request. If staffing permits, more than one Supervisor/Officer's request may be granted, and more than four (4) consecutive days off may be granted, at the discretion of the Chief.
 - (3) Requests will be granted on a "first come, first served" basis by date of request. Multiple requests submitted on the same date will be determined by Departmental seniority.
 - (4) Requests of less than forty-eight (48) hours' notice may be granted at the discretion of the Chief, or designee.

- (5) It is recognized there may be occasions when a manpower or budget emergency as defined by Departmental policy exists and a request may not be granted.
- (d) At the time of employment separation, time in an employee's FLSA may be paid or may be used as early time off prior to the actual day of separation, at the employee's discretion; except if the date of any Early Retirement Incentive (ERI) program would preclude time off in its entirety, any remaining balance shall be as pay or pursuant to Article 28, Section 6, whichever is applicable.

SECTION 4: Daily reports and written complaints will be completed during the regular tour unless directed otherwise by a Superior Officer.

SECTION 5: Employees required to attend training or educational programs approved by the Chief or who are summonsed to attend a judicial, administrative or other legal proceedings for a matter arising out of the employee's official duty, at a time when they are not scheduled to work, shall have the option set forth in Section 3. Any witness fees received by the employee shall be provided to the City. District Court attendance shall not be required of an Officer on a regularly scheduled vacation as set forth in Article 13, Section 3(a), unless they are summonsed by the Defense or ordered by the Presiding Justice or as otherwise provided by law.

SECTION 6: Employees called back to work or to attend a judicial or administrative proceeding shall be compensated for a minimum of four (4) hours at one and one-half (1½) times the base hourly rate. If an Officer is required to attend Court on their day off or a pre-scheduled, normally bid vacation, that Officer shall be compensated for a minimum of six (6) hours at one and one-half (1½) times the base hourly rate. Employees called in while off duty to a conference with the Chief or designee shall be compensated for a minimum of one (1) hour at one and one-half (1½) times the base hourly rate.

SECTION 7: When an Officer of the Greenfield Police Department is forced through a legally served subpoena, summons, etc. to travel outside the State of Massachusetts, for reasons arising or connected with their employment as a Greenfield Police Officer, they shall be compensated at an overtime hourly rate, beginning from the time they depart the Greenfield Police Department and up until the time they return to the Greenfield Police Department. These costs will be the responsibility of the requesting agency and documents approving these costs prior to departure will be received by the Chief of Police. If overnight stays are required, see Article 9, Section 8. Until funds are received from the requesting agency, the City will pay only regular pay and expenses under this Article, with the remaining due and owing payable upon receipt in the first payroll period the monies are received.

SECTION 8: If an Officer complies with Section 7 and is required to go out of state and forced to spend overnight, they will be compensated at an overtime rate for sixteen (16) hours out of each day, if this matter takes place on the Officer's regularly scheduled day off. The Officer will be compensated for a minimum of eight (8) hours, if this matter takes place during the Officer's regularly scheduled work day. Until funds are received from the requesting agency, the City will

pay only regular pay and expenses under this Article, with the remaining due and owing payable upon receipt in the first payroll period the monies are received.

SECTION 9: Whenever the Department decides to fill a vacancy on a shift covered by a Patrol Officer, created as a result of an Officer's illness, or IOD (Injured-on-Duty), unless the length of the illness or IOD is known in advance to exceed three (3) days, the option to fill that vacancy will be given first to full-time Officers covered by this Agreement. The overtime shift shall be given to the Officers in the same manner as the outside details are awarded. If unable to fill the vacancy with Officers who have signed up in the outside detail book, then Permanent Reserve Officers shall be called to fill that vacancy.

SECTION 10: For the purpose of calculating overtime obligations under the Fair Labor Standards Act, the payroll period shall be twenty-eight (28) calendar days in length.

SECTION 11: When an Officer has to use their personal vehicle to attend an approved out-of-town, job-related meeting or Court hearing, they shall be compensated for mileage at the City mileage rate.

SECTION 12: An Officer forced to work prior to their shift or forced to holdover beyond shift for regular staffing fill-in shall be exempt from another holdover or force-in on their next regularly scheduled tour. An Officer may not be required to work more than four (4) hours on a forced holdover or force-in but may volunteer to do so. This Section does not apply to emergency callbacks.

SECTION 13: Any full-time permanent Officer who has been placed on leave, retirement or has been laid off shall be entitled to the provisions of Article 9, Sections 5 and 7 of this Agreement but not to any other Article or Section. This does not include employees who have resigned or been lawfully terminated. Further, under no circumstances will said Officers who are on a leave of any kind or on a layoff receive compensation under the aforementioned Article and Sections at any time after the two (2) year anniversary date of their leave or layoff. This pertains to compensation for required Court appearances arising out of their prior employment as a member of the Police Department.

SECTION 14: Employees covered by this agreement will be forced-in and/or forced to holdover based on seniority, except in the event of voluntary overtime; in that case, notwithstanding seniority, the employee on voluntary overtime will be forced last.

ARTICLE 10

OUTSIDE PAID POLICE DETAILS

SECTION 1: The provisions of this Article shall govern the assignments of paid police details to the employees covered by this Agreement when such work is to be provided for a private individual, group, corporation, contractor or any other organization when the City does not pay the Officer directly.

SECTION 2: Such assignments shall be made by the Chief of Police or their designated representative, on a voluntary basis, to off-duty employees and shall be distributed as fairly and equitably as possible. The Chief or designee shall maintain a record of all such assignments which may be examined by any employee at reasonable times and upon reasonable motion. A refusal of overtime shall be considered as time worked for distribution purposes. Nothing herein shall prevent the assignment of Superior Officers to supervise outside paid details.

SECTION 3: All employees shall, as in all other instances, comply with the orders of Superior Officers while performing such outside details.

SECTION 4: Detail Rate: The compensation for such paid details shall be made in accordance with M.G.L. Chapter 44, Section 53C, along with the following:

STEP #1: An employee with a grievance shall speak to their immediate and/or appropriate Superior Officer regarding the problem within seven (7) business days of the difference or dispute. The Superior Officer shall make an effort, within seven (7) business days, to resolve the problem to the satisfaction of all the Parties. If, however, the employee is not satisfied, they shall present the grievance, in writing, to the Superior Officer and the Union Committee within seven (7) business days. The Superior Officer

STEP #2: The Chief of Police or designee will investigate the grievance and present their conclusions, in writing, to the employee, the Union Committee and the Superior Officer within ten (10) business days. As a condition precedent to arbitration, the Union and the employee shall sign and give to the City, on a form prepared by the City, a waiver of any and all rights to appeal the disciplinary action to any other forum, including the Civil Service Commission. The waiver shall include a declaration that no other review of the discipline has been commenced.

All Officers will be qualified with their issued or authorized weapon.

ARTICLE 27

SUBSTANCE ABUSE

SECTION 1: The purpose of this policy is to establish the fact that the City and the Union agree that the workplace must be a drug-free environment in accordance with the Drug-Free Workplace Act of 1988, to protect the health and safety of its employees and the general public, and to maintain efficiency, productivity and economy of operations. The main emphasis of the program, as it relates to an employee admitting to a confirmed problem of alcoholism or drug dependency, is to provide a single counseling and rehabilitation opportunity for the employee to keep their job, unless the seriousness of misconduct, negligence or absenteeism by the employee outweighs this purpose.

SECTION 2: In the event that an employee reports to work or at any point during their work shift and gives the appearance of or exhibits behaviors of, or in which there are reasonable grounds for believing or suspecting an employee may be under the influence of either alcohol or illegal drugs, as determined by the reasonable suspicion standard provided herein, the employee may be removed from duty and required to undergo drug and/or alcohol testing.

SECTION 3: Testing Procedures Non-DOT/CDL:

- (a) Except under Subsection (j) or in the case of applicants for employment in the bargaining unit (as to whom the Union claims no jurisdiction), no drug testing shall be permitted on a random or universal basis except as herein provided. Testing of employees shall only be permitted when there is reason to suspect drug or alcohol use and that this suspected use has, is or will be affecting job performance. Immediate alcohol testing shall be permitted based upon the reasonable suspicion standard herein provided.
- (b) Prior to any testing for drugs (other than alcohol), the City will provide the employee and the Union with a written report evidencing reasonable suspicion. The employee or Union may ask that a Department Head or Director or a

mutually agreed upon health professional review such report and decide whether or not testing shall proceed. If this review procedure is not completed by the end of the next full calendar day after the report is given to the Union and the employee, the testing will be done and the results held back from release until the appeal is decided.

- (c) The credibility of sources of information whether by tip or informant, the reliability of submitted information, the degree of corroboration, the results of City inquiry and/or other factors shall be weighed in determining the presence or absence of reasonable suspicion. The following are representative but no all-inclusive examples of such circumstances:
 - (1) An employee deemed impaired or incapable of performing assigned duties.
 - (2) An employee experiencing excessive vehicle or equipment damage, or any vehicle accident involving significant damage or injury to any person.
 - (3) An employee exhibiting behavior inconsistent with previous performance. An employee who exhibits irritability, mood swings, nervousness, hyperactivity or hallucinations.
 - (4) An employee who is subject to substantiated allegations of use, possession or sale of drugs and has not agreed to participate in a rehabilitation program.
- (d) The employee shall be provided with a test sample at the time drug testing is conducted. Drug testing to be performed is to be of the more expensive and accurate nature, so as not to subject the employee to the stress and embarrassment of a possible false positive result from the less expensive test.
- (e) The following information shall be provided an employee directed to undergo a drug test:
 - (1) A copy of the testing program procedures.
 - (2) A description of the sample-gathering protocol.
 - (3) A list of the tests to be used.
 - (4) The name and location of the laboratories to be used.
 - (5) The test results in writing with an explanation of what the results mean.
- (f) The Parties shall ensure the confidentiality of the testing process and results. Access to information about the test shall be limited to the employee and only members of management and Union officials with a compelling need for this information.
- (g) Except as to a grievance that the Reviewer has not followed the procedure outlined in this Article, the decision of the City to require alcohol or drug testing shall be final and binding and not subject to the grievance and arbitration procedure. The test sample taken from the employee shall be secured by the City

physician, the nurse practitioner or a testing laboratory designated by the City. Failure to provide the test sample as directed will result in disciplinary action.

- (h) In cases of post-accident or “reasonable suspicion” testing based at least in part upon misconduct or negligence of the employee, it is agreed that the City may regard such misconduct or negligence as separate ground for possible discipline/discharge, subject to “just cause” principles.
- (i) It is the intention of this Article that a non-probationary employee who is found to test positive in the drug screening shall be treated within the Employer/employee relationship. It is incumbent upon the employee to submit a proposal to the City to be reviewed by the physician designated by the City for approval. It is the intention that such proposal includes a drug rehabilitation clinic, whether on an out-patient or in-patient basis. The employee may utilize sick days for such in-patient programs. Leaves of absence without pay for such reasonable periods will be allowed if the employee has no other accrued leave available, pursuant to FMLA. The employee shall be expected to comply with all the requirements and such regulations of the substance abuse rehabilitation clinic and the failure to abide by all such conditions and requirements shall be a basis for termination of employment.
- (j) The employee agrees to submit to random urinalysis testing at the discretion of the City for a period of one (1) year after returning to work after commencing said program. If any test during such time yields a positive result, the employee shall be immediately subject to disciplinary action which may be termination of employment.
- (k) In the case of a positive test result, the City’s financial responsibility is to pay for the initial test and one “return-to-work” test if allowed; all other testing shall be the financial responsibility of the employee. In the event a split sample test yields a negative result, the City shall pay for the split sample test.
- (l) Within any ten (10) year period of their employment, the City will give an employee who has a positive test one and only one chance to return to work, and this opportunity does not exist in (a) refusal to test situations; (b) where a second incident takes place during the re-testing period before the employee is allowed to return to regular duty; or (c) in any case where a test is given in connection with conduct by the employee that causes or results in or created a serious threat of serious bodily injury or substantial damage to property, or rises to the level of conduct in reckless disregard of safety. This provision does not require the City to discharge an employee or in any manner reduce the discretion of the City as to exercise of its rights as established in this Agreement.

ARTICLE 28
TIME BANK

SECTION 1: Employees who had a separate account referred to as the "Time Bank" as of July 1, 2004 shall retain this account subject to the provisions of this Article.

Whenever an employee's FLSA account falls below 400 hours, employees who retained a Time Bank account shall automatically have hours transferred to that account to bring the accrual total back to 400. When any Time Bank account has been reduced so that its balance would be zero and FLSA would be 480, the hours shall be so transferred. No additional time will be placed into Time Bank.

The City and the Union agree that any pay-down from any employee's Time Bank other than as stipulated herein will be negotiated as to method and manner.

Time may be drawn in the event of a long-term illness, when sick leave accruals are exhausted or an emergency at the request of the Officer, and with the approval of the Chief of Police or designee. A written request for such time must be submitted as soon as possible by the employee.

At the time of termination, regardless of the reason or circumstances, the remaining time in each employee's Time Bank may be paid up to a maximum monetary withdrawal of twenty-five percent (25%) of the balance. The remaining time may be used as early time off prior to the actual day of the termination. If a termination occurs other than retirement or resignation which does not allow for the employee to utilize their remaining balance in the Time Bank as time off, only then may they draw more than the maximum allowable twenty-five percent (25%) of the balance as pay.

SECTION 2: Time Bank/Retirement: Vacation Time — An Officer must have worked one hundred and fifty (150) days prior to July 1st. The one hundred and fifty (150) days will be counted from the previous July 1st. This will bring an Officer generally into January or February. Sick time and personal time will be counted as "working days." Time Bank and overtime will not be counted.

If an Officer does not work the required one hundred and fifty (150) days, they will be given credit in the following manner:

- .25 days for each week worked if Officer has less than five (5) years of service;
- .33 days for each week worked if Officer has five (5) years but less than ten (10) years of service;
- .50 days for each week worked if Officer has ten (10) years but less than fifteen (15) years of service;
- .66 days for each week worked if Officer has fifteen (15) years but less than twenty (20) years of service;
- .75 days for each week worked if Officer has over twenty (20) years of service.

EXAMPLE: .66 x 12 weeks equal 7.92 — rounded to 8 days
 .66 x 11 weeks equal 7.26 — rounded to 9 days

SECTION 3: Roll call pay will be paid weekly to any Officer on Time Bank. Shift Differential will not be paid while out on Time Bank. Incentive will be paid to all Officers, weekly, while on Time Bank. Holiday pay will be paid to any Officer on Time Bank for the weeks they are on the weekly payroll.

SECTION 4: Time Bank figures will be based on a DATE supplied the Chief of Police by the retiring Officer. Once the Chief has an intended last day of work, the Chief can figure backward the actual last day of work and the twenty-five percent (25%) amount due. During the seventy-five percent (75%) weekly pay, the Officer will not accrue SICK, VACATION or PERSONAL TIME while on Time Bank preceding retirement. An Officer must submit a letter of retirement/resignation to the Chief of Police in order to take advantage of this Article's benefits. For the purposes of replacement only, an Officer will be considered retired on the date they start Time Bank.

SECTION 5: Personal time is granted an Officer on July 1st for the coming year. Each Officer will be granted twenty-four (24) hours' pay at the time of their retirement if they were on the payroll on or after July 1st of the present year.

Outside details will not be assigned to Officers on Time Bank. In cases of emergency, it will be at the discretion of the Chief of Police, if no Officer, full-time or part-time, is available, whether to allow Officers on Time Bank to work.

SECTION 6: When the Commonwealth offers as a local option statute an Early Retirement Incentive Program (ERI) and the City participates, and when the normal operation for utilization of accrued Time Bank is not operable, those employees who possess aggregate accruals in Time Bank and FLSA in excess of 480, the method of payment shall be in accordance with the following formula:

< \$10,000:	Payment at 100%
> \$10,000 but < \$20,000:	Payment at 50% over two (2) years
> \$20,000 but < \$30,000:	Payment at 34% first year, 33% next two (2) years
> \$30,000 but < \$40,000:	Payment at 25% over four (4) years
> \$40,000:	Payment at 20% over five (5) years

The calculable amount due shall be the accrued time in said Time Bank and FLSA as of the date and day set for retirement certain. The first payment shall be made upon retirement, with subsequent payments made on the retirement anniversary date.

Despite the formula as stipulated above, any member of the bargaining unit may request that payment(s) be made over a greater period of time if they so choose, in writing, on a form prescribed by the Chief of Police or the Human Resources Director, with a copy of said request going to the Union President, who shall so acknowledge receipt to the City.

SECTION 7: When the last employee who has a Time Bank account has either retired or had all Time Bank hours transferred to FLSA, this Article 28, Time Bank, shall automatically cease to exist in its entirety.

**ARTICLE 29
