Sewer & Drain Lining and Sewer Manhole Lining
Contract DPW 24-07
Addendum #1

August 23, 2023

The following questions have been received:

1) What are the work hours?

Answer:

Work hours are from 7:00am to 7:00pm. Work outside of these hours will require permission from the Owner.

2) Can we work on Saturdays?

Answer:

Yes.

3) Is there a cost for water?

Answer:

There shall be no charge for water usage. The Contractor can obtain water from hydrants on the streets where lining is to be done when temperatures are above freezing, with the following exceptions; Wildwood Ave. from MacLellan Ln. to French King Hwy.; Hastings St., Riddell St. and Beacon St. from High St. to Parkway. The Contractor shall be provided a hydrant connection with meter in order to keep track of water usage. When temperatures are below freezing, water will be provided at the DPW Yard at 209 Wells St.
