Addendum #2

February 22, 2024

The following questions have been received:

1. Addendum #1 addressed the knee wall that was to be built on the west side of the building. It stated the required length was 100 feet. Is 100 feet the length required?

-
Answer:

No, the knee wall is to be 60 feet in length and pitch the draining water away from the building and into the parking lot.
