# Community Relations and Education forum

## **Councilor Ricketts**

to Councilor, Councilor, Kathy, me

Please send to CRE and/or full council

On Monday September 19th at 6 pm, The CRE committee will hold a public forum to hear from residents on topics they may want discussed in the future that doesn't occur elsewhere. This will be a time when we can point you in the right direction or at least take notes to get information back to people. For instance, this will not be a time to discuss Lunt's because we have an Economic Development Committee or Chief Haigh due to pending litigation and people should talk directly to the mayor and/or Public Safety Commission. We would like to people to come with not only ideas of things they want to know more about, but what solutions you have. This may be the perfect opportunity to find out how to get more involved. For instance, we need more people on our Youth Commission. I'm hoping this will be a respectful listening and sharing evening so we can determine if it should be monthly. We do hear your views during public comment and they are appreciated. Too often numerous people say the same thing during their 3 minutes. Hopefully this evening will be more open without everyone focusing on 1 or 2 agenda items. Next month there will be a presentation regarding housing.
