New Issues

Site Plan Review of 95 River Street - Community Action offices/food pantry

Commissioners discussed the accessibility of the planned Community Action project at 95 River Street. BW noted a number of potential issues, namely the width of handicap parking spots in

front of the building, the accessibility of traversing the patio, a missing handrail, automatic door openers, handicap employee parking, and the location of a bus stop. The committee discussed these problems.

Moved: to send a letter to the planning board summarizing the issues and their comments about 95 River Street. By BW, seconded by LJ. Roll Call. Unanimous.

Massachusetts Office on Disability - Municipal ADA Improvement Grant

MJ Adams said the City is working on the Municipal ADA grant due October 8. The City has identified the need for a lift for the stage at the Four Corners school as target project for the grant application. The lack of a lift at the stage was noted in a Civil Rights Complaint and needs to be resolved. The City has a variance from the Architectural Access Board for a portable lift.

Moved: By LJ, seconded by BW. Roll Call. Unanimous.

Adjournment

Motion to Adjourn, BW, seconded LJ. Unanimous, adjourned at 2:06 PM.
