- Call to Order
- Approval of Meeting Minutes: November 14, 2023

Schedule of Public Meetings & Hearings

- **Public Hearing: Notice of Intent: Bank stabilization at the Green River Swimming Area (Map 27, Lot 18) DEP # 168-356 Continued from 11/14/2023**

The project proposes repairs to about 300 linear feet of bank along the Green River. The repairs include building out the top of the bank and repairing it to a 2:1 slope. It will be covered with biodegradable coir erosion control fabric. The entire slope will be planted with native shrubs. Large rocks on the beach which were part of the riverbank are proposed to be incorporated back into the toe of the slope to aid in stability.

- **Public Meeting: Request for Determination of Applicability: Invasive plant removal at 200 Green River Road (Map R33, Lot 13)**

The project proposes to remove oriental bittersweet, autumn olive, and other invasive plants from the property through mechanical means such as saws, pruners, and mowers. Targeted wetland-safe herbicides will be used

*Please note that reasonable accommodations will be provided for this meeting. Please direct your request to mitchell.vye@greenfield-ma.gov or 413-772-1548 ext 3. Attendees are respectfully asked to make any accommodation requests as far in advance as possible. All persons recording any portion of the meeting proceedings shall notify the Conservation Commission immediately.

on plants which are thicker than half an inch after being cut. Brush piles would be left in buffer zones so as to minimize the distance in which fruiting invasive plants are transported as per the recommendation of conservationists. The 30” trail would be expanded into the wetland area. The applicant also proposes to, where necessary, place small, low-impact bog bridges, not exceeding 30” wide, within the wetland area to make it passable.
