- Call to Order
- Approval of Meeting Minutes: December 12, 2023

**Schedule of Public Meetings & Hearings**

---

- **Public Hearing: Notice of Intent: Bank stabilization at the Green River Swimming Area (Map 27, Lot 18) DEP # 168-356 Continued from 12/12/2023**

The project proposes repairs to about 300 linear feet of bank along the Green River. The repairs include building out the top of the bank and repairing it to a 2:1 slope. It will be covered with biodegradable coir erosion control fabric. The entire slope will be planted with native shrubs. Large rocks on the beach which were part of the riverbank are proposed to be incorporated back into the toe of the slope to aid in stability.

- **Public Hearing: Notice of Intent: Culvert replacement on Shelburne Road DEP # 168-358 Continued from 12/12/2023**

The proposed culvert replacement is a 9.5-foot span, 5-foot rise, and 35-foot long 3-sided precast concrete culvert on stepped precast foundations with precast headwalls and U-Wall wingwalls. The proposed culvert will

\*Please note that reasonable accommodations will be provided for this meeting. Please direct your request to [mitchell.vye@greenfield-ma.gov](mailto:mitchell.vye@greenfield-ma.gov) or 413-772-1548 ext 3. Attendees are respectfully asked to make any accommodation requests as far in advance as possible. While the City of Greenfield will attempt to fulfill all requests, those received at the last minute may be impossible to provide.

\* Please note that all public hearings and meetings will be recorded.

All persons recording any portion of the meeting proceedings shall notify the Conservation Commission immediately.

match the existing centerline grade of Shelburne Road and existing culvert skew of 80- degrees to the roadway. The U-Wall wingwalls are proposed only on the upstream side of the culvert. The 3-sided box culvert will bear on stepped foundations that have 5-foot wide by 2-foot thick precast concrete foundations. Scour protection will be provided by embedding foundations based on scour potential and vertical adjustment potential, and as a factor of safety riprap armoring will be installed around the footings.

➤ **Public Meeting: Request for Determination of Applicability: Water line installation on Leyden Road to the Greenfield Swimming Area Continued from 12/12/2023**

The work consists of digging a trench approximately 6 feet wide and 5 feet deep from the existing 12-inch water stub on Leyden Road to the entrance to the swimming area where the existing 12-inch water main on Nash's Mill Road currently ends. Insulated water pipe would be hung from the Nash's Mill Road Bridge. Prior to the start of work, silt sacks would be installed in all adjacent catch basins to prevent sediment from entering the City's stormwater management system and eventually into the Green River. The total length of pipe to be installed is approximately 2,004'. Work is expected to be completed within 6-8 weeks. The trench would be permanently patched within the roadway and all disturbed areas would be restored. No permanent impacts to resource areas are proposed.

➤ **Public Meeting: Request for Determination of Applicability: Invasive species removal at 108 Deerfield Street (Map 24, Lot 39)**

The project proposes the cutting of approximately 20 small Norway maple saplings, 3 privets, 3 mulberry trees, and 3 larger Norway maples atop the slope by the abandoned Meade Street and east of the Green River. The stumps will be left in place.

**Other Business & Enforcement Updates**

---

- Request for Certificate of Compliance - Greenfield 28W Line Rebuild Project (DEP # 168-0348)
- Any topics not reasonably anticipated 48 hours in advance of the posting of this agenda
- Enforcement updates
  - 637 Colrain Road (Map R35-7) – unauthorized filling of wetlands.
  - 8 Conway Drive (Map 49-24) – unauthorized fill of Riverfront Area.

**Project Monitoring, Correspondence, & Site Visit Scheduling**

---

- List of active Order of Conditions and updates.
  - 125 Mohawk Trail Route 2A (DEP #: 168-0323, Exp. 10/17/2025) – Hotel and two additional buildings.
  - 1417 Bernardston Road (DEP #: 168-0329, Exp. 10/21/2024) – Solar array installation.
  - 225-245 Mohawk Trail (DEP #: 168-0339, Exp. 5/11/2024) – Tree cutting and slope restoration.
  - 43 Country Club Road (DEP #: 168-0345, Exp. 8/13/2024) – Bridge repairs.
  - 95 River Street (DEP#: 168-0346, Exp. 10/21/2024) – Building renovations.
  - 31 Nash's Mill Road (DEP #: 168-0347, Exp. 5/13/2027) - Greenfield Swimming Pool annual maintenance.
  - Area adjacent to the Greenfield 28W Substation on Power Court (DEP #: 168-0348, Exp. - 7/6/2025) Greenfield 28W Line Rebuild Project
  - 105 Newton Street (DEP #: 168-0350, Exp. 11/22/2025) Construction of three storage buildings
  - Health Camp Road (DEP #: 168-0351, Exp. 12/28/2025) Utility structure relocation
  - 208 Mohawk Trail (DEP #: 168-0354, Exp. 3/1/2026) Supermarket and parking lot construction
  - 15 Greenfield Street (DEP #: 168-0353, Exp. 3/15/2026) Parking lot construction
  - 112 Newton Street (DEP #: 168-0352, Exp. 3/24/2026) Cell tower installation

\*Please note that reasonable accommodations will be provided for this meeting.
