21-01	Peter Cavicchi, P.E. (MassDOT)	Various Locations along I-91	The proposed work involves the application of herbicides to control "target vegetation" along state roads and highways in accordance with the Rights of Way Management regulations (333 CMR 11.00) and the MassDOT's Vegetation Management Plan (VMP) and Yearly Operational Plan (YOP). Herbicide application will be applied under the guardrails, around sign posts, along walls, barriers, curbs & berms, pavement cracks, in areas of poison ivy, vehicular recovery zones, etc., and other areas where undesirable vegetation causes an unsafe condition, or impedes highway maintenance operations.	11/20/2020	3/9/2021	3/12/2021	3/12/2024	2(a) - Only Bordering Vegetated Wetlands resource area boundaries indicated on the plan are confirmed in this Determination. 2(b) - Bordering Land Subject to Flooding, Riverfront Area, Bank, Isolated Land Subject to Flooding, and Land Under Water resource areas are not confirmed by this Determination.
21-02	Pan Am Railways, Inc., Bill Wallace, Chief Engineer of Track & Structures	Various Locations along railroad ROW	Verification of the wetland boundaries as defined in the Massachusetts Wetlands Protection Act (MWPA) MGL Chapter 131 Section 40 and the Massachusetts Department of Agricultural Resources (MDAR) Pesticide Board Regulations 333 CMR 11.00. The sensitive areas have been delineated in the field by a color coded system approved by the MDAR. The system involves paintin/spray painting the railroad ties as described in the attached additional information and Figure 2. This determination is for the verification of the wetlands boundaries only and not for the actual application of herbicides. Prior to the application of herbicides, a Yearly Operational Plan (YOP) is submitted to each community and there is a 45 day review and comment period. Approval of the color coded tags is for the purpose of herbicide application only as per MWPA 310 CMR 10.03 (6)(b).	3/29/2021	4/27/2021	5/4/2021	5/4/2024	2(a) - nly resource area boundaries indicated on the submitted plan are confirmed in this Determination and shall only be used for the purpose of the submitted vegetation management plan.
21-03	John Shultis	Pickett Lane (Parcel R23-49)	Site clearing, grading, and construction of a single family home. The proposed grading, sewer connection, and a fence will intrude into the 100ft Wetland buffer zone. No work is being proposed within the 25ft No Disturbance Zone or any other jurisdictional wetland resource areas.	4/22/2021	5/25/2021	5/28/2021	5/28/2024	Negative 3 for work, Neg. 6 under GWPO
21-04	Big Y Foods, Inc. C/O Dwight Merriman	225-245 Mohawk Trail	Mill and repaving of the existing parking lot area. No additional impervious areas shall be created with this project. The limits of the existing parking lot will remain. Perimeter erosion control measures shall be implemented prior to the start of construction as indicated on the plans.	5/25/2021	6/8/2021	6/11/2021	6/11/2024	Neg. 2 for work, Neg. 6 under GWPO
21-05	Baystate Health Foundation	Kimball Drive (formerly Wedgewood Gardens)	The project proposes to use the former Wedgewood Gardens area as an event space for the 14 <sup>th</sup> annual Wheeling for Healing Ride, Walk, Run. No permanent alterations to the site are proposed.	6/14/2021	7/13/2021	7/15/2021	7/15/2024	Neg. 2 & 3 for work, Neg. 6 under GWPO

21-06	Alexander & Brittany Barisano	Log Plain Road (Parcel R08-6)	A new 4 bedroom dwelling and driveway access to Log Plain Road. Grading alterations to accommodate a walk out and potential basement in the rear of the house. A new septic system consisting of septic tank and three leaching trenches. The project also includes the removal of (4) four large pine trees within the 25 foot no disturb zone as they pose a threat to the new home. Trees will be cut and removed at a grade or left as snags. The number of snags to be determined in consultation with the Commission. Stumps to remain and no grading within the 25 ft NDZ is anticipated.	8/26/2021	9/14/2021		9/30/2021	9/30/2024	Negative 3 for work.
21-07	Kenneth Puringtom	82 Barton Road	Applicant is seeking a determination as to whether the depicted septic system repair within the lawn of an existing single family home is subject to the Wetlands Protection Act and the Greenfield Wetlands Protection Ordinance. There are no proposed impacts to any wetland resource areas and erosion control measures will be put in place.	10/19/2021	10/26/2021		11/2/2021	11/2/2024	Negative 3 for work, Neg. 6 under GWPO
21-08	Nancy Hazard	30 Spring Terrace	Removal of 8 invasive Norway maple trees at 30 Spring Terrace, Greenfield, MA, and 2 invasive Norway maple trees at 24 Spring Terrace, Greenfield, MA.	10/16/2021	11/9/2021		11/23/2021	11/23/2024	Negative 3 for work, Neg. 6 under GWPO
21-09	Nathan Santerre	193 Barton Road	Remove tree's (#11,12,13,18,20,21,22 and 23). Install sediment barriers and septic system as noted on included plans. Existing well in basement to be abandoned. A new water line will be run from the house and connect to the main located under the street. Water line will be trenched from the house and then bored under the stream. Path noted in plans. Also to remove 10" oak and 15" cherry shown on septic tank plans.	10/18/2021	11/9/2021		11/29/2021	11/29/2024	Negative 3 for work with special conditions.
22-01	City of Greenfield (DPW)	195 Mill Brook Road	The work aims to add a backup generator at the City's Wellfield to provide emergency power to Pump Station No. 1 and the corrosion control building, as backup power currently does not exist for the entire facility. During a power outage, the City desires to keep the corrosion control facility and Pump Station No. 1 operational. The generator will provide a reliable power source to provide potable water to customers during emergency situations. This RDA is being filed since portions of the proposed work will occur within Riverfront Area, and the 100-foot Buffer Zone to Bordering Vegetated Wetlands (BVW), as regulated under the MAWPA. Additionally, work is proposed within the locally regulated 25-foot No Disturb Zone.	12/6/2021	1/11/2022		1/11/2022	1/11/2025	Negative 2 and 3 for work with special conditions. Neg. 6 under GWPO.
22-02	66 Greenfield LLC	184 Shelburne Road	The Owner intends to build a four story addition to the north of the existing building and add parking to the west within 192 Shelburne Rd. Property.	2/8/2022	2/22/2022	3/8/2022	3/9/2022	3/9/2025	Negative 2 with special conditions
22-03	Nathan Santerre	193 Barton Road	The project aims to remove 2 additional pine trees (1 & 2) within 25 feet of the wetland as they may fall without the wind protection from the other trees. Trees are being cut for septic system repair.	1/8/2022					
22-04	Berkshire Gas Company	Across from 165 Montague City Road	Retire existing regulator pit and relief. The existing regulator pit will be collapsed and filled with clean fill and gravel. The relief stack will be cut below grade, the end will be foamed, buried, raked and seeded. Proposed 6" coated steel gas main to be installed from existing gas main into and out of new regulator station. Replacement regulator station to be on same off-road site, east of Montague City Rd, in same right of way as existing regulator. Both tie-ins to existing gas main will be in the sidewalk. The footprint of the new regulator station will overlap the existing regulator station area and extend south by approximately 20'.	3/8/2022	4/12/2022		4/13/2022	4/13/2025	Negative 2

22-05	Baystate Health Foundation	Kimball Drive (Wedgewood)	Plan to hold the 15th annual Wheeling for Healing Ride, Walk, Run to raise funds for cancer care and services. No permanent alterations will be made to the area. Intend to use a portion of the site as a parking area, and will erect small tents for our event area. Participants will complete their routes off site using this location only as a beginning/end point.	5/4/2022	6/14/2022	6/28/2022	7/1/2022	7/1/2025	Negative 2 with special conditions
