

Bear Resistant Trash Can Policy Agreement

I, the undersigned, understand and agree if I chose to use an alternate trash can which is not officially issued by the City of Gunnison:

1. Type of trash can must be approved by the City.
2. The City is not responsible for damage, including damage done by the automated trash truck or animals.
3. The City of Gunnison does not provide any warranty or replacement of the cans.
4. The trash can must be unlocked and placed in the approved location prior to 8:00 am on my designated trash day. An extra fee will be assessed if an additional trip to empty the can is required due to it being locked or inaccessible.
5. I agree to use the can in accordance with the applicable City regulations and realize it is bear-resistant but not guaranteed to be bear proof.
6. I understand refuse rates remain unchanged.
7. I have been shown how to use the can and unlock it properly for trash pick pickup.
8. The Public Works Director reserves the right to discontinue this agreement in the event misuse, violations or abuse occurs.
