
WHEREAS, the City of Gunnison wishes to regulate sexually oriented businesses to promote the health, safety, and general welfare of the citizens of the City; and

WHEREAS, it is the intent of the City of Gunnison to establish reasonable and uniform regulation to prevent the inappropriate location and off-site impacts of sexually oriented businesses within the City of Gunnison; and

WHEREAS, the City of Gunnison desires to locate sexually oriented businesses in an appropriate area, reducing or eliminating the adverse secondary effects of such businesses; and

WHEREAS, the City of Gunnison does not intend to impose a limitation or restriction or deny access by adults to sexually oriented materials protected by the First Amendment to the United States Constitution or the Colorado Constitution, or to deny access by distributors and exhibitors of sexually oriented entertainment to their intended market;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF GUNNISON, COLORADO, ORDAINS THAT:

Section 1. Findings of Fact. Based upon the evidence submitted at the public hearing held hereon, and the recommendations of the City of Gunnison Planning and Zoning Commission, the City Council of the City of Gunnison hereby finds as follows:

A. Regulation of sexually oriented businesses further substantiate governmental interests and is necessary because, in the absence of such regulation, significant criminal activity has historically and regularly occurred. This history of criminal activity has included prostitution, narcotics, and liquor law violations, violent crimes against persons, and property crimes.

B. Sexually oriented businesses are frequently used for unlawful and unhealthful sexual activities, including prostitution and sexual liaisons of a casual nature.

C. The concern over sexually transmitted diseases, including AIDS, is a legitimate health concern of the City.

D. Sexually oriented businesses have deleterious effect on both neighboring businesses and surrounding residential areas, causing an increase in crime and a decrease in property values.

E. It is recognized that sexually oriented businesses have serious objectionable characteristics, particularly when they are located in close proximity to each other, thereby contributing to urban blight and downgrading the quality of life in the adjacent area.

F. The City Council desires to minimize and control these adverse effects and thereby protect the health, safety, and welfare of the citizens; to preserve the quality of life; to preserve the property values and character of surrounding neighborhoods; to deter the spread of urban blight; and to protect the citizens from increased crime.
