To All Concerned

As the City of Gunnison's elected officials, we wish to create a positive environment for our residents and visitors. Bob Drexel, Mallory Logan, Jim Miles, Leia Morrison and myself appreciate our responsibility in conducting the city's business. We urge every one to share their questions, ideas and concerns with us informally or at our meetings. Each one of us will listen to you. A strong community requires your participation. You can reach us through the City Clerk at (970) 641-8140 or www.gunnisonco.gov. Working together we can build a great future for Gunnison.

At your service,

Jim Gelwicks
Mayor
