

Harding County Treasurer's Office

PO Box 1002

Mosquero, NM 87733

Attention Taxpayers-

July of every year the Harding County Treasurer must submit to the Property Tax Division, State of New Mexico, a list of all properties having more than 2 year delinquent.

If payment of taxes is not received in the County Treasurer's Office by June 30th, your property will automatically be placed on the delinquent list, which is the auction list.

Property Tax Division then **adds** a collection fee of **\$125.00** to the amount of your taxes shown on the attached notice, and this begins their auction process.

To avoid an additional fee of \$125.00 and to keep your property from being placed on the NMPTD auction list, please submit your payment to the Harding County Treasurer, 35 Pine Street, Mosquero NM 87733. Harding County will immediately notify Property Tax Division of your payment.

Thank you for your attention to this important matter.
