

Hartford sister city minutes  
July 19, 2022  
Town Hall and via Zoom

Present- Laura Cooney, Allison Litten, Anthem Philips, Ceci Wending, Brett Mayfield, Katie Hluchyj, Rocket, Skye Murray  
Meeting called to order 5:07

We began with a motion to approve the minutes from June, seconded.

We discussed Sister City logo contest, we are very pleased with the submission received from student Ayo, and had a few small suggestions (lighter blue, hot air balloon) and will give him the first place prize. We had a motion to give him \$100 cash, motion approved and seconded.

Decided to meet at Visitor Center next meeting (Aug. 16) and invite Ayo to be present to receive his prize money.

We tabled potential by-law change.

We discussed the next Toutes L'Atitudes Festival that will be in Cenon Nov. 2-6th, 2022. We received an official invitation sent to the town manager, Brett will work to get the letter into the next select board meetings documents for their next meeting.

We talked about needing to know by the Aug. meeting who will be interested in attending from our committee, we talked about the importance of a student delegate as well. We think 4-6 people from Hartford would be a welcome delegation, and we have budget money to help this trip happen for those who need the assistance for flights. Cenon has historically paid for lodging and many meals.

Katie spoke about needing approval from the school board for student travel.

Brett shared his leadership role with the Rotary club, and will reach out to Bordeaux rotary club for further connections there. We spoke about Sister City connections being in business, culture, arts and civic organizations.

Next meeting 8/16/22 at 5pm.

Meeting adjourned at 5:41.
