Hopkinton Library Curbside Pickup Process Changing:

In a few weeks, the library will be moving to a new way to book curbside pickups. The reservation system will be integrated into your online catalog account and will allow you to book an appointment directly from the "Manage Your Account" library card portal. You will need the account access information for the library card that the holds are placed on. Please contact the library before the end of April if you need your card number or PIN.

Hopkinton High School Traffic Patterns Changing:

With students returning to full-time, in-person learning, as of Monday, April 5th, Hopkinton High School parent drop-off will require that Parents/Guardians:

- (1) enter the Loop Road for drop-off, but DO NOT enter the HHS campus at all;
- (2) drop your child off at the parking lot entrance and keep going (there is no queueing permitted);
- (3) do not make a three-point-turn on the Loop Road, but rather travel the entire Loop Road;
- (4) exit the Loop Road back onto Hayden Rowe Street.

We know this means letting students out of vehicles prior to 7:15; however, parking (or queueing up) on Hayden Rowe Street is no longer permitted. Traffic must continue to flow on Hayden Rowe Street.
