Library Hours changing 12/31, and in January:

On Thursday December 31, the library will be open for quick browsing from 10am-12:30pm. Afternoon browsing hours will not be available on those days. The library will be closed on Friday January 1.

We are happy to announce that we will be expanding our hours in the new year. In order to provide more convenient access to the library, we will be adding some early evening curbside pickup hours on Tuesdays and Thursdays. Browsing hours on Wednesdays will shift to the morning and will be from 10-12:30 (the library will no longer be open for browsing on Wednesday afternoons).

We will begin these new hours on January 4. Depending on the COVID situation in Town and regionally, we also hope to be able to expand in-building browsing hours in early 2021; please watch for more information in January if case numbers decline. Be sure to check our website and social media for updates on these changes.
