Hopkinton Town Hall reopened to the public as of Monday August 10th. **Appointments are required** due to the state's COVID-19 limits on building occupancy: [click here for more information](#). All town departments are open for business and many transactions can be completed online. We are available via phone and email to assist during regular business hours. A full Town Directory can be [found here](#). A box at the front door of Town Hall may be used to drop off correspondence, applications, etc., and they may also be mailed or emailed.

As of 11/2/20, Hopkinton's Health Department is reporting 177 total confirmed COVID-19 cases; 14 of those cases are active, with 150 recoveries and 13 deaths. You can see historical tracking and updates on [Hopkinton's Community Impact Dashboard](#) which is updated frequently.

Governor Baker Announces Targeted Measures To Curb Rising COVID-19 Cases - NEW UPDATE

Today, the Baker-Polito Administration announced a series of targeted measures to disrupt the increasing trend of new COVID-19 cases and hospitalizations. Governor Charlie Baker announced these changes at a time where public health data has indicated that cases are rising, with cases up by 278% and hospitalizations up by 145% since Labor Day. These measures are meant to disrupt rising trends now, so the Commonwealth can keep the economy and schools open for residents and to prevent the need to roll back to Phase I or Phase II of the reopening plan. New Orders & Advisories (issued Mon 11/2/2020, go into effective Friday, November 6th at 12:01 AM)

1. **Stay At Home Advisory:** The Commonwealth issued a revised Stay At Home Advisory to ensure residents avoid unnecessary activities that can lead to increased COVID-19 transmission. The revised Stay At Home Advisory instructs residents to stay home between 10 PM and 5 AM. The Advisory allows for activities such as going to work, running critical errands to get groceries and address health needs, and taking a walk. Click [here](#) to read the revised Stay At Home Advisory
2. **Early Closure of Businesses and Activities:** Governor Baker issued a new executive order that requires the early closure of certain businesses and activities each night at 9:30 PM. The 9:30 PM closure requirement is aligned with the Stay At Home Advisory and together the two new initiatives are designed to further limit activities that could lead to COVID-19 transmission. [Click here to read the new executive order](#) (including full list of businesses required to close at 9:30 PM).
3. **Face Covering Order:** Governor Baker also signed an updated order related to face-coverings. The revised order requires all persons to wear face-coverings in all public places, even where they are able to maintain 6 feet of distance from others. The revised order still allows for an exception for residents who cannot wear a face-covering due to a medical or disabling condition, but it allows employers to require employees to provide proof of such a condition. It also allows schools to require that students participating in in-person learning provide proof of such a medical or disabling condition. [Click here to read the revised face-coverings order](#).
4. **Gatherings Order:** Governor Baker also signed an updated order restricting gatherings. The new gatherings order reduces the gathering size limit for gatherings at private residences: indoor gatherings at private residences are limited to 10 people and outdoor gatherings at private residences are limited to 25 people. The limit on gatherings held in public spaces and at event venues (e.g. wedding venues) remains the same. The new order also requires that all gatherings (regardless of size or location) must end and disperse by 9:30 PM. [Click here to read the revised gatherings order](#).

Small Business Grants Now Open:

Massachusetts is offering \$50.8 million in grants to small businesses experiencing income loss and hardship due to COVID-19. [Applications are being accepted now through November 12](#)

Town of Hopkinton Covid-19 Rent & Mortgage Relief Program:

The Town of Hopkinton is announcing a program to provide partial, temporary support for certain housing costs for qualified residents who have experienced income loss due to the COVID-19 public health emergency. Funding for the program comes from the Town's federal CARES Act emergency relief allocation. [Click here for more information and the application form](#).

COVID-19 Housing Assistance:

Hopkinton renters and homeowners facing eviction, foreclosure, loss of utilities, or other housing emergencies caused by loss of income, increase in expenses, or both due to the COVID-19 pandemic may call the Massachusetts 2-1-1 information hotline for information on state housing assistance programs. Operators for 2-1-1 are trained to answer questions and connect residents to the state agencies that administer COVID-19 housing assistance programs. Information is also available on the state's website: www.mass.gov/CovidHousingHelp.

More to the Story - Mental Health Initiative:

There could be more to the story... You don't have to be an expert to support a friend in a time of need. Knowing how to recognize signs that something is wrong and start a conversation can make a huge difference to our loved ones. We can all Ask, Listen, Encourage, and Check in. [Click here for more info](#). Sometimes it may seem like more immediate help is needed. **If a situation is potentially life threatening, call 9-1-1.** If a friend or family member is experiencing a mental health or substance use crisis, the Emergency Services Program is available to everyone 24/7.
