DO YOU INTEND TO DO INTERIOR WORK ONLY?: Yes _____ No _____

If you answered **yes**, you do not need to answer any of the questions below. Please sign below.
If you answered **no**, please answer the following questions and sign below.

If work includes exterior building activity and/or site work, please answer all of the following questions:

1. Will any activity take place within 100 feet of a pond, lake, intermittent stream, marsh or swamp, or 125 feet of a vernal pool, or 200 feet of a river or perennial stream? Yes _____ No _____
2. Does this property fill up with water after rainstorm and hold it for a while? Yes _____ No _____
3. Will any activity take place within 100 feet of a storm drain component (detention basin, drainage swale, catch basin, etc.)? Yes _____ No _____
4. Is the property within a floodplain designed under the National Flood Insurance Program? Yes _____ No _____
5. Is this property steeply sloped? Yes _____ No _____
 - a. If no, will activity alter at least 10,000 square feet of land? Yes _____ No _____
 - b. If yes, will activity alter at least 5,000 square feet of land? Yes _____ No _____

If you answered YES to any of the above questions (1 – 5b) you may need approval from the Hopkinton Conservation Commission BEFORE you begin work.

It is your responsibility to insure that the work is in compliance with the Wetland Protection Act and the Town of Hopkinton's Wetlands Protection Bylaw.
