2021-2023 Hopkinton Recycling Information

Dear Hopkinton Residents

Please note that the entire town now has the same recycling week shaded in the calendar.

Thank you for doing your part by recycling everything possible. Not only are you helping the Town reduce trash, you are also helping the environment. Recycling does a great part in helping sustain the environment, by cutting down the use of virgin materials. By reducing the use of virgin materials, we can preserve existing habitats, save trees and reduce the use of fossil fuels.

Enclosed is the new Trash & Recycling Schedule for August 2021 through **October 2023,** including lists of materials that can be picked up curbside, as well as materials that can be taken to the Town recycling drop-off center. Please help the Town and E.L. Harvey & Sons comply with the all DEP's policies and waste bans. Thank you again for doing your part to help your Town and the environment.

Thank you again for the opportunity to provide you with our service.

Sincerely The E.L. Harvey & Sons Team
