CARCUIT BREAKER

A TAX RELIEF PROGRAM FOR MASSACHUSETTS SENIOR CITIZENS

BROUGHT TO YOU BY

* * * Karen Spilka FEBRUARY 2019

DEAR FRIENDS,

It is my great pleasure to share information about the Circuit Breaker tax credit program designed for Massachusetts seniors, age 65 and older.

Living on a fixed income can be challenging, and this tax credit can help alleviate some of the burden of property taxes. In this brochure, you will find information to help you to determine your eligibility.

If you have any questions or need more information, please call my office any time at 617-722-1500

Warm Regards,

Jan C. Apille

WHAT IS THE CIRCUIT BREAKER?

The Circuit Breaker is a refundable tax credit for eligible seniors, age 65 or older, whose property tax payments exceed 10% of their annual income.

All who qualify must still pay property taxes to their local communities. However, they will receive a dollar credit for every dollar their property tax, and water and sewer bills, exceed 10% of their income, up to the \$1,100 maximum in tax year 2018.

Senior citizens who rent their homes can also take advantage of the same dollar-for-dollar credit, up to the same \$1,100 maximum in tax year 2018, if 25% of their annual rent exceeds 10% of their annual income.

HOW MUCH IS THE CREDIT?

The credit is capped at \$1,100 for the 2018 tax year.

IS THERE A SPECIAL FORM OR APPLICATION?

If qualified, you can claim the credit by submitting a completed Schedule CB, Circuit Breaker Credit, with your 2018 state income tax return.

Eligible seniors must file a return and claim a refund even if they do not owe taxes.

WHO IS ELIGIBLE?

- Must be a Massachusetts resident, age 65 or older before December 31, 2018 (for joint filers, it is sufficient if one taxpayer is 65 years of age or older).
- Must own or rent residential property in Massachusetts and occupy the property as your primary residence.
- Must have an annual income of \$58,000 or less for a single filer; \$73,000 or less for a head of household; and \$88,000 or less for joint filers.

WHO IS NOT ELIGIBLE?

- Married persons who do not file jointly for this credit.
- Those who are a dependent of another tax filer.
- Those who receive federal or state rent subsidy directly, or those who live in a property-tax exempt facility.
- Those whose property is assessed at a value of \$778,000 or more.
- Renters who receive a subsidy.

Senior Circuit Breaker Tax Credit

Certain seniors who own or rent residential property as their principal residence are eligible for a refundable tax credit. Find out if you qualify.

What to know

As a senior citizen, you may be eligible to claim a refundable credit on your personal state income tax return. The Circuit Breaker Tax Credit is based on the actual real estate taxes paid on the Massachusetts residential property you own or rent and occupy as your principal residence.

The maximum credit amount for tax year 2018 is \$1,100. If the credit you're owed exceeds the amount of the total income tax payable for the year, you'll be refunded the additional amount of the credit without interest.

Who is eligible

- You must be a Massachusetts resident or part-year resident
- You must be 65 or older by December 31, 2018
- You must file a Massachusetts personal income tax return
- You must own or rent residential property in Massachusetts and occupy it as your primary residence
- For tax year 2018, your total Massachusetts income doesn't exceed:
- \$58,000 for a single individual who is not the head of a household
- \$73,000 for a head of household
- \$88,000 for married couples, filing a joint return
- If you are a homeowner, your Massachusetts property tax payments, together with half of your water and sewer expense, must exceed 10% of your total Massachusetts income for the tax year
- If you are a renter, 25% of your annual Massachusetts rent must exceed 10% of your total Massachusetts income for the year.

Who is not eligible

- You are a nonresident
- You are married and your status is married filing separately
- You are a dependent of another taxpayer
- You receive a federal and/or state rent subsidy or you rent from a tax-exempt entity
- For tax year 2018, the assessed value of principal residence exceeds \$778,000

How to apply

If you are eligible for the Circuit Breaker Credit, complete Schedule CB with your Massachusetts state income tax return.

If you qualify for the tax credit in a prior tax year but didn't file Schedule CB with your original state income tax return, you should file an amended return with your Schedule CB. Be sure to fill in the "Amended Return" oval on the return. The Schedule CB must be completed within 3 years from the last day for filing the return, without regard to any extension of time to file.

Don't make these common mistakes

If you live in a multi-family home

Be sure to claim only the portion of real estate taxes and water and sewer charges that apply to your portion of the property, rather than the entire bill.

If your property is more than one acre in size

You may claim the value of the land immediately surrounding your home, but the total cannot exceed one acre. Prorate the value of the land to include not more than one acre in your calculation.

If your principal residence is held in trust

If your principal residence is owned by a grantor trust, and either you or your spouse is a trustee, then you would qualify as a homeowner. If your principal residence is owned by a grantor trust, and you or your spouse are not Trustees, then renter rules are applied when determining the allowable credit. Renter rules also apply if the principal residence is owned by an irrevocable trust, regardless of whether you or your spouse is a trustee.

Town of Hopkinton

OVERVIEW OF FISCAL YEAR 2019 STATUTORY EXEMPTIONS & DEFERRALS FOR DISABLED VETERANS, SENIORS, SURVIVING SPOUSES AND MINORS

The Assessor's Office receives many inquiries regarding property tax exemptions from taxpayers on limited income who are coping with rising household expenses and property taxes. Fortunately, there are programs to help you meet your tax obligations. These programs, which provide either property tax exemptions or a deferral of taxes, are set forth in different clauses of Chapter 59, Section 5 of the General Laws of Massachusetts.

The Town of Hopkinton has voted to accept the provisions of Chapter 59, Section 5C1/2 of the Massachusetts General Laws to provide an additional real estate tax exemption of 75% for all statutory exemption categories. Thus, if an exemption is granted, the taxpayer will receive the base exemption amount in the first year of acceptance; in subsequent years, they will receive the base amount **PLUS** an additional amount up to 75% of the base amount, provided the additional exemption does not reduce the tax for the current year below that of the prior year.

The Assessors have briefly outlined the following regulations pertaining to these exemptions:

Clause 17D – Seniors, Surviving Spouses and Minors (\$265.92 Tax Exemption)
Senior must be 70 years of age by July 1. Surviving Spouse, of any age, must have been widowed by July 1. A minor is a child who has a deceased parent. Assets (see explanation below) must not exceed \$60,782.38 as of July 1. Income is not considered.

Clause 22 – Veterans (Various Exemptions)

This provides exemptions to certain veterans who were not dishonorably discharged, their spouses or surviving spouses. Certification of a service-connected disability from the Veterans Administration or the branch of service from which separated is required.

22a	10% Disability	Exemption	\$400
22c	Purple Heart	Exemption	\$400
22d	Surviving Spouse	Exemption	\$400
22A	Loss of Limb or eye	Exemption	\$750
22E	100% Disability	Exemption	\$1,000

Clause 22D – Surviving Spouses

This exemption is available to surviving spouses (who do not remarry) of soldiers, sailors and guardsmen who died due to injury or disease from being in a combat zone, or are missing and presumed dead due to combat. The exemption is the entire assessed Real Estate taxes.

Clause 37A – Blind (\$500 Tax Exemption)

If the applicant meets the requirements, he/she can defer all or apportion of the taxes for the year. The interest on the amount deferred is five percent (5%) simple interest. The Town of Hopkinton imposes a lien on the property when the deferral is approved.

Clause 41C – Elderly Exemption (\$1,000 Tax Exemption) Must be 65 years of age by July 1.

For a Single Person: Income less than \$24,628 per year – Assets not to exceed \$40,000 For a Married Person: Income less than \$36,942 per year – Assets not to exceed \$55,000

TAXPAYER INFORMATION ABOUT PERSONAL EXEMPTIONS

PERSONAL EXEMPTIONS. You may be eligible to reduce all or a portion of the taxes assessed on your domicile if you meet the qualifications for one of the personal exemptions allowed under Massachusetts law. Qualifications vary, but generally relate to age, ownership, residency, disability, income or assets.

You may be eligible for an exemption if you fall into any of these categories:

- Legally blind person
- Veteran with a service-connected disability
- Surviving spouse of servicemember, national guard member or veteran who died from active duty injury or illness
- Minor child of deceased parent
- Surviving Spouse
- Senior citizen age 70 and older (65 and older by local option)

More detailed information about the qualifications for each exemption may be obtained from your board of assessors.

WHO MAY FILE AN APPLICATION. You may file an application if you meet all qualifications for a personal exemption as of July 1. You may also apply if you are the personal representative of the estate, or trustee under the will, of a person who qualified for a personal exemption on July 1.

WHEN AND WHERE APPLICATION MUST BE FILED. Your application must be filed with the assessors on or before April 1, or 3 months after the actual bills were mailed for the fiscal year, whichever is later. An application is filed when (1) received by the assessors on or before the filing deadline, or (2) mailed by United States mail, first class postage prepaid, to the proper address of the assessors, on or before the filing deadline, as shown by a postmark made by the United States Postal Service. THIS DEADLINE CANNOT BE EXTENDED OR WAIVED BY THE ASSESSORS FOR ANY REASON. IF YOUR APPLICATION IS NOT TIMELY FILED, YOU LOSE ALL RIGHTS TO AN EXEMPTION AND THE ASSESSORS CANNOT BY LAW GRANT YOU ONE.

PAYMENT OF TAX. Filing an application does not stay the collection of your taxes. In some cases, you must pay all preliminary and actual installments of the tax when due to appeal the assessors' disposition of your application. Failure to pay the tax when due may also subject you to interest charges and collection action. To avoid any loss of rights or additional charges, you should pay the tax as assessed. If an exemption is granted and you have already paid the entire year's tax as exempted, you will receive a refund of any overpayment.

ASSESSORS DISPOSITION. Upon applying for an exemption, you may be required to provide the assessors with further information and supporting documentation to establish your eligibility. The assessors have 3 months from the date your application is filed to act on it unless you agree in writing before that period expires to extend it for a specific time. If the assessors do not act on your application within the original or extended period, it is deemed denied. You will be notified in writing whether an exemption has been granted or denied.

APPEAL. You may appeal the disposition of your application to the Appellate Tax Board, or if applicable, the County Commissioners. The appeal must be filed within 3 months of the date the assessors acted on your application, or the date your application was deemed denied, whichever is applicable. The disposition notice will provide you with further information about the appeal procedure and deadline.

TAXPAYER'S GUIDE TO LOCAL PROPERTY TAX EXEMPTIONS

SENIORS

Clauses 41, 41B, 41C, 41C1/2

The Department of Revenue (DOR) has created this fact sheet to provide general information about local property tax exemptions for seniors. It is not designed to address all questions or issues and does not change any provision of the Massachusetts General Laws. To find out about the specific eligibility and application requirements in your city or town, you must contact your local board of assessors. The DOR cannot determine your eligibility or give you legal advice. Property taxes are assessed and collected by cities and towns, not by the DOR. Under state law, only your board of assessors, as the local tax administrator, can decide whether you qualify for an exemption. If you disagree with its decision, you may appeal to the state Appellate Tax Board (or county commissioners if your county's government has not been abolished).

INTRODUCTION

Cities and towns may give property tax exemptions to some individuals as defined by state law. An exemption discharges a taxpayer from the legal obligation to pay all or a part of the tax assessed for the fiscal year. Exemptions are found in various clauses of Massachusetts General Laws Chapter 59, Section 5 (M.G.L. c. 59, § 5).

Clauses 41, 41B, 41C or 41C½ provide exemptions to seniors who meet specific ownership, residency, income and asset requirements. Seniors 70 or older may, alternatively, qualify for exemption under Clauses 17, 17C, 17C½ or 17D, which provide a reduced benefit, but have less strict eligibility requirements. Clause 41 is the basic exemption for seniors. Over the years, as income and asset values rose, the Legislature enacted alternative exemptions (Clauses 41B, 41C and 41C½), and options within those exemptions, that cities and towns may adopt.

Clause 41 applies unless the legislative body of your city or town has voted, subject to local charter, to accept another clause. The most recently accepted clause establishes eligibility rules in your city or town.

EXEMPTION AMOUNT	Clauses 41, 41B, 41C Clause 41C½	\$500 5% of the average assessed valuation of residential property in your city or town.
	The Clause 41C exemp of the legislative body o	tion may be increased up to \$1,000, by vote f your city or town.
=	average assessed valua	nption may be increased up to 20% of the ation of residential property in your city or slative body of your city or town.

APPLICATIONS	You must file an application for each fiscal year with the assessors in the city or town where your property is located. The application is due on April 1, or three months after the actual tax bills are mailed, whichever is later. <i>Filing on time is required. By law, the assessors may not waive this filing deadline, nor act on a late application, for any reason.</i> Filing an application does not entitle you to delay your tax payment.
DOCUMENTATION	You must provide the assessors with whatever information is reasonably required to establish your eligibility. This information may include, but is not limited to: 1. Birth certificates. 2. Evidence of ownership, domicile and occupancy. 3. Income tax returns, bank and other asset account statements.
NUMBER OF EXEMPTIONS	With limited exceptions, you may only receive one exemption under M.G.L. c. 59, § 5 for each fiscal year. If you qualify for more than one, you will receive the one that provides the greatest benefit. You may receive an exemption and if qualified, defer all or a part of the balance of the reduced tax.
ELIGIBILITY REQUIREMENTS	You must satisfy tests relating to age, domicile, ownership, occupancy, annual income and assets. You must meet all eligibility requirements as of July 1 of the tax year. (The fiscal year of cities and towns begins July 1 and ends the following June 30.) If you do not meet all requirements as of July 1, you cannot receive all or any portion of the exemption for that tax year.
	If you own the property with someone who is not your spouse, for example, your children, siblings or other relatives, then each of the other co-owners must also satisfy the annual income and asset tests.
AGE	You must be 70 or older. For Clauses 41C and 41C½, the eligible age may be reduced to 65 or older, by vote of the legislative body of your city or town.

OWNERSHIP AND DOMICILE

You must own and occupy the property as your domicile. Your domicile is where your principal and legal home is located, your family, social, civic and economic life is centered and you plan to return whenever you are away. You may have more than one residence, but only one domicile.

For Clauses 41B, 41C and 41C½, you must also have had a domicile in Massachusetts for 10 consecutive years before the tax year begins, and have owned and occupied the property, or any other property in Massachusetts, for any 5 years. The 10 year continuous domicile requirement for Clause 41C½ may be reduced to 5 years, by vote of the legislative body of your city or town.

- 1. Under Clauses 41, 41B and 41C, your ownership interest must be worth at least \$4,000. You may own this interest solely, as a joint owner or as a tenant in common. If you own the property with someone who is not your spouse, your exemption will be equal to the same percentage of the exemption as your ownership interest in the property, for example, 50% if you are a joint owner with one other person.
- 2. If you hold a life estate in the domicile, you are the owner.
- 3. If your domicile is held in a trust, you are the owner only if:
 - a. You are a trustee or co-trustee of that trust, and
 - b. You have a sufficient beneficial interest in the domicile.

INCOME LIMITS

Your income (gross receipts) for the previous calendar year cannot exceed a specified limit. Each clause has a different limit.

Gross receipts means income from <u>all</u> sources and is broader than taxable income for federal or state income tax purposes. Ordinary business expenses and losses are deducted but not personal or family expenses. If you received income from social security or certain public pensions systems in the prior calendar year, the assessors will deduct a "minimum social security" allowance, which is set by the DOR each year.

If you are single, your allowable gross receipts can range from \$6,000 (Clause 41) to the limit for the "circuit breaker" state income tax credit for single non-head of household filers (Clause 41C½). If you are married, the limit is based on the combined gross receipts of you and your spouse and ranges from \$7,000 (Clause 41) to the limit for the "circuit breaker" state income tax credit for single non-head of household filers (Clause 41C½).

For Clauses 41, 41B and 41C, the gross receipts limit may increase annually by the percentage increase in the Consumer Price Index (CPI) determined by the DOR each year. For Clause 41C½, the gross receipts limit may be applied to the combined income of you and your spouse or other household members. These adjustments apply only if the legislative body of your city or town has voted, subject to local charter, to accept the local option.

ASSET LIMITS	Your assets (whole estate) on July 1 cannot exceed a specified limit. Each clause has a different limit.
	Whole estate means <u>all</u> assets to which you have legal title and access as sole, joint owner or trustee that contribute to your total worth. The value of the applicant's cemetery plots, registered motor vehicles, wearing apparel and household furniture and effects located in the domicile is not included in the calculation of the applicant's whole estate. In addition, the value of the domicile is generally not included, but depending on the clause, portions generating income or over a certain number of units may be included.
	If you are single, your allowable whole estate can range from \$17,000 (Clause 41) to \$40,000 (Clause 41C). If you are married, the limit is based on the combined whole estates of you and your spouse and ranges from \$20,000 (Clause 41) to \$55,000 (Clause 41C). There is no asset limit under Clause 41C½.
	For Clauses 41, 41B and 41C, the whole estate limit may increase annually by the percentage increase in the CPI determined by the DOR each year. This increase applies only if the legislative body of your city or town has voted, subject to local charter, to accept this local option.
EXEMPTION CREDIT	If the assessors decide you are eligible and grant an exemption, the amount granted is credited toward and reduces the tax outstanding on your domicile for the fiscal year. You will not receive a refund unless you have already paid the entire year's tax, as reduced by the exemption, at the time the exemption is granted.
SALE OF DOMICILE	If you are selling your domicile, you should make your attorney aware that you receive a property tax exemption that reduces the tax owed for the fiscal year. The sale is a private financial transaction and as a party, you are responsible for seeing that the exemption is properly credited at the closing, through escrow or other arrangements, when the parties make adjustments for local property taxes or charges. Your city or town is not responsible for seeing that you and the buyer allocate the property taxes so you get the benefit of the exemption.

APPEALS			
Appellate Tax Board	The Appellate Tax Board (ATB) is an independent, quasi-judicial state board that hears taxpayer appeals from local assessors' decisions on property tax abatements and exemptions. If county government has not been abolished, appeals may be made to the county commissioners instead, but assessors may and usually do transfer those appeals to the ATB. ATB decisions may be appealed to the Appeals Court and, ultimately, to the Supreme Judicial Court.		
	You can obtain the ATB's <u>quide</u> to the property tax appeal process from its website (<u>www.mass.gov/atb</u>) or by calling 617-727-3100.		
Appeal of Action of Assessors	You have three months from the date of the assessors' decision on your exemption application to appeal to the ATB. This includes decisions to deny any exemption or to grant an exemption that provides a lesser benefit. If the application was deemed denied, your appeal must be filed within three months of the deemed denied date. As a general rule, if the real estate tax on your domicile is over \$5,000, you must also have paid all preliminary and actual tax installments on time for the ATB to hear your appeal.		
	The assessors may grant the exemption or higher exemption in final settlement of your application during the three month period for filing an appeal. In that case, you do not have to have filed an appeal with the ATB. However, if a settlement is not reached and an exemption not granted during that period, you must have filed your appeal by the deadline. If not, the ATB cannot hear the appeal.

TAXPAYER'S GUIDE TO LOCAL PROPERTY TAX EXEMPTIONS

LEGALLY BLIND PERSONS

Clauses 37, 37A

The Department of Revenue (DOR) has created this fact sheet to provide general information about local property tax exemptions for the legally blind. It is not designed to address all questions or issues and does not change any provision of the Massachusetts General Laws. To find out about the specific eligibility and application requirements in your city or town, you must contact your local board of assessors. The DOR cannot determine your eligibility or give you legal advice. Property taxes are assessed and collected by cities and towns, not by the DOR. Under state law, only your board of assessors, as the local tax administrator, can decide whether you qualify for an exemption. If you disagree with its decision, you may appeal to the state Appellate Tax Board (or county commissioners if your county's government has not been abolished).

INTRODUCTION

An exemption discharges the taxpayer from the legal obligation to pay all or a part of the tax assessed for the fiscal year. Exemptions are found in various clauses of Massachusetts General Laws Chapter 59, Section 5 (M.G.L. c. 59, § 5).

Clauses 37 and 37A provide exemptions for legally blind persons who meet specific occupancy and ownership requirements. Clause 37 applies unless the legislative body of your city or town has voted, subject to local charter, to accept Clause 37A.

The eligibility requirements are the same for both clauses, but Clause 37A provides a higher exemption benefit.

If you qualify for more than one, you will receive the one that provides the greatest benefit. You may receive an exemption and if qualified, defer all or a part of the balance of the reduced tax.
ELIGIBILITY REQUIREMENTS	You must satisfy tests relating to domicile, ownership and legal blindness. You must meet all eligibility requirements as of July 1 of the tax year. (The fiscal year of cities and towns begins July 1 and ends the following June 30.) If you do not meet all requirements as July 1, you cannot receive all or any portion of the exemption for that tax year.
DOMICILE	You must occupy the property as your domicile. Your domicile is where your principal and legal home is located, your family, social, civic and economic life is centered and you plan to return whenever you are away. You may have more than one residence, but only one domicile.

This includes decisions to deny any exemption or to grant an exemption that provides a lesser benefit. If the application was deemed denied, your appeal must be filed within three months of the deemed denied date. As a general rule, if the real estate tax on your domicile is over \$5,000, you must also have paid all preliminary and actual tax installments on time for the ATB to hear your appeal.		
1	The assessors may grant the exemption or higher exemption in final settlement of your application during the three month period for filing an appeal. In that case, you do not have to have filed an appeal with the ATB. However, if a settlement is not reached and an exemption not granted during that period, you must have filed your appeal by the deadline. If not, the ATB cannot hear the appeal.

- Senior citizen age 70 and older (65 and older by local option)

More detailed information about the qualifications for each exemption may be obtained from your board of assessors.

WHO MAY FILE AN APPLICATION. You may file an application if you meet all qualifications for a personal exemption as of July 1. You may also apply if you are the personal representative of the estate, or trustee under the will, of a person who qualified for a personal exemption on July 1.

WHEN AND WHERE APPLICATION MUST BE FILED. Your application must be filed with the assessors on or before April 1, or 3 months after the actual bills were mailed for the fiscal year, whichever is later. An application is filed when (1) received by the assessors on or before the filing deadline, or (2) mailed by United States mail, first class postage prepaid, to the proper address of the assessors, on or before the filing deadline, as shown by a postmark made by the United States Postal Service. THIS DEADLINE CANNOT BE EXTENDED OR WAIVED BY THE ASSESSORS FOR ANY REASON. IF YOUR APPLICATION IS NOT TIMELY FILED, YOU LOSE ALL RIGHTS TO AN EXEMPTION AND THE ASSESSORS CANNOT BY LAW GRANT YOU ONE.

PAYMENT OF TAX. Filing an application does not stay the collection of your taxes. In some cases, you must pay all preliminary and actual installments of the tax when due to appeal the assessors' disposition of your application. Failure to pay the tax when due may also subject you to interest charges and collection action. To avoid any loss of rights or additional charges, you should pay the tax as assessed. If an exemption is granted and you have already paid the entire year's tax as exempted, you will receive a refund of any overpayment.

ASSESSORS DISPOSITION. Upon applying for an exemption, you may be required to provide the assessors with further information and supporting documentation to establish your eligibility. The assessors have 3 months from the date your application is filed to act on it unless you agree in writing before that period expires to extend it for a specific time. If the assessors do not act on your application within the original or extended period, it is deemed denied. You will be notified in writing whether an exemption has been granted or denied.

APPEAL. You may appeal the disposition of your application to the Appellate Tax Board, or if applicable, the County Commissioners. The appeal must be filed within 3 months of the date the assessors acted on your application, or the date your application was deemed denied, whichever is applicable. The disposition notice will provide you with further information about the appeal procedure and deadline.

TAXPAYER'S GUIDE TO LOCAL PROPERTY TAX EXEMPTIONS

VETERANSClauses 22, 22A, 22B, 22C, 22D, 22E, 22F

The Department of Revenue (DOR) has created this fact sheet to provide general information about local property tax exemptions for veterans. It is not designed to address all questions or issues and does not change any provision of the Massachusetts General Laws. To find out about the specific eligibility and application requirements in your city or town, you must contact your local board of assessors. The DOR cannot determine your eligibility or give you legal advice. Property taxes are assessed and collected by cities and towns, not by the DOR. Under state law, only your board of assessors, as the local tax administrator, can decide whether you qualify for an exemption. If you disagree with its decision, you may appeal to the state Appellate Tax Board (or county commissioners if your county's government has not been abolished).

INTRODUCTION

Cities and towns may give property tax exemptions to some individuals as defined by state law. An exemption discharges the taxpayer from the legal obligation to pay all or a portion of the tax assessed for the fiscal year. Exemptions are found in various clauses of Massachusetts General Laws Chapter 59, Section 5 (M.G.L. c. 59, § 5).

Clauses 22, 22A, 22B, 22C, 22D, 22E and 22F provide exemptions to some veterans, their spouses who own the domicile and their surviving spouses, and some surviving parents and spouses of active duty military personnel who died during or due to military service.

APPLICATIONS	You must file an application for each fiscal year with the assessors in the city or town where your property is located. The application is due on April 1, or three months after the actual tax bills are mailed, whichever is later. Filing on time is required. By law, the assessors may not waive this filing deadline, nor act on a late application, for any reason. Filing an application does not entitle you to delay your tax payment.	
DOCUMENTATION	You must provide the assessors with whatever information is reasonably required to establish eligibility. This information may include, but is not limited to:	
	 Evidence of residency, ownership, domicile and occupancy. Certification of a service-connected disability or death from the U.S. Department of Veterans Affairs (VA) or branch of U.S. military service from which discharged or in which served. 	

With limited exceptions, you may only receive one exemption under M.G.L. c. 59, § 5 for each fiscal year. If you qualify for more than one, you will receive the one that provides the greatest benefit. You may receive an exemption and if qualified, defer all or a part of the balance of the reduced tax.	
Veterans are individuals who served on active duty in the Armed Forces of the United States for certain time periods during peace or wartime eras and were discharged from military service. Their last discharge or release must have been under other than dishonorable conditions.	
You must satisfy tests relating to residency, domicile, ownership and service-connected disability or awards. You must meet all eligibility requirements as of July 1 of the tax year. (The fiscal year of cities and towns begins July 1 and ends the following June 30.) If you do not meet all requirements as of July 1, you cannot receive all or any portion of the exemption for that tax year.	
Veterans must have (1) been domiciled in Massachusetts for at least 6 consecutive months before entering military service, or (2) lived in Massachusetts for at least 5 consecutive years before the tax year begins (or at least 1 consecutive year before the tax year begins, if the legislative body of your city or town has voted, subject to local charter, to accept this local option).	
You must occupy the property as your domicile. If you are a spouse of a veteran, you and the veteran must occupy the property as your domicile. Your domicile is where your principal and legal home is located, your family, social, civic and economic life is centered and you plan to return whenever you are away. You may have more than one residence, but only one domicile.	
 You must own the property. Your ownership interest must be worth at least an amount ranging from \$2,000 to \$10,000, depending on the exemption. You may own this interest solely, as a joint owner or as a tenant in common. If you hold a life estate in the domicile, you are the owner. If your domicile is held in a trust, you are the owner only if: You are a trustee or co-trustee of that trust, and You have a sufficient beneficial interest in the domicile. 	

	Y.		
EXEMPTION CREDIT	If the assessors decide you are eligible and grant an exemption, the amount granted is credited toward and reduces the tax assessed on your domicile for that fiscal year. You will only receive a refund if the entire tax for the year has already been paid at the time the exemption is granted.		
SALE OF DOMICILE	If you are selling your domicile, you should make your attorney aware that you receive a property tax exemption that reduces the tax owed for the fiscal year. The sale is a private financial transaction and as a party, you are responsible for seeing that the exemption is properly credited at the closing, through escrow or other arrangements, when the parties make adjustments for local property taxes or charges. Your city or town is not responsible for seeing that you and the buyer allocate the property taxes so you get the benefit of the exemption.		
WHO	S ELIGIBLE AND EXEMPTION AMOUNTS		
Clause 22 - \$400	 Veterans with a service-connected disability of 10% or more. Veterans awarded the Purple Heart. Veterans who (1) suffered in the line of duty the loss or permanent loss of use of one foot or one hand or one eye, or (2) received the Congressional Medal of Honor, Distinguished Service Cross, Navy Cross or Air Force Cross. 		
	Spouses (where veteran's spouse owns the domicile) or surviving spouses of veterans entitled to exemption under Clause 22A.		
Clause 22B - \$1,250 \	 Veterans who suffered in the line of duty the loss or permanent loss of use of both feet, both hands or both eyes. Spouses (where veteran's spouse owns the domicile) or surviving spouses of veterans entitled to exemption under Clause 22B. 		
Clause 22C - \$1,500	 Veterans who suffered total disability in the line of duty and received assistance in acquiring "specially adapted housing" which they own and occupy as their domicile. If not, the deceased military or guard member or veteran had to have been domiciled in Massachusetts for at least 6 consecutive months before entering the service.

Clause 22A, 22B, 22C, 22E and 22F exemptions are prorated for a domicile greater than a single-family house. The exemption is the same percentage of the tax as the part of the house occupied by the veteran, or if deceased, the surviving spouse, for example, 50% if one unit of a two-family house is occupied by the veteran or surviving spouse.

APPEALS		
Appellate Tax Board	The Appellate Tax Board (ATB) is an independent, quasi-judicial state board that hears taxpayer appeals from local assessors' decisions on property tax abatements and exemptions. If county government has not been abolished, appeals may be made to the county commissioners instead, but assessors may and usually do transfer those appeals to the ATB. ATB decisions may be appealed to the Appeals Court and, ultimately, to the Supreme Judicial Court. You can obtain the ATB's guide to the property tax appeal process from its website (www.mass.gov/atb) or by calling 617-727-3100.	

Appeal of Action of Assessors	You have three months from the date of the assessors' decision on your exemption application to appeal to the ATB. This includes decisions to deny any exemption or to grant an exemption that provides a lesser benefit. If the application was deemed denied, your appeal must be filed within three months of the deemed denied date. As a general rule, if the real estate tax on your domicile is over \$5,000, you must also have paid all preliminary and actual tax installments on time for the ATB to hear your appeal.
	The assessors may grant the exemption or higher exemption in final settlement of your application during the three month period for filing an appeal. In that case, you do not have to have filed an appeal with the ATB. However, if a settlement is not reached and an exemption not granted during that period, you must have filed your appeal by the deadline. If not, the ATB cannot hear the appeal.

TAXPAYER'S GUIDE TO LOCAL PROPERTY TAX EXEMPTIONS

SENIORS SURVIVING SPOUSES MINOR CHILDREN (OF DECEASED PARENT) Clauses 17, 17C, 17C½, 17D

The Department of Revenue (DOR) has created this fact sheet to provide general information about local property tax exemptions for seniors, surviving spouses and minor children of a deceased parent. It is not designed to address all questions or issues and does not change any provision of the Massachusetts General Laws. To find out about the specific eligibility and application requirements in your city or town, you must contact your local board of assessors. The DOR cannot determine your eligibility or give you legal advice. Property taxes are assessed and collected by cities and towns, not by the DOR. Under state law, only your board of assessors, as the local tax administrator, can decide whether you qualify for an exemption. If you disagree with its decision, you may appeal to the state Appellate Tax Board (or county commissioners if your county's government has not been abolished).

INTRODUCTION

Cities and towns may give property tax exemptions to some individuals as defined by state law. An exemption discharges the taxpayer from the legal obligation to pay all or a portion of the tax assessed for the fiscal year. Exemptions are found in various clauses of Massachusetts General Laws Chapter 59, Section 5 (M.G.L. c. 59, § 5).

Clauses 17, 17C, 17C½ or 17D provide partial exemptions to (1) seniors, (2) surviving spouses, and (3) minor children with a deceased parent, who meet specific ownership, occupancy and asset requirements. Seniors 70 or older may, alternatively, qualify for an exemption under Clauses 41, 41B, 41C or 41C½, which provide a higher benefit, but have stricter eligibility requirements. Clause 17 is the basic exemption for the three categories of taxpayers. Over the years, as asset values rose, the Legislature enacted alternative exemptions (Clauses 17C, 17C½ and 17D), and options within those exemptions, that cities and towns may adopt.

Clause 17 applies unless the legislative body of your city or town has voted, subject to local charter, to accept another clause. The most recently accepted clause establishes the eligibility rules in your city or town.

EXEMPTION AMOUNT	\$175 The amount may be increased annually up to the percentage increase in the Consumer Price Index (CPI), as determined by the DOR each year. This increase applies only if the legislative body of your city or town has voted, subject to local charter, to accept this local option.
194	town has voted, subject to local charter, to accept this local option.

APPLICATIONS	You must file an application for each fiscal year with the assessors in the city or town where your property is located. The application is due on April 1, or three months after the actual tax bills are mailed, whichever is later. Filing on time is required. By law, the assessors may not waive this filing deadline, nor act on a late application, for any reason. Filing an application does not entitle you to delay your tax payment.
DOCUMENTATION	You must provide the assessors with whatever information is reasonably required to establish eligibility. This information may include, but is not limited to: 1. Birth certificates. 2. Evidence of ownership, domicile and occupancy. 3. Bank and other asset account statements.
NUMBER OF EXEMPTIONS	With limited exceptions, you may only receive one exemption under M.G.L. c. 59, § 5 for each fiscal year. If you qualify for more than one, you will receive the one that provides the greatest benefit. You may receive an exemption and if qualified, defer all or a part of the balance of the reduced tax.
ELIGIBILITY REQUIREMENTS	You must satisfy tests relating to age or status, domicile, ownership and assets. You must meet all eligibility requirements as of July 1 of the tax year. (The fiscal year of cities and towns begins July 1 and ends the following June 30.) If you do not meet all requirements as of July 1, you cannot receive all or any portion of the exemption for that tax year.
AGE AND STATUS	You must be 70 or older to be a senior.
	You must be younger than 18 to be a minor child.
	You must have been married to the decedent at the time of his or her death, and have never remarried, to be a surviving spouse.
OWNERSHIP AND DOMICILE	You must own and occupy the property as your domicile. Your domicile is where your principal and legal home is located, your family, social, civic and economic life is centered and you plan to return whenever you are away. You may have more than one residence, but only one domicile. If you are a senior, you must also have owned and occupied the property for any 10 years (Clauses 17, 17C or 17C½) or any 5 years (Clause 17D).
a'	 Your ownership interest must be worth at least \$2,000. You may own this interest solely, as a joint owner or as a tenant in common. If you hold a life estate in the domicile, you are the owner. If your domicile is held in a trust, you are the owner only if: You are a trustee or co-trustee of that trust, and You have a sufficient beneficial interest in the domicile.

r	
ASSET LIMITS	Your assets (whole estate) on July 1 cannot exceed a specified limit. Each clause has a different limit.
	Whole estate means <u>all</u> assets to which you have legal title and access as sole, joint owner or trustee that contribute to your total worth. The value of your cemetery plots, wearing apparel and household furniture and effects located in your domicile is not included in the calculation of your whole estate.
	In addition, depending on the clause, some of the value of your domicile and the unpaid mortgage balance is not included, but the part of your domicile over a certain number of units may be included.
,	Your allowable whole estate can range from \$20,000 (Clause 17) to \$40,000 (Clauses 17C, 17C½ and 17D). It may increase annually by the percentage increase in the CPI determined by the DOR each year. This increase applies only if the legislative body of your city or town has voted, subject to local charter, to accept this local option.
EXEMPTION CREDIT	If the assessors decide you are eligible and grant an exemption, the amount granted is credited toward and reduces the tax outstanding on your domicile for the fiscal year. You will not receive a refund unless you have already paid the entire year's tax, as reduced by the exemption, at the time the exemption is granted and applied.
SALE OF DOMICILE	If you are selling your domicile, you should make your attorney aware that you receive a property tax exemption that reduces the tax owed for the fiscal year. The sale is a private financial transaction and as a party, you are responsible for seeing that the exemption is properly credited at the closing, through escrow or other arrangements, when the parties make adjustments for local property taxes or charges. Your city or town is not responsible for seeing that you and the buyer allocate the property taxes so you get the benefit of the exemption.

APPEALS					
Appeliate Tax Board	The Appellate Tax Board (ATB) is an independent, quasi-judicial state board that hears taxpayer appeals from local assessors' decisions on property tax abatements and exemptions. If county government has not been abolished, appeals may be made to the county commissioners instead, but assessors may and usually do transfer those appeals to the ATB. ATB decisions may be appealed to the Appeals Court and, ultimately, to the Supreme Judicial Court.				
9 8	You can obtain the ATB's guide to the property tax appeal process from its website (www.mass.gov/atb) or by calling 617-727-3100.				

Appeal of Action of Assessors	You have three months from the date of the assessors' decision on your exemption application to appeal to the ATB. This includes decisions to deny any exemption or to grant an exemption that provides a lesser benefit. If the application was deemed denied, your appeal must be filed within three months of the deemed denied date. As a general rule, if the real estate tax on your domicile is over \$5,000, you must also have paid all preliminary and actual tax installments on time for the ATB to hear your appeal.
	The assessors may grant the exemption or higher exemption in final settlement of your application during the three month period for filing an appeal. In that case, you do not have to have filed an appeal with the ATB. However, if a settlement is not reached and an exemption not granted during that period, you must have filed your appeal by the deadline. If not, the ATB cannot hear the appeal.

TAXPAYER INFORMATION ABOUT PERSONAL EXEMPTIONS

PERSONAL EXEMPTIONS. You may be eligible to reduce all or a portion of the taxes assessed on your domicile if you meet the qualifications for one of the personal exemptions allowed under Massachusetts law. Qualifications vary, but generally relate to age, ownership, residency, disability, income or assets.

You may be eligible for an exemption if you fall into any of these categories:

- Legally blind person
- Veteran with a service-connected disability
- Surviving spouse of a servicemember, national guard member or veteran who died from active duty injury or illness
- Surviving spouse
- Minor child of a deceased parent
- Senior citizen age 70 and older (65 and older by local option)

More detailed information about the qualifications for each exemption may be obtained from your board of assessors.

WHO MAY FILE AN APPLICATION. You may file an application if you meet all qualifications for a personal exemption as of July 1. You may also apply if you are the personal representative of the estate, or trustee under the will, of a person who qualified for a personal exemption on July 1.

WHEN AND WHERE APPLICATION MUST BE FILED. Your application must be filed with the assessors on or before April 1, or 3 months after the actual bills were mailed for the fiscal year, whichever is later. An application is filed when (1) received by the assessors on or before the filing deadline, or (2) mailed by United States mail, first class postage prepaid, to the proper address of the assessors, on or before the filing deadline, as shown by a postmark made by the United States Postal Service. THIS DEADLINE CANNOT BE EXTENDED OR WAIVED BY THE ASSESSORS FOR ANY REASON. IF YOUR APPLICATION IS NOT TIMELY FILED, YOU LOSE ALL RIGHTS TO AN EXEMPTION AND THE ASSESSORS CANNOT BY LAW GRANT YOU ONE.

PAYMENT OF TAX. Filing an application does not stay the collection of your taxes. In some cases, you must pay all preliminary and actual installments of the tax when due to appeal the assessors' disposition of your application. Failure to pay the tax when due may also subject you to interest charges and collection action. To avoid any loss of rights or additional charges, you should pay the tax as assessed. If an exemption is granted and you have already paid the entire year's tax as exempted, you will receive a refund of any overpayment.

ASSESSORS DISPOSITION. Upon applying for an exemption, you may be required to provide the assessors with further information and supporting documentation to establish your eligibility. The assessors have 3 months from the date your application is filed to act on it unless you agree in writing before that period expires to extend it for a specific time. If the assessors do not act on your application within the original or extended period, it is deemed denied. You will be notified in writing whether an exemption has been granted or denied.

APPEAL. You may appeal the disposition of your application to the Appellate Tax Board, or if applicable, the County Commissioners. The appeal must be filed within 3 months of the date the assessors acted on your application, or the date your application was deemed denied, whichever is applicable. The disposition notice will provide you with further information about the appeal procedure and deadline.

CPA EXEMPTION

Town of Hopkinton

Exemptions to Community Preservation Act (SPA) Surcharge

As part of the vote to accept the provisions of the Community Preservation Act (CPA), Hopkinton adopted the following exemptions to the surcharge:

- Property owned and occupied as a domicile by a person who would qualify for low income housing or low or moderate income senior housing in the Town of Hopkinton, based on income limits shown on the chart below. Residents must apply for this exemption annually.
- 2. The first \$100,000 of taxable value of real estate is exempted from the surcharge.

The low and moderate income limits are derived from the United States Department of Housing and Urban Development (HUD) areawide median income figures. Persons and families whose annual income is less than 80% of the areawide median income qualify as low income. Persons age 60 or older whose annual income is less than 100% of the areawide median income qualify as moderate-income seniors. These figures are updated annually.

Exemption Eligibility Requirements

The Low/Moderate Income Exemption applies only to residential property. The applicant must own and occupy the property as of January 1, 2018. The applicant may be: (1) sole owner, (2) co-owner, (3) life tenant or (4) trustee with sufficient beneficial interest in property under terms of trust. All co-owners do not have to occupy the property; however, each co-owner must meet the Annual Household Income standard. For property subject to a trust, each co-trustee must also meet income standard. (See chart below for the formula used by household type.) Applicant must provide proof of age. Applicant must provide proof of Annual Household Gross Income from all sources from all household members who are 18 or older and not full time students in calendar year preceding January 1, 2018. Applicant must provide proof of number of dependents.

TAXPAYER'S GUIDE TO LOCAL PROPERTY TAX DEFERRALS

SENIORS Clause 41A

The Department of Revenue (DOR) has created this fact sheet to provide general information about local property tax deferrals for seniors. It is not designed to address all questions or issues and does not change any provision of the Massachusetts General Laws. To find out about the specific eligibility and application requirements in your city or town, you must contact your local board of assessors. The DOR cannot determine your eligibility or give you legal advice. Property taxes are assessed and collected by cities and towns, not by the DOR. Under state law, only your board of assessors, as the local tax administrator, can decide whether you qualify for a deferral. If you disagree with its decision, you may appeal to the state Appellate Tax Board (or county commissioners if your county's government has not been abolished).

INTRODUCTION

Cities and towns may give property tax exemptions to some individuals as defined by state law. An exemption discharges the taxpayer from the legal obligation to pay all or a part of the tax assessed for the fiscal year. Exemptions are found in various clauses of Massachusetts General Laws Chapter 59, Section 5 ($\underline{M.G.L.~c.~59, \S 5}$).

Under Clause 41A, seniors may also be able to **delay payment** of their property taxes. A property tax deferral does not discharge the tax obligation like an exemption. Instead, it defers payment until the senior sells the property or passes away. A deferral allows seniors to use resources that would go to pay taxes to defray living expenses instead. Taxpayers who qualify for personal exemptions under other clauses in M.G.L. c. 59, § 5 (for example, for seniors, disabled veterans, blind persons or surviving spouses) may defer all or part of the balance of their reduced taxes.

If you qualify, you must enter into a written tax deferral and recovery agreement with the local assessors. The assessors will record a statement at the Registry of Deeds to continue the lien that exists on your property by law to secure payment of the deferred taxes. Joint owners, remaindermen and mortgagees must give prior written approval.

APPLICATIONS	You must file an application for each fiscal year with the assessors in the city or town where your property is located. The application is due on April 1, or three months after the actual tax bills are mailed, whichever is later. Filing on time is required. By law, the assessors may not waive this filing deadline, nor act on a late application, for any reason. Filing an application does not entitle you to delay your tax payment.
--------------	---

DOCUMENTATION	You must provide the assessors with whatever information is reasonably required to establish eligibility. This information may include, but is not limited to: 1. Birth certificates. 2. Evidence of ownership, domicile and occupancy. 3. Income tax returns.
ELIGIBILITY REQUIREMENTS	You must satisfy tests relating to age, domicile, ownership, occupancy and annual income. You must meet all eligibility requirements as of July 1 of the tax year. (The fiscal year of cities and towns begins July 1 and ends the following June 30.) If you do not meet all requirements as of July 1, you cannot defer all or any portion of your taxes for that tax year.
AGE	You must be 65 or older.
DOMICILE	You must have had a domicile in Massachusetts for at least 10 consecutive years before the tax year begins. You must also be domiciled in the property. Your domicile is where your principal and legal home is located, your family, social, civic and economic life is centered and you plan to return whenever you are away. You may have more than one residence, but only one domicile.
OWNERSHIP AND OCCUPANCY	 You must have owned and occupied the property, or other real property in Massachusetts, as a domicile for at least 5 years. The years do not have to be consecutive or at the same location. 1. You may own the property solely, as a joint owner or as a tenant in common. 2. If you hold a life estate in the domicile, you are the owner. 3. If your domicile is held in a trust, you are the owner only if: a. You are a trustee or co-trustee of that trust, and b. You have a sufficient beneficial interest in the domicile.
INCOME LIMITS	Your income (gross receipts) for the previous calendar year cannot exceed \$20,000. If you are married, the combined gross receipts of you and your spouse cannot exceed \$20,000. The gross receipts limit may be increased up to the income limit allowed for the "circuit breaker" state income tax credit for single non-head of household filers, by vote of the legislative body of your city or town. Gross receipts means income from all sources and is broader than taxable income for federal or state income tax
,	purposes. Ordinary business expenses and losses are deducted but not personal or family expenses.

Y	
DEFERRAL AMOUNT	You may defer payment of all or a part of the taxes owed each year so long as (1) you continue to qualify, <u>and</u> (2) the cumulative deferred taxes and accrued interest are not more than 50% of your proportional ownership share of the fair cash value of the property. For example, if you are a joint owner with one other person, the total amount deferred cannot be more than 25% of the property's value.
	If you own the property with someone who is not your spouse, the amount you may defer annually is also limited to your proportional ownership share of the year's tax.
	Interest on deferred taxes accrues at 8%, or a lower rate voted by the legislative body of your city or town before July 1 of the tax year.
SURVIVING SPOUSE	Your surviving spouse who qualifies may continue to defer taxes but must enter into a new deferral and recovery agreement. Surviving spouses who inherit a property must have occupied it, or other real property in Massachusetts, as a domicile for at least 5 years. Any additional taxes plus interest deferred by your surviving spouse, plus the amounts previously deferred and unpaid, cannot be more than 50% of the spouse's proportional ownership share of the fair cash value of the property.
PAYMENT	The payment of deferred taxes and accrued interest is due when the property is sold or you pass away, unless your surviving spouse continues to defer. As of that date, the interest rate goes up to 16%. If 6 months later, the deferred amount has not been paid, the treasurer may petition the Land Court to foreclose the lien on the property.

APPEALS		
Appellate Tax Board	The Appellate Tax Board (ATB) is an independent, quasi-judicial state board that hears taxpayer appeals from local assessors' decisions on property tax abatements and exemptions. If county government has not been abolished, appeals may be made to the county commissioners instead, but assessors may and usually do transfer those appeals to the ATB. ATB decisions may be appealed to the Appeals Court and, ultimately, to the Supreme Judicial Court.	
	You can obtain the ATB's <u>quide</u> to the property tax appeal process from its website (<u>www.mass.gov/atb</u>) or by calling 617-727-3100.	

Appeal of Action of Assessors	You have three months from the date of the assessors' decision on your deferral application to appeal to the ATB. This includes decisions to deny a deferral or to grant a deferral of a lesser benefit. If the application was deemed denied, your appeal must be filed within three months of the deemed denied date. As a general rule, if the real estate tax on your domicile is over \$5,000, you must also have paid all preliminary and actual tax installments on time for the ATB to hear your appeal.
ý.	The assessors may grant the deferral or higher deferral in final settlement of your application during the three month period for filing an appeal. In that case, you do not have to have filed an appeal with the ATB. However, if a settlement is not reached and a deferral not granted during that period, you must have filed your appeal by the deadline. If not, the ATB cannot hear the appeal.

TAXPAYER INFORMATION ABOUT PROPERTY TAX DEFERRAL

SENIOR DEFERRAL. You may be eligible to defer payment of all or a portion of the taxes assessed on property you own and occupy as your domicile if you meet certain age, ownership, residency and income qualifications, and enter into a tax deferral agreement with the board of assessors. If you also qualify for a personal exemption, you may defer all or a portion of the remaining taxes on the property.

WHO MAY FILE AN APPLICATION. You may file an application if as of July 1 you:

- Are 65 or older,
- Owned and occupied the property as your domicile,
- Owned and occupied any property in Massachusetts as your domicile for at least 5 years,
- Lived in Massachusetts for at least the prior 10 years, and
- Have an annual income not more than \$20,000 or a locally adopted income limit. Locally adopted income
 limits cannot be more than the income limit that applies under the "circuit breaker" state tax credit for single
 seniors who are not heads of households. Your board of assessors can tell you the limit that applies in your
 community.

REPAYMENT. Unlike an exemption, a tax deferral simply allows you to postpone payment of your taxes. If you qualify, you must enter into a tax deferral agreement that requires the deferred taxes along with interest to be paid in full (1) when the property is sold or transferred, (2) upon your death, or (3) upon the death of your surviving spouse if he or she qualifies for a deferral and enters into a new tax deferral agreement. Anyone having any legal interest in the property must also approve the tax deferral agreements.

Once you have entered into a tax deferral agreement, the assessors will record a statement at the Registry of Deeds. That statement continues the lien that already exists on your property by law to ensure the payment and collection of your taxes. Once the deferred taxes are repaid, the lien is released. However, if the deferred taxes are not repaid when due, your city or town will then be able to recover the amount by foreclosing on the lien in Land Court.

INTEREST. If you qualify for a deferral in subsequent years, you may defer taxes until the amount due, including accrued interest, equals 50% of your share of the full and fair cash value of the property. Interest at an annual rate of 8%, or a locally adopted lower rate, is charged on deferred taxes until the property is sold, your death, or the death of your surviving spouse if a new agreement has been entered into. Your board of assessors can tell you the rate that applies to the taxes deferred for each fiscal year. After the property is sold or your death, the annual interest rate increases to 16% until the deferred taxes are repaid.

WHEN AND WHERE APPLICATION MUST BE FILED. Your application must be filed with the assessors on or before April 1, or 3 months after the actual bills were mailed for the fiscal year, whichever is later. An application is filed when (1) received by the assessors on or before the filing deadline, or (2) mailed by United States mail, first class postage prepaid, to the proper address of the assessors, on or before the filing deadline, as shown by a postmark made by the United States Postal Service. THIS DEADLINE CANNOT BE EXTENDED OR WAIVED BY THE ASSESSORS FOR ANY REASON. IF YOUR APPLICATION IS NOT TIMELY FILED, YOU LOSE ALL RIGHTS TO AN EXEMPTION AND THE ASSESSORS CANNOT BY LAW GRANT YOU ONE.

PAYMENT OF TAX. Filing an application does not stay the collection of your taxes. In some cases, you must pay all preliminary and actual installments of the tax when due to appeal the assessors' disposition of your application. Failure to pay the tax when due may also subject you to interest charges and collection action. To avoid any loss of rights or additional charges, you should pay the tax as assessed. If a deferral is granted and you have already paid the entire year's tax as deferred, you will receive a refund of any overpayment.

ASSESSORS DISPOSITION. Upon applying for a deferral, you may be required to provide the assessors with further information and supporting documentation to establish your eligibility. The assessors have 3 months from the date your application is filed to act on it unless you agree in writing before that period expires to extend it for a specific time. If the assessors do not act on your application within the original or extended period, it is deemed denied. You will be notified in writing whether a deferral has been granted or denied.

APPEAL. You may appeal the disposition of your application to the Appellate Tax Board, or if applicable, the County Commissioners. The appeal must be filed within 3 months of the date the assessors acted on your application, or the date your application was deemed denied, whichever is applicable. The disposition notice will provide you with further information about the appeal procedure and deadline.

TAXPAYER INFORMATION ABOUT FINANCIAL HARDSHIP PROPERTY TAX DEFERRAL

FINANCIAL HARDSHIP DEFERRAL. You may be able to defer all or a portion of the taxes assessed on your domicile if you do not have the financial resources to pay them because of a change to active military service (not including initial enlistment), unemployment, illness or other type of temporary hardship. Qualifications are established locally by the board of assessors. More detailed information may be obtained from your assessors.

WHO MAY FILE AN APPLICATION. You may file an application if you owned and occupied the property as of July 1, lived in Massachusetts for at least the previous 10 years and meet all qualifications for a financial hardship deferral.

REPAYMENT. Unlike an exemption, a tax deferral simply allows you to postpone payment of your taxes. If you qualify, you must enter into a tax deferral agreement that may cover a maximum period of three consecutive fiscal years. At the end of the deferral, the deferred taxes must be paid, along with interest. You may pay the deferred taxes in five annual installments, with each installment equal to one-fifth the total deferred taxes, plus interest on the unpaid balance. The first installment is due two years after the last year of the deferral.

Once you have entered into a tax deferral agreement, the assessors will record a statement at the Registry of Deeds. That statement continues the lien that already exists on your property by law to ensure the payment and collection of your taxes. Once the deferred taxes are repaid, the lien is released. However, if the deferred taxes are not paid, your city or town will be able to recover the amount by foreclosing on the lien in Land Court.

INTEREST. You may also apply for a hardship deferral in either or both of the next two years. If you qualify, you may defer taxes so long as the amount due, including accrued interest, does not exceed 50% of your share of the full and fair cash value of the property. Interest at an annual rate of 8% per annum is charged on deferred taxes until the property is sold, your death, or the death of your surviving spouse if a new agreement has been entered into. The interest rate then increases to 16% per annum until the deferred taxes are paid.

WHEN AND WHERE APPLICATION MUST BE FILED. Your application must be filed with the assessors on or before April 1, or 3 months after the actual bills were mailed for the fiscal year, whichever is later. THIS DEADLINE CANNOT BE EXTENDED OR WAIVED BY THE ASSESSORS FOR ANY REASON. IF YOUR APPLICATION IS NOT TIMELY FILED, YOU LOSE ALL RIGHTS TO A DEFERRAL AND THE ASSESSORS CANNOT BY LAW GRANT YOU ONE. AN APPLICATION IS FILED WHEN RECEIVED BY THE ASSESSORS.

PAYMENT OF TAX. Filing an application does not stay the collection of your taxes. Failure to pay the tax when due may also subject you to interest charges and collection action. To avoid any additional charges, you should pay the tax as assessed if possible. If a deferral is granted and you have already paid the entire year's tax as deferred, you will receive a refund of any overpayment. If you are unable to make your payments, inform the assessors when you file your application.

ASSESSORS DISPOSITION. Upon applying for a financial hardship deferral, you may be required to provide the assessors with further information and supporting documentation to establish your eligibility. The assessors have 3 months from the date your application is filed to act on it unless you agree in writing before that period expires to extend it for a specific time. If the assessors do not act on your application within the original or extended period, it is deemed denied. You will be notified in writing whether a deferral has been granted or denied.

APPEAL. In order to obtain a review of the assessors' decision on your application for a financial hardship deferral, you must bring a civil action in the Superior Court or Supreme Judicial Court. This action must be brought within 60 days of the decision.

Real Estate Tax Abatement Procedure Fiscal Year 2019

A real estate tax abatement is a reduction in the tax assessed on a property for the fiscal year. To dispute the valuation or to correct any other billing error that caused the tax bill to be higher than it should be, you must apply for an abatement.

You must file an application for abatement in writing on the proper form, with the Board of Assessors.

You may apply for an abatement for any of the following reasons:

- Your property is overvalued, making the assessed value more than the fair cash value as of the assessment date of January 1, 2018, for any reason including clerical and data processing errors, or assessment of property that is non-existent or not taxable to you
- Your property is disproportionately assessed in comparison with other similar properties
- Your property is classified incorrectly as residential, open space, commercial or industrial real estate
- Your property is partially or fully exempt

Your application must be received by the Board of Assessors on or before February 1, 2019. This deadline cannot be extended or waived by the Board of Assessors for any reason. If your application is not timely filed, you lose all rights to an abatement and the Assessors cannot grant you one by law.

To be timely filed, your application must be received by the Board of Assessors on or before the filing deadline of February 1, 2019; or mailed by United States Mail, First Class Postage Prepaid, to the proper address of the Board of Assessors, on or before the filing deadline, as shown by a postmark made by the United States Postal Service no later than February 1, 2019.

<u>Important Notes</u>:

The Fiscal Year 2019 tax bill is for the full fiscal year beginning July 1, 2018 and ending June 30, 2019, and reflects the value of the property as of January 1, 2018.

If you are requesting an abatement based on overvaluation, your application should include three or more sales from calendar year 2017 of properties you would consider most similar to your property to support your opinion of value. What constitutes a similar property sale? A property with as many of the following elements as possible:

A sale during the prescribed timeframe of calendar year 2017

A sale that has no unusual conditions, such as special financing or inclusion of personal property

A property located in a similar neighborhood and has similar physical characteristics to your property, such as similar lot size, design, age, condition, number of bedrooms and baths, similar house size and amenities.

For commercial or industrial property, you should provide market sales information as well as income and expense information for calendar year 2017.

After initial review of your application, the Assessor will contact you to schedule a complete inspection of the property which will include interior and exterior review, exterior photographs and measurements. Necessary data corrections will be made, sales of similar properties will be reviewed, and a recommendation will be made to the Board of Assessors.

The Board of Assessors is comprised of three elected residents of Hopkinton, and has the statutory authority to grant or deny all abatements. They are very deliberate and thorough in their review, because they would need to be able to defend their opinion of value, as you would, before the Appellate Tax Board.

You have the statutory right to appeal any abatement decision of the Board of Assessors for a period of three months from the date of their decision. Your appeal would be filed with the Appellate Tax Board, 100 Cambridge Street, Suite 200, Boston, MA 02114. Telephone: (617) 727-3100 Fax: (617) 727-6234 Website: www.mass.gov/atb

To dispute your valuation or assessment or to correct any other billing problem or error that caused your tax bill to be higher than it should be, you must apply for an abatement. You may apply for an abatement if your property is: 1) overvalued (assessed value is more than fair cash value on January 1 for any reason, including clerical and data processing errors or assessment of property that is non-existent or not taxable to you), 2) disproportionately assessed in comparison with other properties, 3) classified incorrectly as residential, open space, commercial or industrial real property, or 4) partially or fully exempt. WHO MAY FILE AN APPLICATION. You may file an application if you are: the assessed or subsequent (acquiring title after January 1) owner of the property, the personal representative of the assessed owner's estate or personal representative or trustee under the assessed owner's will, a tenant paying rent who is obligated to pay more than one-half of the tax, a person owning or having an interest or possession of the property, or a mortgagee if the assessed owner has not applied. In some cases, you must pay all or a portion of the tax before you can file. WHEN AND WHERE APPLICATION MUST BE FILED. Your application must be filed with the assessors on or before the date the first installment payment of the actual tax bill mailed for the fiscal year is due, unless you are a mortgagee. If so, your application must be filed during the last 10 days of the abatement application period. Actual tax bills are those issued after the tax rate is set. Applications filed for omitted, revised or reassessed taxes must be filed within 3 months of the date the bill for those taxes was mailed. PAYMENT OF TAX. Filing an application does not stay the collection of your taxes. In some cases, you must pay all preliminary and actual installments of the tax when due to appeal the assessors' disposition of your application. Failure to pay the tax assessed when due may also subject you to interest charges and collection action. To avoid any loss of rights or additional charges, you should pay the tax as assessed. If an abatement is granted and you have already paid the entire year's tax as abated, you will receive a refund of any overpayment. ASSESSORS DISPOSITION. Upon applying for an abatement, you may be asked to provide the assessors with written information about the property and permit them to inspect it. Failure to provide the information or permit an inspection within 30 days of the request may result in the loss of your appeal rights. The assessors have 3 months from the date your application is filed to act on it unless you agree in writing before that period expires to extend it for a specific time. If the assessors do not act on your application within the original or extended period, it is deemed denied. You will be notified in writing whether an abatement has been granted or denied. APPEAL. You may appeal the disposition of your application to the Appellate Tax Board, or if applicable, the County Commissioners. The appeal must be filed within 3 months of the date the assessors acted on your application, or the date your application was deemed denied, whichever is applicable. Motor Vehicle Excise Tax Abatement Procedure

Calculation of Tax

Motor vehicle excise tax based on the calendar year. It is an assessment in lieu of a personal property tax. The excise tax is calculated by multiplying the value of the vehicle, as determined by the Registry of Motor Vehicles, by the tax rate of \$25.00 per \$1,000 of value. The Registry of Motor Vehicles calculates the value of all registered vehicles as a percentage of the Manufacturer's Suggested Retail Price (MSRP) when the vehicle is new, according to Massachusetts General Laws Chapter 60A, Section 1.

Excise tax bills are generated from a file received from the Registry of Motor Vehicles. Bills are sent to all owners of vehicles listing Hopkinton as its place of garaging, and the mailing addresses are derived from the address on the registration.

Only one town in Massachusetts will issue an excise bill each calendar year for each vehicle registered in the Commonwealth. Excise bills are issued several times a year, beginning in February. All vehicles with a Hopkinton garaging code on January 1st will receive a bill for that year. Vehicles registered after January 1st will generate an excise tax bill later in the year, depending on the Registry of Motor Vehicles' timetable.

If a resident feels an excise bill is incorrect, due to valuation, ownership or registration status, they should not ignore the bill. Interest and fees accrue on all overdue bills. Please contact the Assessors' Office to discuss whether you qualify for an abatement of all or a portion of the tax.

INFORMATION ABOUT YOUR MOTOR VEHICLE EXCISE

MOTOR VEHICLE EXCISE: You must pay an excise tax for any calendar year you own and register a motor vehicle in Massachusetts. The excise is assessed as of January 1, or the first day of the month the vehicle is registered if registered after January 1. Bills are issued by the city or town where you reside or have your principal place of business based on Registry of Motor Vehicle registration records as of that assessment date. The excise valuation is a percentage of the manufacturer's recommended list price of the vehicle when new (not the sales price or current market value). The percentages are: 50% for the calendar year before the model year, 90% for the model year, 60% for the second year, 40% for the third year, 25% for the fourth year, and 10% for the fifth and following years. Excises for vehicles registered after January 1 are pro-rated by the number of months in the calendar year the vehicle is registered.

ABATEMENTS. You may be entitled to an abatement (or a refund if the excise has been paid) if the vehicle is valued at more than the percentage of manufacturer's list price that applies for the calendar year. Abatements may also be granted if you do any of the following during the same calendar year: (1) transfer ownership of the vehicle, (2) move out of Massachusetts, (3) re-register the vehicle, or (4) report the theft of the vehicle. Abatements for those reasons may also require you to cancel or transfer the registration, report the plate lost or stolen, or take other action in that year. You are **not** entitled to an abatement if you (1) cancel your registration and retain ownership of the vehicle, or (2) move to another Massachusetts city or town, during the same calendar year. Abatements are pro-rated by the number of months in the calendar year after the month the last eligibility requirement takes place. No excise may be reduced to less than \$5.00. No abatement or refund of less than \$5.00 may be made.

DEADLINE. Your abatement application must be **received** by the board of assessors within three years after the excise was due, or or one year after the excise was paid, whichever is later. **To preserve your right to an abatement and to appeal, you must file on time**. By law, assessors may only act on late applications in limited circumstances where the excise is still unpaid and their decision in those cases is final.

PAYMENT. Filing an application does not stay the collection of your excise. F ailure to pay the excise when due may subject you to interest, charges and collection action, including non-renewal of your registration and driver's license. To avoid any collection charges or action, you must pay the excise in full within 30 days of the bill's issue date. You will receive a refund if an abatement is granted.

DISPOSITION. The assessors have 3 months from the application filing date to act unless you agree in writing to their request to extend the action period for a specific time. If the assessors do not act on your application within the original or extended period, it is deemed denied. You will be notified in writing if an abatement has been granted or denied.

CONTACT THE ASSESSORS' OFFICE IF YOU HAVE ANY QUESTIONS ABOUT YOUR EXCISE BILL OR ABATEMENT RIGHTS

SENIOR WORK-OFF ABATEMENT PROGRAM

VOLUNTEER FOR A TAX CREDIT

Program Summary

Residents over the age of 60 may benefit from the Senior Tax Workoff Program, designed to help lessen the burden of local real estate tax payments. The Town of Hopkinton has established a program giving property owners aged 60 or older the opportunity to provide volunteer services to the Town in exchange for a reduction in property tax up to \$1,500. In the last three years, the total granted abatements have averaged over \$50,000 a year.

Guidelines and Administration

This program is administered by the Town, not the Commonwealth. Participants may volunteer in various capacities from painting fire hydrants to stacking books in the library to answering phones and filing at Town Hall. Records of hours worked are kept and credited at the Massachusetts minimum wage, currently \$12.00 per hour, up to \$1,500. The credit is applied to the owner's tax bill. This program is in addition to other tax abatements and property tax exemptions for which senior taxpayers may be eligible under other statutes. Tax balances may also be deferred, if eligible. Credit may only be earned up to the total tax amount owed each year, after any other abatements and/or exemptions are applied. No refund will be issued for hours worked in excess of the total credit allowed. Seniors must own and occupy the residence for which property taxes are paid and for which credit is being sought.

ADMINISTRATION

<u>Program Administration</u> - The program will be administered by the following Town offices: Human Resources, Senior Center, Finance, and Assessors.

Tax Credit Year - The program will run from October through September, and tax credits will be applied to the third and fourth quarter bills of each fiscal year, after the senior has completed a full year of work in the program. Work must be completed no later than September 30th of each year to allow the Assessors' Office enough time to process tax credits. The amount of the credit will not be paid directly to the participant; it will be shown as an abatement on the real estate tax bills issued for the third and fourth quarters. Participants will be supplied with a statement of credit prior to receiving their tax bill. A 1099 will be issued to the participant by the Finance Department at the end of the calendar year. Carryover of hours to the next year will not be permitted, as credit is only applied for the year in which it is earned.

<u>Maximum Hours</u> - The maximum number of hours a participant can work in the tax program each year is 125, for a total possible credit of \$1,500 in any given year.

APPLICATION PROCESS

Eligibility - To be eligible for the program, the senior must meet the following requirements:

- Over 60 years of age at the time of application
- A resident of the Town of Hopkinton
- Owner or spouse of owner of residence in Hopkinton
- Occupy the property for which the credit is sought
- The senior is required to commit to completing the maximum number of hours allowed in the program. Partial credit will be granted based on the total number of hours worked for the year.

Credit earned cannot exceed the net amount of taxes due after all abatements and exemptions are credited. Any excess time worked will be considered volunteer time given to the Town. The total hours may be earned by participating in one or more assignments. Hours can be shared by spouses residing in the same household, with the total hours not to exceed 125 for the household.

PLEASE NOTE: Municipal Employees and/or Board/Committee Members Disclosure - Municipal employees may not work in the Senior Tax Credit Program unless they are designated "Special Municipal Employees" working 800 or less hours per year, and may not work in the Town department in which they are employed. In addition, a 20C Disclosure Form must be filed with the Town Clerk's office if the employee is accepted into the program. Also, the "Special Municipal Employee" must complete the online Conflict of Interest training and will be given a summary of the same every year. Volunteers or Board/Committee members may also be required to complete a 20C Disclosure Form and may also be required to complete the Conflict of Interest training.

<u>Applications</u> - The application process will open to new applicants in March and August each year for seniors to apply to the program. Any interested seniors should complete an application during these time periods. If more people apply than there are positions to fill, applicants may be placed on a waiting list. The application process may be opened at other times during the year if there are open positions and no qualified participants on the waiting list.

Applications submitted by persons other than the senior who is seeking participation in the program will not be accepted. Seniors must submit their own applications for consideration.

<u>Participants</u> - Seniors interested in participating in the program must complete an application packet which can be obtained from the Human Resources Department or the Senior Center. Completion of the application packet does not guarantee acceptance into the program. If accepted, the Senior Center and/or Human Resources Department will match the senior with the best position available based on their knowledge, experience, and abilities.

All participants in the program must meet all eligibility requirements and must submit to an interview with the department head, a CORI and reference checks prior to being assigned to an open slot.

Applicants must be able to perform the physical and mental tasks that are associated with the position.

When all available slots are filled, eligible applicants will be placed on a waiting list which will be utilized in the event a senior worker drops out of the program or a new position is added.

<u>Departments with Open Slots</u> - Town departments seeking to employ individuals through the Senior Tax Credit Work Program will submit a description of the position and the duties associated with it to the Human Resources Department. The Town will first seek to fill the position by contacting individuals already accepted in the program who are on the waiting list prior to posting the position. If there are not qualified participants on the waiting list, then new applicants will be considered.

Assignment - Once an applicant has been chosen to fill an open slot, the Senior Center or Human Resources Department will notify the senior of their selection, and will work with the department manager to establish a start date and number of hours to be assigned. The department manager is responsible for the development of an orientation and/or training plan for the participant, which must be submitted to the Human Resources Department prior to notification to the selected candidate.

Work must not commence prior to notification of selection to candidates. The only exception will be managers seeking to fill temporary daily assignments such as outlined in the section entitled "Other Assignments" below. In those instances, department managers must notify the Human Resources Department of such assignments.

Other Assignments - From time to time, Town departments may need to fill temporary daily assignments, such as assistance with department telephones, filing and copying for an hour or up to three days. In such instances, department managers or their designees will be responsible for contacting candidates on the waiting list to fill these daily assignments. They will also be responsible for providing a time sheet to the candidate and ensuring that it accurately reflects the time worked for that day.

Assignments may be available in various departments, such as the Senior Center, schools, library, Assessors/Finance, Town Clerk, Town Manager, DPW, Land Use and Planning, Police or Fire Departments, etc. Job responsibilities could include receptionist duties, data entry, filing, mailing projects, classroom assistance, and building maintenance. Seniors with other exceptional skills or experience may request to perform duties or work in departments for which they possess the applicable skills. There is no guarantee, however, that matching positions or duties will be available at the time of placement.

WORK REQUIREMENTS

<u>Time Sheets</u> - Each worker assigned to the program must complete a timesheet for all hours worked. The time sheet must be signed by the worker and the department head, and must be submitted to the Senior Center for verification. Time sheets will be processed on a monthly basis for tax credit documentation. Workers are encouraged to maintain a copy of their time

sheets for their records. In the event of a discrepancy in the total number of hours per year, time sheets must be submitted for review.

<u>Bi-Annual Review/Evaluation</u> - It is expected that the senior will be committed to performing the duties of their position, as their performance will be evaluated at a minimum of once a year based on the length of the assignment. The department head will conduct this evaluation to determine the senior's continued ability to meet the requirements of the work being performed. If no other assignments are available, the senior will be placed on the waiting list until a suitable position becomes available.

Participants will be evaluated based on performance, quantity/quality of work, attendance, ability to follow direction, customer service and other criteria as outlined in the performance review tool.

ACCOUNTING AND TAX WITHHOLDING

<u>Income Guidelines</u> - There are currently no income or asset eligibility criteria required for the program.

<u>Tax Credit Reporting</u> - At the end of each calendar year, the Town will issue a 1099 income tax form to the participant and the tax credit will be reported to the IRS. It is the senior's responsibility to report the credit as income on their annual income tax filing. Participants are encouraged to discuss their responsibility regarding income reporting with their tax advisor.

Tax Withholding - Each participant is required to include the abatement amount earned in their gross income for Federal tax reporting. Per Federal guidelines, Medicare tax of 1.45% will be withheld from the gross amount earned, and the net balance will be applied to the senior's real estate tax bill.

The amount of the property tax reduction is not considered income or wages for the purpose of State income tax withholding, unemployment or workers' compensation.

ACCOUNTABILITY/RECONCILIATION

<u>Tracking and Updating</u> - The Senior Center will be responsible for tracking all time worked and, along with the Assessors' Office, for ensuring that tax reductions are accurately processed and credited to senior workers' tax bills in the proper fiscal year. Work completed through September will be applied to the third and fourth quarter bills issued for the same fiscal year that are mailed that December. Notification of credit will be sent to workers during the month of December each year.

<u>Waiting List</u> - The waiting list will be maintained on a quarterly basis or as needed when changes occur. Addition of qualified senior workers to the waiting list must be approved by the Human Resources Department or the Senior Center Director, or their designees through the application process.

WITHDRAWAL/TERMINATION FROM THE PROGRAM

<u>Withdrawal</u> - Participants who are considering dropping from the program must submit a two-week notice prior to leaving in order to allow the department manager sufficient opportunity to locate a replacement prior to the participant's last day. Failure to provide the required notice may prohibit future participation in the program.

<u>Termination</u> - Participants who are no longer deemed capable of performing the duties of the position to which they are assigned will be suspended or terminated from the program. The Human Resources Director may reassess the participant's capabilities and, depending on the outcome, may seek to place the senior on the waiting list until a more suitable position becomes available. However, participants already on the waiting list will have priority consideration for any open slots.

Applications for the Town of Hopkinton's Senior Tax Credit Program can be obtained by calling or visiting the Human Resources Department located at Town Hall, 18 Main Street. Applications can also be downloaded from the Town website at www.HopkintonMA.gov. Applicants must be a resident of Hopkinton, and must own and occupy the property for which a tax credit is sought. See application for other eligibility criteria.

TAX TIPS FOR SENIORS & RETIREES

Deductions, Exemptions and 2017 "Circuit Breaker" Tax Credit

For Seniors and Retirees

In our continuing effort to make filing and paying taxes as easy as possible, the Department of Revenue (DOR) has created this "Tax Tips" fact sheet to assist you in completing your tax return and ensure that you take advantage of deductions and exemptions that are available. You may wish to consult with a tax professional for guidance on some of these items.

As a result of the health care reform law, most Massachusetts residents age 18 and over are required to have health insurance, if it is affordable for them. In 2017, individuals must be enrolled in health insurance plans that meet "Minimum Creditable Coverage" (MCC) standards defined in regulations adopted by the Commonwealth Health Insurance Connector Authority. MCC is the minimum acceptable level of benefits that taxpayers need to be considered insured and avoid tax penalties in Massachusetts. If you had insurance in 2017, the Form MA 1099-HC issued to you by your insurer will tell you if your plan met these requirements. If you had insurance from a state or federal sponsored government insurance program, such as Medicare, MassHealth, Commonwealth Care and health insurance for U.S. Military, including Veterans Administration and Tri-Care. your plan met these requirements. Schedule HC, Health Care Information, must be completed by all full year and certain part-year residents.

More information about the health care reform law and how to purchase affordable health insurance is available at the Commonwealth Health Insurance Connector Authority's website at www.mahealthconnector.org.

- If your total income is less than \$8,000 per year, you are not required to file a Massachusetts income tax return, unless you are claiming the Senior "Circuit Breaker" tax credit (see next page).
- If your Massachusetts Adjusted Gross Income (Massachusetts AGI) is \$8,000 or less if single, \$14,400 or less plus \$1,000 per dependent if head of household, or \$16,400 or less plus \$1,000 per dependent if married filing a joint return, you qualify for No Tax Status and are not required to pay any Massachusetts income taxes.

- If you do not qualify for No Tax Status, but you are single and your Massachusetts AGI is between \$8,000 and \$14,000, or if you are filing as head of household and your Massachusetts AGI is between \$14,400 and \$25,200 plus \$1,750 per dependent, or if you are married filing a joint return and your Massachusetts AGI is between \$16,400 and \$28,700 plus \$1,750 per dependent, you may qualify for the Limited Income Credit. This credit is an alternative tax calculation that can result in a significant tax reduction for people whose income exceeds the No Tax Status threshold.
- If you are age 65 or over before January 1, 2018, you are entitled to a \$700 exemption. This \$700 exemption is also available for your spouse if he or she is 65 or over before January 1, 2018. This exemption is in addition to your personal exemption of \$4,400 if single, \$6,800 if head of household and \$8,800 if married filing a joint return.
- Benefits paid under a life insurance contract for terminally or chronically ill insured individuals are excluded from Massachusetts gross income if they are excluded from federal gross income.
- Massachusetts has adopted the federal \$250,000 (\$500,000 for joint filers) exclusion of gain from the sale of a principal residence after December 31, 1997.
 The following is an example:

Your principal home in Boston was purchased in 1980 for \$100,000. In 2015, the home is sold for \$300,000, resulting in a gain of \$200,000. The gain is not subject to tax.

Social Security payments received, as well as Veterans Administration disability compensation, are not taxable in Massachusetts.

Department of Revenue Commonwealth of Massachusetts The purpose of this publication is to provide taxpayers with general information about Massachusetts tax laws and DOR policies and procedures as of December 31, 2016. Nothing contained within changes any provisions of Massachusetts General Laws or DOR policies.

 Income from most private pensions or annuity plans is taxable in Massachusetts. However, the following is a list of some specific pensions that are exempt:

Pension income received from a contributory annuity, pension, endowment or retirement fund of the U.S. Government or the Commonwealth of Massachusetts and its political subdivisions.

Pensions from other states or their political subdivisions that do not tax such income from Massachusetts or its political subdivisions may be eligible to be deducted from Massachusetts taxable income.

Beginning in 1997, noncontributory pension income or survivorship benefits received from the U.S. uniformed services (Army, Navy, Marine Corps, Air Force, Coast Guard, commissioned corps of the Public Health Service and National Oceanic and Atmospheric Administration) is exempt from taxation in Massachusetts.

However, if you retired under Chapter 32, sections 56–60 of Massachusetts General Laws and are a veteran who began state service prior to July 1, 1939, all or part of your pension income may be subject to tax.

- If you were an employee of the U.S. or Massachusetts or one of its political subdivisions and left public employment prior to retirement, you are not required to report as income the lump-sum distribution of your previous pension contributions.
- IRA or Keogh distributions are not taxable until all of your contributions that were previously subject to Massachusetts taxes are recovered.

- You may claim an exemption for medical and dental expenses paid during 2017 if you itemized these expenses on your U.S. Form 1040, Schedule A.
- If you are 65 or over before January 1, 2018, you may be eligible to claim a refundable Senior "Circuit Breaker" tax credit against your personal income taxes for the rent or real estate taxes you paid on your principal residence. The maximum credit allowed this year is \$1,080.
- Taxpayers over 60 may be eligible for a Senior Citizen Property Tax Work-Off Abatement. Under this program, taxpayers volunteer their services to their municipality in exchange for a reduction in their property tax bills up to \$1,000 annually. Check with your city or town to see if they participate in this, or any related, program.
- The maximum deduction for employment-related expenses for the care of a disabled dependent or a disabled spouse is \$4,800 for one qualifying individual and \$9,600 for two or more qualifying individuals.
- The dependent deduction for households with elderly or disabled dependents is \$3,600 for a single dependent and \$7,200 for two or more dependents.
- You may claim a maximum \$3,000 deduction for rent paid for a principal place of residence.
- Direct deposit of your refund check is available.

Senior "Circuit Breaker" Tax Credit

What is it?

Senior citizens in Massachusetts may be eligible to claim a refundable credit on their state income taxes for the real estate taxes paid on the Massachusetts residential property they own or rent and which they occupy as their principal residence. The maximum credit allowed is \$1,080 for the tax year beginning January 1, 2017. If the credit due the taxpayer exceeds the amount of the total income tax payable for the year, the excess amount of the credit will be refunded to the taxpayer without interest.

Eligible taxpayers who own their property may claim a credit equal to the amount by which their property tax payments in the current tax year (excluding any exemptions and/or abatements), including water and sewer debt charges, exceed 10% of their "total income" for the same current tax year. Taxpayers residing in communities that do not include water and sewer debt service in their property tax assessments may claim, in addition to their property tax payments, 50% of the water and sewer charges actually paid during the tax year when figuring their credit.

For renters, the law assumes that 25% of their rent goes toward property tax. Accordingly, renters may claim a credit in the amount by which 25% of their annual rental payment is more than 10% of their total income.

For purposes of the tax credit, a taxpayer's "total income" includes taxable income as well as exempt income such as social security, treasury bills and public pensions.

Who is eligible for the credit?

To be eligible for the credit for the 2016 tax year, a tax-payer must be 65 years of age or older before January 1, 2018 (for joint filers, it is sufficient if one taxpayer is 65 years of age or older), must own or rent residential property in Massachusetts and occupy the property as his or her principal residence. The taxpayer's total income cannot exceed \$57,000 for a single filer who is not the head of a household, \$72,000 for a head of household, or \$86,000 for taxpayers filing jointly. No credit is allowed for a married taxpayer unless a joint return is filed. Moreover, the assessed valuation of the real estate cannot exceed \$747,000.

No credit is allowed if the taxpayer claims the "married filing separate" status, receives a federal or state rent subsidy, rents from a tax-exempt entity, or is the dependent of another taxpayer.

Is the tax credit considered income?

Tax credits received by eligible taxpayers are not considered income for the purpose of obtaining eligibility or benefits under other means-tested assistance programs including food, medical, housing, energy and educational assistance programs.

How does a taxpayer claim the credit?

Taxpayers who are eligible for the tax credit in the 2017 tax year can claim the credit by submitting a completed Schedule CB, Circuit Breaker Credit, with their 2017 state income tax return.

Note: Taxpayers who qualified for the tax credit in a prior year but did not file Schedule CB online with their original state income tax return should file an amended return by filling in the "Amended return" oval on their state income tax return. Also, taxpayers who qualified for the tax credit in a prior year and did not file a tax return should file a state income tax return with Schedule CB. Either option must be completed within three years from the last day for filing the return, without regard to any extension of time to file.

What if the taxpayer is not required to file a state income tax return?

An eligible taxpayer who does not normally file a state income tax return may obtain a refund by filing a return with Schedule CB, Circuit Breaker Credit.

What documentation must the taxpayer keep?

As with all claimed tax credits and deductions, the taxpayer must keep all pertinent records, receipts and other documentation supporting his or her claim for the credit.

Schedule CB and further information is available at www.mass.gov/dor or by contacting the Massachusetts Department of Revenue's Customer Service Bureau at (617) 887-6367 or toll-free in Massachusetts at 800-392-6089.
