Code of Ordinances Section 2-4 Temporary uses

Portable free-standing fireworks stands and dispensaries not to exceed 14 days before a major holiday, i.e. New Year's, or Fourth of July. Firework stands and dispensaries shall have up to 48 hours to remove stands and dispensaries after each holiday/event. Such establishments shall:

a.

Provide a signed, dated permission letter with the property owner's phone or lease. (The letter or lease must specify the date(s) of use and locations(s) and include the contact number and email address. The letter/lease can provide permission for a calendar year or multiple years. A letter from a business must be on the business letterhead with the signee's name and title.);

b.

Obtain zoning and sign permit (limited to two advertisement banners or signs no larger than 24 square feet either affixed to stand or freestanding on-premises. Post two "NO SMOKING OR LIGHTING FIREWORKS" signs on stand);

c.

Obtain and maintain a valid town business license;

d.

Obtain inspection and approval from the fire marshal;

e.

Provide a certificate of liability insurance: \$1,000,000.00 minimum per occurrence (commercial general liability insurance covering bodily injury or accidental death and property damage); and

f.

Firework stand operators must obtain and carry at all times a license from the State Department of Labor, Licensing, and Regulation (LLR) Board of Pyrotechnic Safety.

g.

[Section 22-105](#), use of fireworks, shall be visibly posted on firework stands/dispensaries no smaller than 11 inches by 17 inches and 28 inches font or provided to each customer with purchase.
