TEXT AMENDMENT: SECTION 1-6.
ADDITIONS TO THE OFFICIAL ZONING MAP (ANNEXATION)

BE IT ORDERED AND ORDAINED, BY THE TOWN OF IRMO, SOUTH CAROLINA, IN COUNCIL DULY AND LAWFULLY ASSEMBLED AND BY THE AUTHORITY THEREOF

WHEREAS, the Town of Irmo desires to strengthen its Zoning Ordinance and Land Development Regulation and reconcile the associated zoning standards with its Official Zoning Map;

WHEREAS, the change is a text amendment to address noted errors, omissions, vague language, and add appropriate standards;

WHEREAS, the amendment revises the single ordinance expectation for both the annexation and zoning designation. In practice, council accepts the annexation petition at its first reading/meeting. Staff then advertise the property in the New Irmo News, post the zoning notice, and alert neighbors within 300 feet of the zoning request for the proposed annexed property in preparation for the planning commission's public hearing. The public hearing is where the planning commission reviews the zoning request and submits its zoning recommendation to council for adoption. This process typically falls the next month, trailing annexation acceptance second reading/meeting. This language change follows our actual procedural process for both;

WHEREAS, the Town and its Planning Commission per SC Codes § 6-29-760 met the State’s zoning procedural standards. Simply, notice was advertised in The New Irmo News 15 days before the public hearing;

WHEREAS, the Planning Commission recommended the adoption of the following zoning amendment to the zoning ordinance on Monday, June 6, 2022.

Sec. 1-6. - Additions to the official zoning map (annexation).
Wherever any petition for the annexation of any area to the town, pursuant to the provisions of any procedure for annexation now or hereafter authorized under the laws of the state, is presented to town council, the council shall, upon acceptance of such petition, refer same to the planning commission for a recommended zoning designation.

The planning commission shall review the petition in relation to the applicant's request, if any, for a specific zoning designation, the town's comprehensive plan, present use, and surrounding development, and shall recommend an appropriate zoning classification based on available alternatives from the compliance index of the comprehensive plan.

The recommended zoning classification for the subject property shall accompany the petition for annexation and shall be brought before the town council as a single ordinance, providing for both the annexation and zoning of the subject property.

PROPOSED:
The recommended zoning classification for the subject annexed property shall follow the annexation petition presented to council within 60 days. There may be extenuating circumstances where the planning commission’s procedural or initial presentation/first reading may be delayed, trailing the final annexation acceptance.
TEXT AMENDMENT: SECTION 12-6. VIOLATION AND PENALTIES

BE IT ORDERED AND ORDAINED, BY THE TOWN OF IRMO, SOUTH CAROLINA, IN COUNCIL DULY AND LAWFULLY ASSEMBLED AND BY THE AUTHORITY THEREOF

WHEREAS, the Town of Irmo desires to strengthen its Zoning Ordinance and Land Development Regulation and reconcile the associated zoning standards with its Official Zoning Map;

WHEREAS, the change is a text amendment to address noted errors, omissions, vague language, and add appropriate standards;

WHEREAS, the amendment is to delete Section 12-6 to eliminate redundancy and conflicts with the existing procedural process. This section outlines the process for a code enforcement officer to address violations of the Town’s zoning ordinance. The procedural process does not coincide with Irmo’s current violations process. The Town does not nor has not issued ordinance summons for violations. Subsection 12-6.2 Penalties for Violations mirrors Irmo’s Code of Ordinances Section 1-8 General Penalty. Both states not-to-exceed $500.00 or 30 days in jail. Included is replacing Violation and Penalties with Section 12-7 Interpretation and Conflict. Section 12-7 will become Section 12-6;

WHEREAS, the Town and its Planning Commission per SC Codes § 6-29-760 met the State’s zoning procedural standards. Simply, notice was advertised in The New Irmo News 15 days before the public hearing;

WHEREAS, the Planning Commission recommended the adoption of the following zoning amendment to the zoning ordinance on Monday, June 6, 2022.

WHEREAS, the change is a text amendment is to address noted errors, omissions, vague language, and add appropriate standards;

WHEREAS, the amendment is to delete Section 12-6 to eliminate redundancy and conflicts with the existing procedural process. This section outlines the process for a code enforcement officer to address violations of the Town’s zoning ordinance. The procedural process does not coincide with Irmo’s current violations process. The Town does not nor has not issued ordinance summons for violations. Subsection 12-6.2 Penalties for Violations mirrors Irmo’s Code of Ordinances Section 1-8 General Penalty. Both states not-to-exceed $500.00 or 30 days in jail. Included is replacing Violation and Penalties with Section 12-7 Interpretation and Conflict. Section 12-7 will become Section 12-6;

WHEREAS, the Town and its Planning Commission per SC Codes § 6-29-760 met the State’s zoning procedural standards. Simply, notice was advertised in The New Irmo News 15 days before the public hearing;

NOW, THEREFORE, BE IT RESOLVED by the Planning Commission, this resolution was formally adopted by a vote of the Irmo Planning Commission of Irmo, South Carolina on the 6th of June 2022.

TEXT AMENDMENT: SECTION 1-7. COMMENCEMENT OF WORK

BE IT ORDERED AND ORDAINED, BY THE TOWN OF IRMO, SOUTH CAROLINA, IN COUNCIL DULY AND LAWFULLY ASSEMBLED AND BY THE AUTHORITY THEREOF

It also punctuates compliance with Irmo zoning standards and not engaging in construction activity without an approved zoning permit and/or building permit. Construction without a building permit is echoed in our Code of Ordinances’ Section 8-1 Building Permit;

WHEREAS, the Planning Commission recommended the adoption of the following zoning amendment to the zoning ordinance on Monday, June 6, 2022.

PASSED AND ADOPTED this 19th day of July 2022.

ATTEST:

Renee Caviness, Municipal Clerk

1st Reading: June 21, 2022
2nd Reading: July 19, 2022
PROPOSED:

No work shall commence without an approved zoning permit and/or building permit per SC Code § 6-29-950. Zoning approval is required before the issuance of building permits. Construction drawings may be submitted for review and approval to the building official [CC&I] on the same day of or after the submission of a development application and related submission(s) to the zoning clerk, zoning administrator, or designee. It is recommended to submit construction drawings on the same day or around the same time. Building permits issued in error are invalid until the zoning permit is approved. Any unapproved work must stop. If the work violates zoning standards, the project will have to be corrected or removed immediately. Neither the administrator nor council is obligated to allow the continuance of premature development activity or reimburse any applicant for expenses made before the approval.

Zoning standards are also applicable to the town, county, and State in their pursuit of development within the Town of Irmo per SC Code § 6-29-770. Simply, they too have to complete and submit the applicable application(s) and provide additional submissions for review and approval. This applies to public schools and colleges per SC Code § 6-9-110. The Codes states: Code of Laws of South Carolina, 1976, exempts school district facilities, reviewed and approved by the State Department of Education, from a county, municipal, or other local ordinances or regulations which require the purchase or acquisition of a permit, license, or other device utilized to enforce a building standard. However, it does not exempt the district from zoning ordinances.

Construction or development activity without an approved zoning permit and/or building permit, and/or noncompliance with zoning standards carry penalties outlined in Irmo’s Code of Ordinances Section 1-8. General Penalty.
