## Family Service Director's Report October 2023

#### **Staffing**

The open Eligibility Worker position has been filled by Piper Sauter. We are currently advertising for an Office Support Specialist to fill her current position.

#### **Classification Change**

I would like to transition Chris Wulfekuhle, the current Office Support Specialist, to the Eligibility Case Aide that is budgeted for 2024 on the first pay period in November, as the need for a Eligibility Case Aide is increasing due to front desk area staffing changes. The cost associated with this move will be made up by the Federal Time Study participation incentive and the MA Renewal funds we received in July. Additionally, the current wages of the OSS will offset, and have a positive effect on the 2023 budget.

- Actions required

Motion to approve the action of the department.

#### **AMHI/CSP Overpayment**

The Department of Human Service overpaid a Community Support Grant to Kanabec County Family Services in the amount of \$85,781. We are required to return the money. This happens from time to time, but this is an unusually high amount. I wish to inform the Board as this affects our Family Services Fund balance.

#### **Ongoing Update on Number of Children in Placement**

Last month we had  $_{25}$  children in our care in out of home placements. We have  $_{25}$  children in care this month compared to  $_{24}$  last year for the same month.

## **Resolution KCFS # - 10/17/2023**

**Computer Purchase Resolution** 

**WHEREAS**, Kanabec County Family Services has budgeted for upgrading computers on a regular rotation, and

**WHEREAS,** in recent years, due to the pandemic funding and the purchase of laptops for staff, that process was interrupted, and

**WHEREAS**, at this time the Family Services Director wishes to return to a regular schedule of upgrading a specific number of computers each year to keep the annual replacement costs to a minimum, and

**WHEREAS,** Family Services is requesting to purchase 8 desk top and 3 laptop computers, which are budgeted in the equipment categories. Of the Family Services 2023 budget \$10,983.66 will remain after the purchase.

**THEREFORE BE IT RESOLVED** the Kanabec County Family Services Board approves the Family Services Director with the assistance of the IS Director to purchase 11 computers at a cost not to exceed \$10,000.

The current version of adobe that most staff use does not allow many functions Adobe Pro offers. Adobe Pro will allow the staff to increase productivity and efficiency. Some of the functions that will be added are listed below.

- Edit Adobe Pro documents.
- Allows for E-Sign.
- Insert multiple Adobe files to combine into one file.
- Convert Microsoft Word, Excel, & Outlook files to an Adobe File.
- Send and receive Adobe files via email for staff and others to sign, eliminating delays in processing.
- Insert pages from a scanner.
- Organize pages within an Adobe File.

There are many more functions within Adobe Pro that will increase productivity and efficiency. Currently, we have 6 Adobe Pro users. We will be adding 43 new users and are requesting approval in the amount of \$3,336.80. There is no increase to the current cost of \$77.60 per user. Please refer to the chart below. It shows the current amount spent in each account, the budgeted amount, Adobe Pro cost, and the remaining budgeted balance for each account. After the purchase of the software, there will be a remaining balance of \$63,913.39 within the 2023 Budget.

## 9:40am Appointment

## **October 17, 2023**

## REQUEST FOR BOARD ACTION

a. Subject: Request for Job Description & Physical Analysis Approval	b. Origination: Coordinator's Office
c. Estimated time: 5-10 minutes	d. Presenter(s): Kim Christenson & Kris McNally

## e. Board action requested:

Approve sending the following job descriptions to the pay consultant for review.

- a. Certified Appraiser I
- b. Certified Appraiser II
- c. Property Specialist

#### f. Background:

The Assessor's Office is requesting 2 levels of Certified Appraiser to better reflect the different levels of an appraiser. The County Assessor has updated the existing Certified Appraiser job description and is recommended to be titled Certified Appraiser I. This position requires the employee to have a Certified Minnesota Appraiser license (CMA).

The Assessor then created a new job description for the Certified Appraiser II position that requires the employee to have an Accredited Minnesota Assessor's license (AMA) to qualify for the position.

The Auditor's Office currently has 2 Collection Clerk positions. One of the Collections Clerk positions specializes in property transfers, while the other focuses on property tax collections. The Auditor/Treasurer has created a new job description to better reflect the Property Specialist essential functions and qualifications.

These new job descriptions do not add additional FTE.

Job descriptions and physical analyses are attached.

**Date received in County Coordinators Office:** 

**Coordinators Comments:** 

Policy P-106 states:

### **II. JOB EVALUATION PROCEDURE, NEW POSITIONS:**

- A. When a new job is created, the job description and physical analysis shall be written, reviewed and authorized by the appropriate Department Head with consultation from the Personnel Director.
- B. Once the job description is authorized, the job description and physical analysis shall be forwarded to the County Board of Commissioners for their review. The Coordinator will submit them to the Board at the next available Regular Board Meeting. Materials submitted to the board shall include:
  - (1) standard board meeting cover sheet
  - (2) proposed job description and physical analysis
  - (3) justification of the necessity of the action
- C. Upon review, the Board may do one of the following:
  - (1) refer the job description and physical analysis to the pay consultant for evaluation, or
  - (2) send the job description and physical analysis back to the Department Head for changes or clarifications.
- D. After the job has been evaluated, the results shall be directed back to the County Board of Commissioners for approval.
- E. Within 30 days after notification of the Board's approval or disapproval of the consultant's recommended evaluation, any affected employee or the department head may appeal to the Board for reconsideration of the evaluation of the job by making a written request detailing the basis of the request and submitting it to the County Board.
- F. No individual may be hired into a new job before the job description has been written, evaluated and approved by the County Board of Commissioners.

# Kanabec County EDA Updates 10/17/2023

### HOUSING DEVELOPMENT:

- Ogilvie Development You may recall, Blue Waters Company recently received approval for rezoning for a six building, 24-unit town home project in Ogilvie. The Title company later mentioned to them that there are easement issues that need to be worked out before they can close on the property. Those issues are now worked out but pushed the start of the project back construction date back to start spring 2024.
- **Ogilvie Development** I am working with a developer to construct fourteen doublewide, manufactured homes in Ogilvie along HWY. 23. They reviewed their plan with the EDA Board in July. I sent the developer a letter of support and helped them complete an application to the MN Dept. of Finance. They are applying for \$750,000. The total project costs estimate is about \$2 million. They are still waiting to hear from the MN Dept. of Development. (DEED) regarding grant approval.
- **Ogilvie Development** Working with City Coordinator of Ogilvie to expand their industrial park. Also, investigating the possibility of purchasing land for new housing development.
- **Mora Development** Senior Housing project I this project is a partnership between the Mora HRA, City of Mora staff and County EDA. I was able to secure grant funds for a feasibility study from the Initiative Foundation. The developer is seeking federal funds and will request letters of support in the future.
- **Mora Development** Senior/Memory Care Housing Project I presented a developer a few locations that match what they are looking for. Their project would consist of 24-units for senior housing, including seven units for memory care. They are also seeking funds from a federal program. They mentioned that they have a verbal commitment on a property that I showed them. I am looking forward to reviewing their site plans and funding proforma yet.
- **Mora Development** A local developer reviewed his proposal with the EDA Board to build 4-plexes (all rentals) along 9<sup>th</sup> Avenue. He also mentioned that he owns land in another township that he is interested in doing future housing projects.
- Mora Development Staff from the City of Mora and I met with a developer who is interested purchasing land located in downtown Mora (Union and Forest Streets), which is owned by the City of Mora. I reviewed his site plans, which includes retail use on the bottom level with apartments on second and third floors. He plans to review his concept plan with the Mora EDA at their next meeting.

- Mora Development The School Board (at a recent work session) agreed to allow Kirsten Faurie and I draft a Request for Proposals (RFP) brochure and bring it back for their approval at the November School Board meeting. We would send the RFP to several housing developers who might be interested in redeveloping the site into some type (or multiple types) of housing project in 2024.
- Grasston Development Members from Grasston reached out to me to discuss available
  land for housing development. I am planning to meet with them to discuss some options
  this month.
- Exposed Kanabec County to multiple housing developers through various resources, including attending conferences, events and calling and scheduling visits. I attended various housing conferences, including ECHO, DEED, GPS 45:93 and EDAM to identify funding sources for proposed housing projects. I will be attending the MNCAR Event on October 25<sup>th</sup>.
- I recently drove a site selector around Kanabec County to look at available sites for housing, industrial or commercial development. They mentioned that they work with various developers and will have them contact me if they are interested in any of the sites.
- I met with 15 housing developers and provided site tours that included Mora sites and sites outside of Mora. I also reached out to local developers as well.
- I visited (so far) 12 townships and communities within Kanabec County to discuss their housing needs.

### PROMOTING & BUILDING OUR BUSINESS COMMUNITY:

- Attended 12 Township Board meeting and met with and Community leaders from Grasston, Ogilvie, Braham, and Quamba to promote the EDA's Strategic Plan and discuss their economic development needs.
- Continued working with the SBDC to schedule Business Retention and Expansion visits. Visited 48 commercial/industrial businesses so far.
- I plan to work with the new City Coordinator, City of Braham (whenever they are hired) regarding an expansion of their industrial park.
- Working with staff from the City of Mora on expanding two industrial businesses that we met with during business expansion visits.
- I serve on the East Central Development Partnership's marketing committee to work on regional marketing efforts. We recently met to discuss their strategic plan and participation at future events.

- Currently working with DEED's MN Marketing Partnership committee to participate in a Familiarization events and tours with site selectors, real estate agents and other influences to show case the region, including Kanabec County.
- Maintained the EDA's Web Site listing funding/technical programs.
- Waiting to hear about re-applying to become a Small Business Development Consultant with the North Central Regional SBDC satellite office for 2024.
- I recently attended the Community Venture Network (CVN) Event in September. CVN exists to connect rural communities with businesses searching for opportunities to expand and grow their operations. I connected with four industrial businesses to discuss the possibility of expanding in one of Kanabec County's industrial parks.
- Met with community leaders from Mora, Quamba, Ogilvie, and Grasston to build stronger partnerships with these communities and discuss future economic development needs.

### **BROADBAND:**

- Continue partnership with East Central Energy and scheduling periodical visits with the Director of Broadband for ECE.
- EDA Board sent letter of support for next round of MN DEED grant funding. We will find out if we will receive the grant in December 2023.

### CONNECTING BUSINESSES TO TRAINING RESOURCES:

- I participated in Business Retention & Expansion visits (commercial & industrial) since May and will continue the visits throughout next year.
- I started compiling a list of available trainings around the County. I plan to connect the businesses from that list to the SBDC, DEED, SCORE, and Initiative Foundation's web sites.
- I am working with staff from the City of Mora to recognize manufacturing month in October 2023.

### SUPPORTING CHILD CARE GROWTH OPPORTUNITIES:

- The child care capacity committee now consists of public and private sector committee members. The purpose is still to increase more childcare slots in Kanabec County. Staff from the City of Mora and I recently found a site for a possible child care facility, we have been talking to someone interested in managing a child care facility and we may have already found funding sources to purchase the land, construction and start a new facility.
- I have also spoken with two possible new childcare providers and have linked them to technical and financial resources. Pine Tech offers a certificate program to future child

care workers and facility owners and the Initiative Foundation will pay for their classes at Pine Tech.

• Business Retention & Expansion visits to childcare facilities will resume this fall.

# Marketing/Exposure – I recently attended or plan to attend the following Events, Conferences and Seminars:

- 1. MN Association of Commercial Realtor's (MNCAR'S) Fall Conference
- 2. East Central Regional Development Commission Fall Brainstorming Visits
- 3. Economic Development Association of MN (EDAM) Winter Conference
- 4. East Central Housing Organization (ECHO) Winter Housing Conference
- 5. Association of MN County's Economic Development Committee (MAPCED) Conferences
- 6. Recently attended Community Venture Network (CVN) Fall Conference
- 7. Recently East Central MN Career Fair Sponsored by DEED
- 8. Recently attended Non-Traditional Lenders Forum Event
- 9. Recently attended SPIRE Bank's Fall Advisory Council Event
- 10. Recently attended GPS: 45/93 (East Central Development Partnership) Annual Meeting
- 11. Hwy. 23 Coalition Day at the Capitol Spring Event
- 12. SBDC Quarterly Meetings
- 13. Mora Chamber Annual Gala November 16, 2023
- 14. I am assisting staff from the Dept. of Employment and Economic Development (DEED) with planning the following events:
  - a. Launch MN Spring Event
  - b. MN Marketing Partnership Spring Event
  - c. FAM Tour Spring Event

# Lease Agreement

**This Agreement** ("Agreement") between the County of Kanabec, Minnesota ("County") and Nemeth Orthodontics ("Lessee") is effective January 1, 2024.

The term of this Agreement shall be one (1) year, beginning on January 1, 2024 and ending on December 31, 2024, unless earlier terminated as provided herein.

The leased space is owned by the County and is located at 18 North Vine St, Meeting Rooms #3, 4, 5 and the basement entry area, Mora, MN 55051. The leased space is described as office space for the purpose of business, is approximately 1024 square feet, and is reserved for use from 7:00 a.m. to 1:00 p.m. one day per month on a monthly schedule pre-arranged through the Coordinator's Office.

Lessee shall pay rent in the amount of \$150.00 per month, due on or before the first of each month. The check shall be made payable to the Kanabec County Auditor/Treasurer and delivered to the Kanabec County Coordinator at 317 Maple Ave E, Suite 181, Mora, MN 55051.

The County shall furnish and pay for all utilities not including telephone service. The County will provide telephone service under separate agreement.

Lessee agrees to carry insurance for its property located in the leased space, and is solely responsible for securing and maintaining its own insurance.

Each party agrees that it will be responsible for its own actions and the results thereof to the extent authorized by law and shall not be responsible for the acts of the other party or the results thereof. The County's liability is governed by the provisions of Minn. Stat. Chap. 466 and other applicable laws.

Any and all employees of Lessee shall be considered employees of Lessee only, and not of the County, and that any and all claims that may or might arise under the Workers' Compensation Act of the State of Minnesota on behalf of said employees while so engaged and any and all claims made by any third parties as a consequence of any act or omission on the part of said employees which so engaged on any of the work or services provided to be rendered herein shall be the sole obligation and responsibility of Lessee.

The Lessee will pay for any damages or alterations done to premises. Any alterations to the leased space must be pre-approved and in writing before starting. Premises and fixtures shall be in as good

a condition as when tenant took possession except for normal wear. Lessees shall keep grounds and premises clean and free of all trash and litter.

Termination of the Agreement in its entirety requires a minimum of thirty (30) days prior notice. Notice shall be dated and provided in writing to the parties listed below as the contacts for this Agreement as follows:

# REQUEST FOR BOARD ACTION

a. Subject: Statewide Affordable Housing Aid	b. Origination: State of MN	
c. Estimated time: 10-15 minutes	d. Presenter(s): Kris McNally, Coordinator	

### e. Board action requested:

Discuss Local Affordable Housing Aid priorities and determine next steps

https://www.revenue.state.mn.us/local-affordable-housing-aid

### f. Background:

Funds distributed under this aid program must be spent on a qualifying project. Funds will be considered spent if:

- A county or eligible demonstrates to the Minnesota Housing Finance Agency that the city or county cannot expend funds on a qualifying project by the deadline below due to factors outside the control of the city or county
- o The funds are transferred to a local housing trust fund

If funds are transferred to a local housing trust fund, they must be spent on a project or household that meets the affordability requirements described below.

**Deadline:** Funds must be spent by December 31 of the fourth year after the aid was received.

### Qualifying projects include:

- Emergency rental assistance for households earning less than 80% of area median income as determined by the United States Department of Housing and Urban Development
- Financial support to nonprofit affordable housing providers in their mission to provide safe, dignified, affordable and supportive housing
- For counties outside the metropolitan counties as defined in Minnesota Statutes, section 473.121, subdivision 4, development of market rate residential rental properties as defined in M.S. 462A.39, subd. 2, para. (d), if the relevant unit of government submits with the report required as described in the Reporting to the Minnesota Housing Finance Agency section a resolution and supporting documentation showing that the area meets the requirements of M.S. 462A.39, subd. 4, para. (a)
- Projects designed for the purpose of construction, acquisition, rehabilitation, demolition
  or removal of structures, construction financing, permanent financing, interest rate
  reduction, refinancing, and gap financing of housing to provide affordable housing to
  households that have incomes which do not exceed:
  - For homeownership projects, 115% of the greater of state or area median income as determined by the United States Department of Housing and Urban Development
  - For rental housing projects, 80% of the greater of state or area median income as determined by the United States Department of Housing and Urban Development

 Housing developed or rehabilitated with funds under this program must be affordable to the local work force.

Projects are prioritized that provide affordable housing to households with incomes that:

- For homeownership projects, do not exceed 80% of the greater of state or area median income as determined by the United States Department of Housing and Urban Development
- For rental housing projects, do not exceed 50% of the greater of state or area median income as determined by the United States Department of Housing and Urban Development.

Priority may be given to projects that:

- Reduce disparities in home ownership
- Reduce housing cost burden, housing instability, or homelessness
- Improve the habitability of homes
- Create accessible housing
- · Create more energy- or water-efficient homes

Gap financing is the difference between the costs of the property and either:

- The market value of the property upon sale
- The amount the targeted household can afford for housing, based on industry standards and practices.

If aid received under this program is used for demolition or removal of existing structures, the cleared land must be used for the construction of housing to be owned or rented by persons who meet the income limits described above.

If an aid recipient uses the aid on new construction or substantial rehabilitation of a building containing more than four units, the loan recipient must construct, convert, or otherwise adapt the building to include:

- The greater of:
  - At least one unit
  - At least 5% of units that are accessible units, as defined by section 1002 of the current State Building Code Accessibility Provisions for Dwellings Units in Minnesota, and include at least one roll-in shower
- The greater of:
  - At least one unit
  - o At least 5% of units that are sensory-accessible units that include:
    - Soundproofing between shared walls for first and second floor units
    - No florescent lighting in units and common areas
    - Low-fume paint
    - Low-chemical carpet
    - Low-chemical carpet glue in units and common areas

These guidelines do not relieve a project funded by this aid program from meeting other applicable accessibility requirements.

# LOCAL HOUSING TRUST FUNDS IN MINNESOTA

February 2023

Local Housing Trust Funds (LHTF) are funds established by a local government by dedicating local public revenue for housing. They are a consistent, flexible resource for housing within a local jurisdiction. Trust funds help communities leverage public and private resources and jumpstart projects that draw investment and jobs. LHTFs enable prioritizing developments that maximize benefit to the community.

In 2017, the Minnesota Legislature defined a LHTF in law, providing clarity to assist local jurisdiction with housing investments. In 2021, to incentivize LHTFs, they authorized a state match fund of \$1 million, providing a one-to-one match on the first \$150,000 of new revenue invested in housing trust funds by cities and counties, and a one-to-two match on the next \$150,000 of available funds.

Since 2017, Minnesota has seen a steady increase in LHTFs, as 20 cities and counties across the state have adopted them, with more on the way. This report includes information from MHP's third annual survey of cities and counties regarding LHTF.

# Local Housing Trust Funds by the numbers:

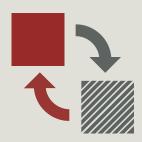

From big to small, rural to metro, LHTFs can serve the housing needs of communities of all types and sizes.

### Duluth

Population: 86,372

After years of careful planning, Duluth's Housing Trust Fund, a partnership between the City of Duluth and LISC Duluth, was launched in 2022. The partnership came together after Mayor Larson

Photo: Skyline of Duluth, MN

and city staff, along with LISC Duluth, attended a National League of Cities' training on housing and health equity. Upon his return, Mayor Larson established the Mayor's Housing Task Force, which issued a 2020 report including recommendation for a housing trust fund.

The partnership has resulted in a HTF established by the city, LISC Duluth, and other partners, with initial funds of \$16 million: approximately \$4 million to be administered by the city and \$12 million administered by LISC Duluth. A committee appointed by Mayor Emily Larson and confirmed by the Duluth city council provides oversight and recommendations on HTF applications, both those administered by the City and those by LISC Duluth.

Funds have already been allocated to several projects. The unique partnership between the City of Duluth and LISC Duluth has provided resources for a broader range of housing goals. The City and LISC Duluth have different purposes for their funds. City of Duluth funds primarily help projects get started, including options for revolving funds to provide construction financing to projects experiencing short-term funding gaps. LISC Duluth intends to focus funds it administers in big multifamily developments and other large projects.

"Having unique objectives for the funds administered by the City and LISC is helpful, as there are so many important but competing priorities in housing. This approach allows funds to better support our significant housing needs in Duluth through multiple strategies focused on a range of housing types," says Adam Fulton, Deputy Director, Planning and Economic Development Department, City of Duluth.

### Minnetonka

Population: 53.266

In 2020, the City of Minnetonka established its Affordable Housing Trust Fund (AHTF). While the fund was initially created to provide rental assistance to households impacted by COVID-19, in 2021 the city received special legislation to transfer the existing balance of "pooled" tax increment, approximately \$5 million, to its HTF for expanded affordable housing opportunity. The special legislation allowed the city to diversify the level of affordability beyond the requirements under TIF law.

Currently, Minnetonka's AHTF has approximately \$7 million. Accomplishments to date include assisting

187 households with up to \$1,500 in rental assistance, ensuring deeper affordability for more units in three large mixed-income rental properties, and providing emergency assistance to households at risk of homelessness. Plans for 2023 include expanding a down-payment assistance program.

# **Chisago County**

Population: 57,469

Chisago County adopted its HTF in 2021, with a focus on workforce housing for moderate, low and very low-income residents and households. The County designated the Chisago County HRA/EDA as the fund administrator, a good fit as the HRA/EDA brings extensive experience in developing, managing, and owning affordable properties. The HRA/EDA funded the HTF from its existing budget, with an initial fund of \$150,000. It has now grown to \$556,000, with funds added in 2022 and 2023 from HRA/EDA-owned housing that generates revenue. The HRA/EDA is also soliciting gifts, grants, and donations by corporations or individuals and may add proceeds from future sale of HRA/EDA parcels.

"Having the Housing Trust Fund in our toolbox has been getting the attention of developers and we are optimistic to have projects underway in the near

**future."** — Nancy Hoffman, Chisago County HRA-EDA

MHP is an equal opportunity provider, mhponline.org. ©2023 Minnesota Housing Partnership

According to Nancy Hoffman, Executive Director of the Chisago County HRA-EDA, "In our area (Chisago County) it can be difficult to attract affordable housing developers because we are just far enough out of the metro area that they cannot get the rents to make the project cash flow as they can just a few miles away."

Note: Sources and uses for LHTFs, and other details, are identified in this report to the best of our ability. Please contact MHP with any corrections.
