

ORDINANCE NO. 14

SOLID WASTE MANAGEMENT ORDINANCE

FOR

KANABEC COUNTY, MINNESOTA

AUGUST, 1990

KANABEC COUNTY SOLID WASTE ORDINANCE

An ordinance authorizing and providing for County Solid Waste Management, establishing powers and duties in connection therewith, establishing standards and requirements for solid waste management operations within the County of Kanabec, requiring a license for establishment and use of a solid waste management operation; embodying minimum standards and requirements established by rules of the Minnesota Pollution Control Agency; providing for enforcement of said requirements; requiring a performance bond and insurance; and imposing penalties for failure to comply with these provisions; in purpose and object to promote health, welfare and safety of the public and protect resources of water, air and land pursuant to Minnesota Statutes, Chapters 115, 115A, 116 and 400.

The County Board of Commissioners of the County of Kanabec, hereinafter referred to as the County Board, does ordain:

SECTION I. DEFINITIONS Unless specifically altered, terms and abbreviations used in this ordinance shall be interpreted in a manner consistent with Minnesota Statutes, Chapters 115, 115A, 116 and 400 and rules of the Agency, which have been or hereafter may be adopted under those provisions. Terms and abbreviations used herein which are not specifically defined by law shall be construed in accordance with the context and professional usage.

Subd. 1. “Agency” means the Minnesota Pollution Control Agency.

Subd. 2. “Air Contaminant” means the presence in the outdoor atmosphere of any dust, fume, mist, smoke, vapor, gas or other gaseous fluid, or particulate substance differing in composition from or exceeding in concentration the natural components of the atmosphere.

Subd. 3. “Air Pollution” means the presence in the outdoor atmosphere of any air contaminant or combination thereof in such quantity, of such nature and duration, and under such conditions as would be injurious to human health or welfare, to animal or plant life, or to property, or to interfere unreasonably with the enjoyment of life or property.

Subd. 4. “Canister System” means one or more commercial solid waste storage containers (such as “green boxes” and “dumpsters”) located to function as intermediate disposal facilities, and which are serviced on a regular basis by a public or private solid waste hauler.

Subd. 5. “Commercial Hauler means any person, as defined in Section I, who owns, operates, or leases vehicles for hire for the purpose of collection and/or transportation of any type of solid waste.

Subd. 6. “County” means any department or representative of the County who is authorized by this ordinance or otherwise by the County Board to represent the County of Kanabec in the enforcement or administration of this ordinance.

Subd. 7. “Composting” means the controlled biological decomposition of selected solid waste in a manner resulting in an innocuous final product.

Subd. 8. “Cover Material” means material approved by the Agency that is used to cover compacted solid waste in a land disposal site. Important general characteristics of good cover material are low permeability, uniform texture, cohesiveness and compactibility.

Subd. 9. “Demolition Debris” means solid waste resulting from the demolition of buildings, roads and other man-made structures including concrete, brick, bituminous concrete, untreated wood, masonry, glass, trees, rock and plastic building parts. Demolition debris does not include asbestos wastes.

Subd. 10. “Demolition Debris Land Disposal Facility” means a site used only to dispose of demolition debris.

Subd. 11. “Garbage” means discarded material resulting from the handling, processing, storage, preparation, serving and consumption of food.

Subd. 12. “Hazardous Waste” means any refuse or discarded material or combinations of refuse or discarded materials in solid, semi-solid, liquid, or gaseous form which cannot be handled by routine waste management techniques because they pose a substantial present or potential hazard to human health or other living organisms because of their chemical, biological, or physical properties. Categories of hazardous waste materials include, but are not limited to, explosives, flammables, oxidizers, poisons, irritants and corrosives. Hazardous waste does not include sewage sludge and source material, special nuclear material or by-product material as defined by the Atomic Energy Act of 1954, as amended.

Subd. 13. “Incineration” means the process by which solid wastes are burned for the purpose of volume or weight reduction or energy recovery in facilities designed for such use.

Subd. 14. “Industrial Waste” means solid waste resulting from an industrial, manufacturing, service, or commercial activity that is managed as a separate waste stream.

Subd. 15. “Intermediate Waste Disposal Facility” is a facility for the preliminary or incomplete disposal of solid waste including, but not limited to, transfer station, canister site or system, open burning site, incineration, composting, recovery of Recyclable materials, reduction, shredding and compression.

Subd. 16. “Land Pollution” means the presence in or on the land of any waste in such quantity, of such nature and duration, and under such condition as would affect injuriously any waters of the State, create air contaminants or cause air pollution.

Subd. 17. “Licensee” means a person who has been issued a license by the Board for solid waste management purposes pursuant to this ordinance.

Subd. 18. “Major Appliances” means clothes washers, dryers, dishwashers, garbage disposals, trash compactors, conventional ovens, ranges and stoves, air conditioners, refrigerators, and freezers.

Subd. 19. “Mixed Municipal Solid Waste” means garbage, refuse, and other solid waste from residential, commercial, industrial, and community activities which is generated and collected in aggregate, but does not include auto hulks, street sweepings, ash construction debris, mining waste sludge, tree and agricultural wastes, tires, lead acid batteries, used oil, and other materials collected, processed, and disposed of as separate waste streams.

Subd. 20. “Operation” means any site, facility, or activity relating to solid waste management.

Subd. 21. “Person” means any human being, any municipality or other governmental or political subdivision or other public agency, any public or private corporation, any partnership, firm, association, or other organization, any receiver, trustee, assignee, agent, or other legal representative of any of the foregoing, or any other legal entity.

Subd. 22. “Putrescible Material” means solid waste which is capable of being rotten, or which may reach a foul state of decay or decomposition.

Subd. 23. “Recyclable Materials” means materials that are separated from mixed municipal solid waste, by the generator for the purpose of recycling, including paper, plastic, glass, metals, automobile oil and batteries.

Subd. 24. “Recycling Facility” means a Facility where recyclable materials are purchased from generators or collectors, processed for marketing or loaded into vehicles for transport to market.

Subd. 25. “Refuse” means putrescible and nonputrescible solid wastes, including garbage, rubbish, ashes, incinerator ash, incinerator residue, market and industrial solid wastes and municipal treatment wastes which do not contain free moisture.

Subd. 26. “Rubbish” means nonputrescible solid wastes, including, but not limited to, ashes, consisting of both combustibles and noncombustible wastes, such as paper, cardboard, tin cans, wood, glass, bedding, crockery or litter of any kind.

Subd. 27. “Sanitary Landfill” means a land disposal site, permitted by the Agency, employing an engineered method of disposing of solid waste on land in a manner that minimizes environmental hazards by spreading the solid waste in thin layers, compacting the solid waste to the smallest practical volume, and applying cover material at the end of each operating day, or at intervals as may be required by the Agency.

Subd. 28. “Shoreland” means land located within the following distances from public water: a) 1,000 feet from the ordinary high water mark of a lake, pond, or flowage; and b) 300 feet from a river or stream, or the landward extent of a flood plain designated by ordinance on such a river or stream, whichever is greater.

Subd. 29. “Solid Waste” means garbage, refuse, sludge from a water supply treatment plant or air contaminant treatment facility, or other discarded waste materials and sludge, in solid, semi-solid, liquid or contained gaseous form, resulting from industrial, commercial, mining, or agricultural operations, or from community activities, but does not include hazardous waste; animal waste used as fertilizer; earthen fill, boulders, rock; sewage sludge, solid or dissolved material in domestic sewage or other common pollutants in water resources, such as silt, dissolved or suspended solids in industrial waste water effluents or discharges which are point sources subject to permits under Section 402 of the Federal Water Pollution Control Act, as amended; dissolved materials in irrigation return flows; or source material, special nuclear material, or by-product material as defined by the Atomic Energy Act of 1954, as amended.

Subd. 30. “Solid Waste Management Facility” means a sanitary landfill, or an intermediate disposal facility.

Subd. 31. “Solid Waste Management” means the storage, collection, or removal of solid waste from or on public or private property, its transportation to intermediate or final disposal facilities or its final disposal by methods approved by the Agency.

Subd. 32. “Transfer Station” means an intermediate solid waste disposal facility in which solid waste collected from any source is temporarily deposited to await transportation to another solid waste management facility.

Subd. 33. "Water Pollution" means a) the discharge of any pollutant into any waters of the State or the contamination of any water of the State so as to create a nuisance or render such waters unclean, or noxious, or impure so as to be actually or potentially harmful or detrimental or injurious to public health, safety or welfare, to domestic, agricultural, commercial, industrial, recreational or other legitimate uses, or to livestock, animals, birds, fish or other aquatic life; or b) the man-made or man-induced Alteration of the chemical, physical, biological, or radiological integrity of waters of the State.

Subd. 34. "Waters of the State" means waters, surface or underground, except those surface waters which are not confined but are spread and diffused over the land. "Waters of the State" includes all boundary and inland waters.

Subd. 35. "Yard Wastes" means the garden wastes, leaves, lawn cuttings, weeds and prunings generated at residential or commercial properties.

SECTION II. GENERAL PROVISION.

Subd. 1. No person shall cause, permit, or allow land or property under his control to be used for solid waste management purposes, except at an operation for which a license has been granted by the County Board, unless otherwise provided by this ordinance.

Subd. 2. Any operation to be used for any method of solid waste management not otherwise provided for in this ordinance must be licensed by the County Board before operation may commence. The license application shall include three sets of complete plans, specifications, design data and ultimate land use plans. Proposed operating procedures for a solid waste disposal facility must be prepared by a professional engineer registered in Minnesota. The applicant shall procure a proper zoning permit to accompany the application as required by the County Zoning Ordinance. No license shall be issued for a solid waste facility unless the applicant has demonstrated to the satisfaction of the County Board the availability of revenues necessary to operate the facility in accordance with applicable state and local laws, ordinances and rules.

Subd. 3. After receiving an application for an operation, the Solid Waste Officer shall evaluate the application and shall give his recommendations to the County Board concerning whether it should issue or deny the license. If an applicant is denied a license, such applicant shall be notified in writing of the reasons therefore by the County Board. A denial shall be without prejudice to the applicant's right to file a further application after revisions are made to satisfy objections specified as reasons for the denial.

Subd. 4. The County Board shall refuse to issue a license for any operation which does not comply with this ordinance, Agency rules and the County's solid waste management plan.

Subd. 5. Issuance of any license pursuant to the provisions of this ordinance shall be contingent upon the applicant furnishing to the County a bond in an amount to be set by resolution, by the County Board. This bond shall name the County as obligee with sufficient sureties duly licensed and authorized to transact business in the State of Minnesota as sureties. The condition of such bond shall be that if the licensee fails to comply with any of the requirements or fails to perform any of the acts required of an operation or ceases to operate or abandons the operation, the County is required to expend any monies or expend any labor or material to restore the operation to a condition in compliance with this ordinance, the bond holder and the sureties on its bond shall reimburse the County for any and all expenses incurred by the County to remedy failure of the licensee to comply with the terms of this ordinance, and the bond holder and its sureties shall indemnify and, save the County harmless from all losses, costs, and charges that may occur to the bond holder or its sureties because of any default of the licensee under the terms of his license to operate in compliance with the terms of the ordinances of the County.

Subd. 6. In addition to the bond referred to in subd. 5, issuance of any license pursuant to the provisions of this ordinance shall be contingent upon the applicant securing, and furnishing to the County a copy of a certificate therefore, the following types of insurance issued to the licensee by insurers duly licensed within the State of Minnesota and in amounts to be set by the County Board; general liability including, but not limited to, bodily injury, property damage, motor vehicle, loading and unloading and gradual pollution insurance.

Subd. 7. Any license granted by the County Board under the provisions of this ordinance may be suspended by the County Board at any time for noncompliance with the provisions of the license, this ordinance or applicable state laws or rules, or upon written notification to the licensee and the County Board by the Solid Waste Officer or by an authorized representative of the Agency that the continued use of the operation may endanger the health, welfare or safety of the public or that the continued use may cause pollution or impairment of the environment.

The notice of suspension shall be deemed adequately served whenever it is served upon the licensee personally or be leaving the same at the licensed premises with the person in charge thereof. A copy of the notice of suspension shall be provided to the County Board. The County Board shall remove the license suspension only upon presentation of evidence acceptable to the County Board that the conditions which were cited as cause for suspension have been fully corrected. A license may be revoked only after the County Board has held a public hearing at which the licensee and other persons wishing to be heard concerning the operation shall have the right to be heard. The date of the hearing for license revocation shall be set by the County Board and shall not be held earlier than ten calendar days after notice of said hearing was mailed to the licensee. Evidence may be adduced in a manner consistent with the rules of evidence applied in civil cases. A transcript thereof shall be made by tape recording or other suitable technique. If, pursuant to said hearing, the County Board shall determine that the operation has been conducted in violation of the

provisions of the license, this ordinance, State laws of States rules, the County Board may revoke the license or continue such suspension in effect until the operation has demonstrated that full compliance with the provisions of the license, this ordinance, State laws and State rules has been attained and that such compliance will be continued in the foreseeable future.

Subd. 8. Routine inspection and evaluation of an operation shall be made by the Solid Waste Officer at such frequency as to ensure consistent compliance, by the operation with the provisions of this ordinance. The licensee shall be provided with a written inspection report containing a precise description of any deficiencies, recommendations for the correction thereof and the date when the corrections shall be accomplished. Copies of said report(s) shall be furnished to the Agency. The licensee shall allow authorized representatives of the County or the Agency, access to the facility at any time for the purpose of making such inspections as may be necessary to determine compliance with the requirements of this ordinance, and any other applicable statute, ordinance, or rule.

Subd. 9. Where the conditions imposed by any provision of this ordinance are either more restrictive or less restrictive than comparable conditions imposed by any other provision of this ordinance, or any other applicable law, ordinance or rule the provision which establishes the higher standards for the promotion of public health, safety, and general welfare shall prevail.

Subd. 10. Every license issued for a solid waste operation shall be recorded in the office of the County Recorder.

Subd. 11. Nothing in this ordinance shall be construed to require a permit for the beneficial use of Lime By Products from a water supply Treatment Plant.

SECTION III. SOLID WASTE OFFICER

Subd. 1. The Solid Waste Officer shall have all necessary authority to implement and carry out the provisions of this ordinance including, but not limited to, the following:

- (a) To review and consider all license applications and supporting materials which are referred to the Solid Waste Officer for operations within the County, and after such review and consideration, to recommend in writing with documentation to the County Board whether a license should be granted or denied.
- (b) To inspect operations to determine compliance and to investigate complaints about violations of this ordinance.
- (c) To recommend to the County Attorney that legal proceedings be initiated against a person or group of persons to compel compliance with the provisions of this ordinance or to terminate or control an operation not in compliance with this ordinance. The County Solid Waste Officer does have citation authority.

(d) To encourage and conduct studies, investigations and research relating to aspects of solid waste management, including, but not limited to, methodology, chemical and physical considerations, and engineering.

(e) To advise, consult, and cooperate with the public and other governmental agencies in furtherance of the purpose of this ordinance.

SECTION IV. SOLID WASTE STORAGE

Subd. 1. Solid wastes shall be stored in a manner which complies with State rules administered by the Agency.

Subd. 2. Toxic or hazardous wastes shall be stored in accordance with State rules administered by the Agency.

Subd. 3. Transfer stations and canister sites may be established and shall be licensed annually according to Section VIII and shall meet all requirements listed in Section IV as well as any additional requirements imposed by the County Board.

Subd. 4. Solid waste shall not be stored on public or private property for more than two (2) weeks without the written approval of the Solid Waste Officer. Nonputrescible wastes suitable for recycling shall not be stored on public or private property in a manner which creates a nuisance, blight, or health hazard.

SECTION V. COLLECTION AND TRANSPORTATION OF SOLID WASTE

Subd. 1. The collection and transportation of solid waste shall be performed in accordance with State rules administered by the Agency.

Subd. 2. Toxic or hazardous wastes shall be transported in a manner consistent with State rules administered by the Agency.

Subd. 3. No person may collect or transport solid waste for hire without first obtaining a license from the County Board. The County Board shall not issue a license until the applicant complies with all of the following requirements:

(a) The applicant shall submit a completed application form provided by the County for a solid waste collection and transportation license.

(b) The applicant shall submit to the County specifications of all vehicles to be used for solid waste collection and transportation. Such vehicles shall have leak-proof bodies of easily cleanable construction, completely covered with metal, heavy canvas or other suitable covering and shall be subject to approval and periodic inspection by the Solid Waste Officer.

(c) The applicant shall submit a description of the route(s) to be followed by all solid waste collection and transportation vehicles between the area of collection and the solid waste disposal operation.

(d) The applicant shall meet all of the applicable requirements for obtaining a license which are specified in Section II of this ordinance.

(e) The applicant shall be financially and operationally capable, as determined by the County Board, to properly collect, transport and dispose of all solid waste.

SECTION VI. SOLID WASTE LAND DISPOSAL FACILITIES

Subd. 1. Land disposal facilities, including, but not limited to, sanitary landfills, modified landfills and demolition landfills, shall meet all the requirements of State rules administered by the Agency which govern these facilities.

Additionally, no person shall establish, operate or maintain a land disposal facility without first obtaining a license from the County Board in accordance with Section II.

Subd. 2. An application for a County license shall include, but not be limited to the following:

(a) An operating schedule and a schedule of fees to be levied at the land disposal facility.

(b) A notarized affidavit stating that the applicable local governments have been given at least thirty (30) days notification of the pending application for a license.

(c) A certificate from the County Zoning Administrator that the use proposed is in accordance with the established County Zoning Ordinance.

(d) Sufficient documentation to enable the County Board to determine whether the applicant is financially and operationally capable to properly dispose of all solid waste.

SECTION VII. INCINERATION AND ENERGY RECOVERY

All incinerators having a capacity greater than 500 pounds per hour shall meet the requirements of State rules administered by the Agency. Additionally, the following requirements shall apply to all incinerators of any size which process solid waste.

Subd. 1. No person shall install or operate an incinerator without first obtaining a license from the County Board.

Subd. 2. The applicant shall meet all requirements for obtaining a license as specified in Section II of this ordinance. Furthermore, the County Board shall not issue a license until the applicant and facility comply with the following requirements:

(a) All of the same criteria for incinerator construction, operation and maintenance contained in State rules administered by the Agency which presently apply only to incinerators with capacities greater than 6,000 pounds per hour.

(b) Upon completion of the facility and prior to initial operation, the County Solid Waste Officer shall be notified to allow personnel of the County to inspect the facility both prior to and during the performance tests.

Subd. 3. The application for a county license shall include, but not be limited to, the following:

(a) An operating schedule and a schedule of fees to be levied at the incinerator.

(b) A notarized affidavit stating that the applicable local governments have been given at least thirty (30) days written notification of the pending application for a license.

(c) A certificate from the County Zoning Administrator that the use proposed is in accordance with the established County Zoning Ordinance.

(d) Sufficient documentation to enable the County Board to determine whether the applicant is financially and operationally capable to properly process and dispose of all solid waste.

(e) All, of the same information required for review by the State rules administered by the Agency which presently apply only to incinerators with capacities greater than 6,000 pounds per hour.

(f) Such additional data and information as may be required by the Solid Waste Officer.

Subd. 4. During normal operation, the facility shall comply with the following requirements:

(a) Permanent records shall be maintained for County inspection as to the quantity of material incinerated, the total quantity of resulting residue and total hours of plant operation.

(b) Any discharges to the air, or to surface or ground waters of the State shall meet all applicable State rules for air and water quality of effluent standards now or hereafter adopted.

(c) All unloading and processing of solid wastes at the facility shall be conducted in such a manner as to prevent or eliminate odors and litter outside the facility.

SECTION VIII. INTERMEDIATE SOLID WASTE DISPOSAL FACILITIES

Subd. 1. No Intermediate Solid Waste Disposal Facility shall be constructed, established, maintained or operated unless the operator or owner thereof has first been issued therefore a license from the County Board and a permit from the Agency. The applicant shall meet all requirements for obtaining a license as specified in Section II of this ordinance. The application for a license shall contain the following information:

- (a) Location, size, and ownership of land upon which the operation will be situated.
- (b) General description of property used in the immediate vicinity of the operation.
- (c) Complete construction plans and specifications and proposed operating procedures for the operation.
- (d) Rates and charges to be imposed at the operation.
- (e) A notarized affidavit stating that the applicable local governments have been given thirty (30) days written notification of the pending application for a license.
- (f) Such additional data and information as may be required by the Solid Waste Officer.

Subd. 2. An intermediate solid waste disposal facility shall be constructed, operated, and maintained in compliance with the following requirements and State rules administered by the Agency.

- (a) A sign shall be posted on the premises indicating the name of the operation, the days and hours during which it is open to the public, and user charges, if any. The sign shall be approved by the Solid Waste Officer.
- (b) The premises shall be constructed and landscaped in such a manner as to be aesthetically pleasing in appearance.
- (c) Sanitary facilities and shelter adequate for employees shall be provided on the premises.
- (d) Records in a form acceptable to the Solid Waste Officer shall be maintained indicating the type and quantity of solid waste processed by the operation.
- (e) The operation shall be located, equipped, operated and maintained in a manner which prevents the creation of a nuisance, or unsanitary condition.
- (f) The premises' entrances and exits shall be maintained in a clean, neat and orderly manner at all times.

(g) All unloading of solid waste from contributing vehicles shall be conducted in such a manner as to prevent or eliminate odor and litter outside the facility.

SECTION IX. RECYCLING FACILITIES

Subd. 1. No Recycling Facility shall be constructed, established, maintained or operated unless the operator or owner thereof has first been issued therefore a license from the County Board. The applicant shall meet all requirements for obtaining a license as specified in Section II at this ordinance. The application for a license shall contain the following information:

(a) Location, size, and ownership of land upon which the operation will be situated.

(b) General description of property used in the immediate vicinity of the operation.

(c) Complete construction plans and specification and proposed operating procedures for the operation.

(d) Recyclable Materials to be accepted at the Facility.

(e) A notarized affidavit stating that the applicable local governments have been given thirty (30) days written notification of the pending application for a license.

(f) Such additional data and information may be required by the Solid Waste Officer.

Subd. 2. A Recycling Facility shall be constructed, operated and maintained in compliance with the following requirements.

(a) A sign shall be posted on the premises indicating the name of the operation and the days and hours during which it is open to the public.

(b) Sanitary facilities and shelter adequate for employees shall be provided on the premises.

(c) Records in a form acceptable to the Solid Waste Officer shall be maintained indicating the type and quantity of Recyclable Materials processed by the operation.

(d) The operation shall be located, equipped, operated and maintained in a manner which prevents the creation of a nuisance or unsanitary condition.

(e) The premise entrances and exits shall be maintained in a clean, neat and orderly manner at all times.

SECTION X. LICENSE FEES

Approval by the County Board of an application for license for a solid waste management facility shall be contingent upon the payment to the County of a license fee in the amount established by the County Board. The amount of the license fees shall be based upon the cost to the County of processing the license applications and administering, and enforcing this ordinance with respect to said licenses. The fees prescribed shall be paid by a license applicant for each facility maintained. Solid waste collector's and transporter's fees shall be paid annually as a condition for license renewal. Non-payment of the annual solid waste collector's or transporter's fee shall be ground for denial of license renewal. Fees shall be paid to the County Treasurer prior to issuance of licenses.

SECTION XI. TERMINATION OF SOLID WASTE OPERATIONS

Subd. 1. All land disposal operations licensed by the County shall be terminated in accordance with State rules administered by the Agency.

Subd. 2. The license of any operation in Subd. 1 which has water monitoring wells or lysimeters which are reviewed by the County or the Agency to be sampled shall establish with the County an escrow account no later than one year from the effective date of this ordinance or five years prior to termination of the operation, whichever occurs sooner.

The purpose of the escrow account is to set aside adequate funds to continue the sampling required by the County or the Agency for a period required by the Agency. The County Board shall specify by resolution the amount of money to be deposited in the account and the terms for payments which shall be made by the licensee to that account. Failure by the licensee to meet the escrow account conditions established by the County Board shall constitute a failure of the licensee to comply with the terms of this ordinance, thereby enabling the County to use the provisions of Section II. Subd. 5 to make the necessary deposits to the escrow account.

Subd. 3. The licensee shall perform all long term monitoring required by the County or the Agency following termination or abandonment of all solid waste operations.

Subd. 4. The licensee of each solid waste operation shall inform the County Board in writing of a licensee's intent to abandon or terminate the operation. Such notice shall be provided in advance of the abandonment or termination date by the following amounts of time:

Land Disposal Facility	One year
Transfer Station	One year
Incineration Facility	One year
Collection/Transportation Service	90 Days
Recycling Facility	90 Days

Failure of a licensee to comply, for any reason, with the above advance notice requirements shall constitute a failure of the licensee to comply with the terms of this ordinance. The County Board may elect to pay all public and private higher than normal solid waste management costs which result from the premature cessation of a solid waste operation. The County may recover these costs through the provisions of Section II, Subd. 5.

SECTION XII. VARIANCES

Upon written application by the applicant or operator, the County Board may grant variances from the provisions of this ordinance in order to promote the effective and reasonable application and enforcement of the provisions of this ordinance. If such variance would result in noncompliance with Agency rules, a variance application must be filed with the Agency.

A variance may be granted by the County Board after a public hearing where the County Board determines that enforcement of this ordinance would cause the applicant undue hardship, or that the ordinance cannot be complied with due to technological impossibility or economic unreasonableness. Such a variance shall not be granted for a period in excess of two years, but may be renewed upon application by the applicant and after a public hearing is held. A variance may be revoked prior to expiration of the variance by the County Board at a public hearing. An application for a variance shall be accompanied by a plan and schedule for achieving compliance with the ordinance. Prior to any public hearing held by the County Board under this provision, persons who may be adversely affected by the granting of the proposed variance shall be given at least thirty (30) days notice to said public hearing. Publication of a notice of hearing in appropriate newspapers shall be considered adequate notice.

SECTION XIII. NONCONFORMING SITES AND FACILITIES

Solid waste management facilities in existence on the effective date of this ordinance shall conform to the provisions of this ordinance or terminate operations no later than 60 days from that date unless a variance application is submitted to the County Board within a sixty (60) day period following the effective date of this ordinance.

SECTION XIV. ADDITIONAL REQUIREMENTS

For the purpose of protecting the public health, safety and welfare, the County Board may impose additional requirements consistent with the intent of this ordinance for the operation of solid waste management sites or facilities.

SECTION XV. SEVERABILITY

It is hereby declared to be the intention of the County Board that the several provisions of this ordinance be severable in accordance with the following.

Subd. 1. If any Court of competent jurisdiction shall adjudge any provision of this ordinance to be invalid, such judgment shall not affect any other provision of this ordinance not specifically included in said judgment.

Subd. 2. If any Court of competent jurisdiction shall adjudge invalid the application of any provision of this ordinance to a particular structure, site, facility or operation, such judgment shall not affect the application of said provision to any other structure, site, facility, or operation not specifically included said judgment.

SECTION XVI. PROVISIONS ARE CUMULATIVE

The provisions of this ordinance are cumulative limitations upon all other laws and ordinances heretofore passed or which may be passed hereafter, covering any subject matter of this ordinance.

SECTION XVII. NOCONSENT

Nothing contained in this ordinance shall be deemed to be a consent, license or permit to locate, construct, operate or maintain any site, facility or operation, or to carry on any activity.

SECTION XVIII. VIOLATIONS

Subd. 1. Any person who violates or fails, neglects or refuses to comply with the provisions of this ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be punished therefore as provided by Minnesota Statutes. A separate offense shall be deemed committed upon each separate day during or on which a violation occurs or continues.

Subd. 2. In addition both remedies this ordinance may be enforced by any civil action in District Court to prevent, restrain, correct or abate violations or otherwise compel compliance.

SECTION XIX. - OTHER ORDINANCES AND REGULATIONS

Nothing in this ordinance shall preclude any local unit of government from adopting stricter regulations than this ordinance.

SECTION XX. EFFECTIVE DATE

This ordinance shall be in full force and effect from and after its passage and publication according to law. All requirements shall take effect immediately, except for licensing solid waste collection. Solid Waste Collection Licenses will be required 90 day after the effective date of this ordinance.

Passed and approved this 22nd day of August, 1990, by the Kanabec County Board of Commissioners.

RESOLUTION

BE IT HEREBY RESOLVED that the Solid Waste Collection and Transportation License Fee be set at \$50.00, renewable annually, with an effective starting date of January 1, 1997, and

BE IT FURTHER RESOLVED that the applicant shall furnish to the county certificates of insurance issued by insurers duly licensed within the State of Minnesota for the following types of insurance:

1. Comprehensive general liability insurance covering bodily injury and property damage (combined limit) in the amount of \$200,000.00 per person and \$600,000.00 per occurrence, and personal injury in the amount of \$200,000.00 per person and \$600,000.00 aggregate.
2. Comprehensive automobile liability insurance including owned, non-owned and hired automobiles, in the amount of \$200,000.00 per person and \$600,000.00 per occurrence.
3. Worker's compensation and employer's liability insurance as required by law.
