STATEMENT OF EVIDENCE

All of the original bearing trees are now gone.

There is no resurvey data on file for this corner.

On April 13, 1981, We made a survey around Section 11 to locate the existing monuments and lines of occupation.

We found the base of a very rotted post and evidence of fence lines at this location and accepted this as the best available evidence of the original corner location, as it is within four feet of a split of the south line and in harmony with accepted lines of occupation.
