## STATEMENT OF EVIDENCE

All of the original bearing trees are now gone.

Certificate #21 on file by George Jinks, found a stone and set a stone with an "X" in 1921. Tie to an oak southwest at 47.0 feet.

On July 7, 1980, we made an excavation with the backhoe and found a 10" by 2' by 2' sandstone with an "X" on top down 6" and a 6" by 10" by 4" sandstone and wood post below the first sandstone.

I replaced the sandstone with an "X" on top with a 2 3/4" by 19" cast iron monument.
