STATEMENT OF EVIDENCE

All of the original Government Bearing Trees are now gone.

There is no resurvey data on file at the County Offices for this corner.

In May of 1996, we made a survey around Section 26, Township 39, Range 23, to locate existing monuments, lines of occupation and establish search areas.

We made a search at the fence intersection with a metal locator and by probing with a machette. No evidence of the corner was found.

The fence corner fits within 2 feet, plus or minus, of the line and a proportional measurement between the northeast and southeast corners of Section 26, Township 39, Range 23. We accepted the fence corner as the perpetuated corner location.
