STATEMENT OF EVIDENCE

All of the original government bearing trees are now gone.

On November 21, 1991, the Aitkin County Land Department set this corner.

In February of 1995, we made a survey around the East Half of Section 5, Township 42, Range 23, and the West Half of Section 4, Township 42, Range 23, and found the corner set by the Aitkin County Land Department. We found it to be in harmony with measurements to points to the east and west along the township line.
