## STATEMENT OF EVIDENCE

All of the original government bearing trees are now gone.

There is no resurvey data on file for this corner.

In February of 1974, we made a survey in Sections 3, 4, 5 and 6 of Township 42, Range 23.

In February of 1995, we made a survey around the east half of Section 5, Township 42, Range 23, and the west half of Section 4, Township 42, Range 23, to locate existing monuments, lines of occupation and to establish search areas.

We made a search with a magnetic locator. No evidence was found of this corner in the search.

We set the east quarter corner of Section 4, Township 42, Range 23, on line and a proportional distance between the computed locations of the northeast and southeast corners of Section 4, Township 42, Range 23, from our 1974 survey data.
