Statement of Evidence:

In November of 1855, Deputy Surveyor Isaac Banker set a post to mark the North Quarter Corner of Section 36, Township 42 North, Range 24 West, 4th Principal Meridian.

Reference ties were taken to:

- 40 inch White Pine at South 70 degrees West a distance of 41 links
- 36 inch White Pine at North 52 degrees West a distance of 60 links

All of the original Government corner evidence was searched for. None was found.

In March 2013, a survey was made around Section 25, Township 42 North, Range 24 West, 4th Principal Meridian for Shawn Caron to locate existing monuments, lines of occupation and establish search areas.

On 3/22/2013 a search was made by probing with machetes and checking with a magnetic locator. No evidence of corner was found.

I established this corner on line and halfway between the Northwest corner and the Northeast corner of Section 36.

On 3/22/2013, I set a 7/8" x 36" rebar monument with aluminum cap, established reference ties and assigned Kanabec County Coordinates. This location was determined to be the best available evidence of the original government corner location.
