DOCUMENT NO. _____

39/163

STATEMENT OF EVIDENCE

All of the original bearing trees are now gone.

There is no resurvey data on file for this corner.

There is a road order dated in 1894, for a township road along the east-west quarter line of Section 12 that was surveyed by Nels Sjodin, Jr.

There is an old existing fence line running north from the quarter corner location.

We accepted the center line of the existing east-west road and old fence line north extended south as the best available evidence of the original corner location.

This location is in harmony with the 1894 road order and the existing lines of occupation.
