OFFICE OF THE COUNTY RECORDER

County of Kanabec

I hereby certify that this document was filed in the
County Recorder's office at _____ .M. on the
_____ day of _____ A.D., 20____
County Recorder _____

By _____, Deputy

DOCUMENT NO. _____

Statement of Evidence:

In July of 1855, Deputy Surveyor Silas Barnard set a post to mark the North Quarter Corner of Section 30, Township 39 North, Range 25 West, 4th Principal Meridian.

Reference ties were taken to:

10 inch Bass at North a distance of 10 links
8 inch Sugar at South a distance of 15 links

All of the original Government corner evidence was searched for. None was found.

1922— A Final Road Order of Town Board was filed in the Office of the County Auditor opening a 66 foot road along the north line of Section 30. There is no survey information on the road order.

In October 2017, a survey was made along the south line of Section 19, Township 39 North, Range 25 West, 4th Principal Meridian for Roger Berggren to locate existing monuments, lines of occupation and establish search areas.

On 10/11/2017 we made a 15' x 15' x 2.5' deep excavation with a Skid Steer at the centerline of the Township road and at a proportional distance between the Northeast and Northwest corners of Section 30. No evidence of the corner was found in the excavation. I set a 7/8" x 36" Rebar with Aluminum Cap on the centerline of the Township road and at a proportional distance between the Northeast and Northwest corners of Section 30. Established reference ties and assigned Kanabec County Coordinates.

This location was determined to be the best available evidence of the original corner location.
