The original Government post was set by U.S. Deputy Surveyor Silas Banker on November 23, 1855 and 2 bearing trees noted as being;

9" Sugar Maple bearing North 70° West at 6 Links

12" Sugar Maple bearing North 55° East at 34 Links

No evidence for the post or bearing trees could be found.

This corner falls in a heavily wooded area with no immediate lines of occupation. No records of any subsequent surveys were found at Kanabec County Offices.

Therefore we considered this corner lost and set it on line and equidistant between the northeast and the southeast corners of Section 21. A #7 rebar 24" long with an aluminum cap was set, ties taken and Kanabec County Coordinates established on this position.
