East Quarter Section 11

The original Government post was set by Deputy Surveyor John M. Gley on October 8, 1851 and 2 bearing trees noted as:

14 inch Aspen bearing North 60 degrees West a distance of 9 links

8 inch Spruce bearing North 79 degrees East a distance of 25 links

No evidence could be found for the post or bearing trees.

No records of any subsequent surveying along this line could be found at Kanabec County Office.

In 2010-2011 Sam De Leo RLS#40341 set a 1/2" iron pipe equidistant and on line between the northeast and southeast corner of Section 11 in doing a survey in 2011.

In 2013 E.G. Rud & Sons, Inc. found this iron pipe set by Sam DeLeo and verified its position. Russell Koch land owner in Section 12 was aware of this and thought the position was O.K. Therefore E.G. Rud & Sons, Inc. accepted this position and filed a certificate of location.
