Statement of Evidence:

In October of 1855 Deputy Surveyor Isaac Banker set a post to mark the East Quarter corner of Section 35, Township 41 North, Range 22 West of the 4th Principal Meridian.

All of the original Government evidence was searched for. None was found.

There is no resurvey information available for this corner.

In December 2013 I made a survey around Sections 34 and 35, Township 41, Range 22 for Jerry Hennessey to locate existing monuments, lines of occupation and establish search areas.

On 12/3/2013 I made a search with a magnetic locator at a lost position. No evidence of the corner was found. I set a 7/8"x 30" Rebar monument with Aluminum cap at a single proportion position. I measure 2664.01 feet to both the Northeast and Southeast corners of Section 35. Established reference ties and assigned Kanabec County coordinates.

This location was determined to be the best available evidence of the original government corner monument location.
