DOCUMENT NO.

STATEMENT OF EVIDENCE

All of the original bearing trees are now gone.

There is a township road order on file at the County Recorder's Office showing a road along the east line of Section 19 from the east quarter corner to the northeast corner. There is now a county highway near this corner.

On June 11, 1987, we made a survey around Section 19 to locate the existing monuments, lines of occupation and search the areas. No evidence was found in this area.

We set a 7/8" by 36" capped rebar and steel fence post on line and proportional distance between the northeast and the southeast corners.
