STATEMENT OF EVIDENCE

All of the government bearing trees are now gone.

On June 26, 1990, we made a survey around Section 34, Township 40, Range 23, to locate existing monuments, lines of occupation and establish search areas.

On July 9, 1990, we made a 4 foot by 15 foot by 15 foot excavation with a backhoe to about 6" below the natural ground at the fence lines east and west and centerline of the road.

No evidence was found in the excavation.

The centerline of the north-south road and old fence lines were accepted as the best available evidence of the original corner location.
