Lake Stevens Sewer District joins Lake Create at Cavelero Mid-High to Educate Students

In May Sewer District employees attended Lake Creates at Cavelero Mid-High where students participated in activities that helped them gain a better understanding of STEAM—Science, Technology, Art and Math through art. Lake Creates highlights the 21st century skills of creativity, critical thinking, communication and collaboration that are prominent standards in fine arts, across curriculums and prerequisite skills set in today's job market. In addition to creating art this provided a chance for our employees to teach conservation, respect for our environment, and good waste water practices that keep our community healthy and running smoothly. Students created some amazing artwork which is displayed in our office lobby.

A CARING COMMUNITY

Did you know that the Lake Stevens Sewer District offers the Caring By Sharing program? If you find yourself in financial need you may apply for one month of your sewer payment coverage. The Caring By Sharing program is administered by the Lake Stevens Assembly of God church. Please contact Janice at 425-334-3700.

If you are a low income resident you may apply for a 10% discount on your monthly sewer rate. Please call our office at 425-334-8588 for more information.
