Open Forum

- Barbara Hassan-Davis who serves as a Representative for the Berkshire Mall as their real estate agent came to the meeting to express her interest on serving on the Board of Assessors. In reading the past minutes, she found minutes from May of 2021 that mention a letter being sent to the Property Owners and Barb Hassan-Davis to get a walkthrough inspection of the mall that was never responded too. Barbara would like the record to reflect that she nor Durga, the Property owners of the Berkshire Mall, received a request or else they would've arranged the inspection.
