

Ambulance Committee Minutes

September 14, 2021 3:45 pm Selectmen's Office

Amy Lane-Carmody, Charles Durfee, Jay Trybus, Jen Weber Present.

1. Collections Update  
AJLC reviewed the collections for the month. \$9,772.60 was collected.
2. Write Offs:  
The committee voted to forward outstanding bills to collections.
3. Rates:
4. Jen mentioned that there is a program that will reimburse municipal owned ambulance services for rates lost due to Medicaid payments if they are qualified. Amy and Jen will work on submitting the paperwork. Our contract with Comstar was done when the ambulance was doing very few runs. The rate was \$250 per month. Our runs have dramatically increased in the last year. Our prior contract was for 10%. Comstar would like a new contract at 6%. The committee agreed and voted 4-0. There were 49 runs in August. 37 transported, 10 refusals, 1 DOA. 8 calls needed ALS.
5. The new ambulance has been ordered.
6. Increase in hours:  
Jen asked the committee to review her working hours. She was originally hired for 32 hours per week. She is actually working an average of 38-40. The committee is going to take a look at the numbers to see if we can support the pay increase.

Meeting adjourned.

Amy J Lane-Carmody
