Good afternoon Deputy Kanyak,

We would be happy to provide you with a quote, and thank you for the opportunity to provide the county marine division graphics for their new marine division boat.

The items you requested:

Identifying Sheriffs graphic logo/ reflective Sheriff star, and identifier numbers would require us to have the boat in house for approximately 3 days, and a charge of \$1050.00.

Please let us know if you would like to proceed. We are currently scheduled approximately 3 weeks out, and would require that time to work with you in approval of all designs prior to installation.

Thank you again, for your consideration.
