The following preamble and resolution were offered by Member _____ and supported by Member _____:

WHEREAS, the qualified electors of the City of Lathrup Village, County of Oakland, State of Michigan (the "City"), at the election duly called and held on November 3, 2020, did by more than the required majority of those voting approve the following proposition (the "Bond Proposal"):

Street Improvements Bond Proposal

Shall the City of Lathrup Village, County of Oakland, Michigan, borrow the principal sum of not to exceed Five Million Eight Hundred Forty-Five Thousand Dollars (\$5,845,000), and issue its unlimited tax general obligation bonds, payable in not to exceed ten (10) years from the date of issue, to pay the cost of constructing street improvements throughout the City, consisting of paving, repaving, resurfacing, reconstructing and improving streets? If approved, the estimated millage to be levied in 2021 is 3.9307 mills (\$3.93 per \$1,000 of taxable value) and the estimated simple average annual millage rate required to retire the bonds is 3.9176 mills (\$3.92 per \$1,000 of taxable value).

WHEREAS, the City Council has determined that it is necessary to issue unlimited tax general obligation bonds in the aggregate principal amount of not to exceed Five Million Eight Hundred Forty-Five Thousand Dollars (\$5,845,000) for the purpose of constructing street improvements throughout the City, consisting of paving, repaving, resurfacing, reconstructing and improving streets (the "Project").

NOW, THEREFORE, BE IT RESOLVED THAT:

1. Authorization of Bonds; Bond Terms. Bonds of the City designated 2021 UNLIMITED TAX GENERAL OBLIGATION BONDS (the "Bonds") are authorized to be issued

in the aggregate principal sum of not to exceed Five Million Eight Hundred Forty-Five Thousand Dollars (\$5,845,000) for the purpose of paying the costs of the Project, including the costs incidental to the issuance, sale and delivery of the Bonds. The issue shall consist of bonds in fully-registered form of the denomination of \$5,000, or multiples thereof not exceeding for each maturity the maximum principal amount of that maturity, numbered consecutively in order of registration, dated as of the date of delivery. The Bonds shall bear interest, mature and be payable at the times and in the manner set forth in Sections 6 and 7 hereof.

The Bonds shall be sold at public sale at a price not less than 99% of the principal amount thereof.

The Bonds shall be subject to redemption prior to maturity in the manner and at the times and prices set forth in Sections 6 and 7 hereof and if term bonds are selected by the original purchaser of the Bonds, then the Bonds will be subject to mandatory redemption in accordance with the foregoing maturity schedule at par.

Interest shall be payable to the registered owner of record as of the 15th day of the month prior to the payment date for each interest payment. The record date of determination of registered owner for purposes of payment of interest as provided in this paragraph may be changed by the City to conform to market practice in the future. The principal of the Bonds shall be payable at The Huntington National Bank, Grand Rapids, Michigan, who is hereby selected to act as transfer agent for the Bonds (the "Transfer Agent"), or such other bank or trust company as may be selected by the City Administrator or City Treasurer & Assistant City Administrator (each an "Authorized Officer") at the time of sale of the Bonds.

The Bonds may be issued in book-entry-only form through The Depository Trust Company in New York, New York ("DTC") and each Authorized Officer is authorized to execute such custodial or other agreement with DTC as may be necessary to accomplish the issuance of the Bonds in book-entry-only form and to make such changes in the Bond Form within the parameters of this resolution as may be required to accomplish the foregoing.

2. Execution of Bonds. The Bonds of this issue shall be executed in the name of the City with the manual or facsimile signatures of the Mayor and City Clerk and shall have the seal of the City, or a facsimile thereof, printed or impressed on the Bonds. No Bond executed by facsimile signature shall be valid until authenticated by an authorized officer or representative of the Transfer Agent. The Bonds shall be delivered to the Transfer Agent for authentication and be delivered by the Transfer Agent to the purchaser or other person in accordance with instructions from an Authorized Officer upon payment of the purchase price for the Bonds in accordance with the bid therefor when accepted.

3. Transfer of Bonds. The Transfer Agent shall keep the books of registration for this issue on behalf of the City. Any Bond may be transferred upon such registration books by the registered owner of record, in person or by the registered owner's duly authorized attorney, upon surrender of the Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Transfer Agent. Whenever any Bond or Bonds shall be surrendered for transfer, the City shall execute and the Transfer Agent shall authenticate and deliver a new Bond or Bonds, for like aggregate principal amount. The Transfer Agent shall

require the payment by the bondholder requesting the transfer of any tax or other governmental charge required to be paid with respect to the transfer.

Unless waived by any registered owner of Bonds to be redeemed, official notice of redemption shall be given by the Transfer Agent on behalf of the City. Such notice shall be dated and shall contain at a minimum the following information: original issue date; maturity dates; interest rates; CUSIP numbers, if any; certificate numbers (and in the case of partial redemption) the called amounts of each certificate; the place where the Bonds called for redemption are to be surrendered for payment; and that interest on the Bonds or portions thereof called for redemption shall cease to accrue from and after the redemption date.

In addition, further notice shall be given by the Transfer Agent in such manner as may be required or suggested by regulations or market practice at the applicable time, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed herein.

4. Debt Retirement Fund; Unlimited Tax Pledge; Defeasance of Bonds. The City Treasurer is authorized and directed to open a depository account with a bank or trust company designated by the City Council, to be designated 2021 UNLIMITED TAX GENERAL OBLIGATION BONDS DEBT RETIREMENT FUND (the “Debt Retirement Fund”), the moneys to be deposited into the Debt Retirement Fund to be specifically earmarked and used solely for the purpose of paying principal of and interest on the Bonds as they mature. The City hereby pledges its unlimited tax full faith and credit for the prompt payment of the Bonds. All proceeds from taxes levied for the Debt Retirement Fund shall be deposited into the Debt Retirement Fund as collected. Commencing with the year 2021, there shall be levied upon the tax rolls of the City for the purpose of the Debt Retirement Fund each year, in the manner required by the provisions of Act 34, Public Acts of Michigan, 2001, as amended, an amount sufficient so that the estimated collection therefrom will be sufficient to promptly pay, when due, the principal of and interest on the Bonds becoming due prior to the next annual tax levy; provided, however, that if at the time of making any such annual tax levy there shall be other funds available or surplus moneys on hand in the Debt Retirement Fund for the payment of principal of and interest on the Bonds, then credit therefor may be taken against such annual levy for the Debt Retirement Fund.

In the event cash or direct obligations of the United States or obligations the principal of and interest on which are guaranteed by the United States, or a combination thereof, the principal of and interest on which, without reinvestment, come due at times and in amounts sufficient to pay at maturity or irrevocable call for earlier optional redemption, the principal of, premium, if any, and interest on the Bonds, shall be deposited in trust, this resolution shall be defeased and the owners of the Bonds shall have no further rights under this resolution except to receive payment of the principal of, premium, if any, and interest on the Bonds from the cash or securities deposited in trust and the interest and gains thereon and to transfer and exchange Bonds as provided herein.

5. Construction Fund; Proceeds of Bond Sale. The City Treasurer is authorized and directed to open a separate depository account with a bank or trust company designated by the City Council, to be designated 2021 UNLIMITED TAX GENERAL OBLIGATION BONDS CONSTRUCTION FUND (the “Construction Fund”), and deposit into said Construction Fund the

proceeds of the Bonds less accrued interest, if any, which shall be deposited into the Debt Retirement Fund. The moneys in the Construction Fund shall be used solely to pay the costs of the Project and the costs of issuance of the Bonds.

Term bonds or portions thereof mandatorily redeemed shall be selected by lot. Any such designation must be made at the time bids are submitted and must be listed on the bid.

INTEREST RATE AND BIDDING DETAILS: The bonds shall bear interest at rate or rates not exceeding five percent (5%) per annum, to be fixed by the bids therefor, expressed in any fraction of 1%. The interest on any one bond shall be at one rate only and all bonds maturing in any one year must carry the same interest rate. PURPOSE AND SECURITY: The bonds were authorized at an election held on November 3, 2020 for the purpose of constructing street improvements throughout the City, consisting of paving, repaving, resurfacing, reconstructing and improving streets. The bonds will pledge the full faith and credit of the City for payment of the principal and interest thereon and will be payable from ad valorem taxes which may be levied without limitation as to rate or amount. The rights or remedies of bondholders may be affected by bankruptcy, insolvency, fraudulent conveyance or other laws affecting creditors' rights generally now existing or hereafter enacted and by the application of general principles of equity including those relating to equitable subordination.

The good faith check of the successful bidder will be cashed and payment for the balance of the purchase price of the bonds shall be made at the closing.

AWARD OF BONDS: The bonds will be awarded to the bidder whose bid produces the lowest true interest cost determined in the following manner: the lowest true interest cost will be the single interest rate (compounded on October 1, 2021 and semi-annually thereafter) necessary to discount the debt service payments from their respective payment date to the date of closing, in an amount equal to the price bid, excluding accrued interest. Each bidder shall state in its bid the true interest cost to the City, computed in the manner specified above.

TAX MATTERS: In the opinion of Miller, Canfield, Paddock and Stone, P.L.C., bond counsel, under existing law, assuming compliance with certain covenants, interest on the bonds is excludable from gross income for federal income tax purposes as described in the opinion, and the bonds and interest thereon are exempt from all taxation by the State of Michigan or by any taxing authority within the State of Michigan except estate taxes and taxes on gains realized from the sale, payment or other disposition thereof.

NOT "QUALIFIED TAX-EXEMPT OBLIGATIONS": The City will not designate the

bonds as “qualified tax-exempt obligations” for purposes of deduction of interest expense by financial institutions pursuant to the Internal Revenue Code of 1986, as amended.

ISSUE PRICE: The winning bidder shall assist the City in establishing the issue price of the bonds and shall execute and deliver to the City at closing an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached either as Appendix __ or Appendix __ to the Preliminary Official Statement for the bonds, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the City and bond counsel.

The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the bonds) will apply to the initial sale of the bonds (the “Competitive Sale Requirements”) because:

- a. the City is disseminating this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- b. all bidders shall have an equal opportunity to bid;
- c. the City anticipates receiving bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- d. the City anticipates awarding the sale of the bonds to the bidder who submits a firm offer to purchase the bonds at the lowest true interest cost, as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the bonds, as specified in the bid.

In the event that all of the Competitive Sale Requirements are not satisfied, the City shall so advise the winning bidder. At or before the time of the award of the bonds, the winning bidder, in consultation with the City, shall determine whether to treat the first price at which 10% of a maturity of the bonds (the “10% Test”) is sold to the public as the issue price of that maturity and/or (ii) the initial offering price to the public as of the sale date of any maturity of the bonds as the issue price of that maturity (the “hold-the-offering price rule”), in each case applied on a maturity-by-maturity basis. The winning bidder shall advise the City if any maturity of the bonds satisfies the 10% Test as of the date and time of the award of the bonds. The winning bidder shall promptly advise the City, at or before the time of the award of the bonds, which maturities of the bonds shall be subject to the 10% Test or shall be subject to the hold-the-offering price rule.

The City will not require bidders to comply with the “hold-the-offering price rule.” Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied. Bidders should prepare their bids on the assumption that, for all of the maturities of the bonds, the winning bidder, in consultation with the City, may decide whether the 10% Test or the hold-the-offering price rule applies in order to establish the issue price of the bonds.

By submitting a bid, the winning bidder shall (i) confirm that the underwriters have offered or will offer the bonds to the public on or before the date of the award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder, and (ii) if the hold-the-offering price rule applies, agree, on behalf of the underwriters participating in the purchase of the bonds, that the underwriters will neither offer nor sell unsold bonds of any maturity to which the hold-the-offering price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- a. the close of the fifth (5th) business day after the sale date; or
- b. the date on which the underwriters have sold at least 10% of that maturity of the bonds to the public at a price that is no higher than the initial offering price to the public;

The winning bidder shall promptly advise the City when the underwriters have sold 10% of that maturity of the bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

The City acknowledges that, in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering price rule, as set forth in the retail distribution agreement and the related pricing wires. The City further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering price rule as applicable to the bonds.

If the Competitive Sale Requirements are not satisfied, and the 10% Test applies, then until the 10% Test has been satisfied as to each maturity of the bonds, the winning bidder agrees to promptly report to the City the prices at which the unsold bonds of that maturity have been sold to the public. That reporting obligation shall continue, whether or not the closing date has occurred, until the 10% Test has been satisfied as to the bonds of that maturity or until all Securities of that maturity have been sold.

By submitting a bid, each bidder confirms that:

- a. any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling

group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to report the prices at which it sells to the public the unsold bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% Test has been satisfied as to the bonds of that maturity or all bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder and as set forth in the related pricing wires; and

- b. any agreement among underwriters relating to the initial sale of the bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to report the prices at which it sells to the public the unsold bonds of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% Test has been satisfied as to the bonds of that maturity or all bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

Sales of any bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- a. “public” means any person other than an underwriter or a related party,
- b. “underwriter” means (A) any person that agrees pursuant to a written contract with the City (or with the lead Underwriter to form an underwriting syndicate) to participate in the initial sale of the bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the bonds to the public);
- c. a purchaser of any of the bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and
- d. “sale date” means the date that the bonds are awarded by the City to the winning bidder.

LEGAL OPINION: Bids shall be conditioned upon the approving opinion of Miller, Canfield, Paddock and Stone, P.L.C., attorneys of Detroit, Michigan, a copy of which opinion will be furnished without expense to the purchaser of the bonds at the delivery thereof. The fees of

Miller, Canfield, Paddock and Stone, P.L.C. for services rendered in connection with such approving opinion are expected to be paid from bond proceeds. Except to the extent necessary to issue its approving opinion as to validity of the above bonds, Miller, Canfield, Paddock and Stone, P.L.C. has not been requested to examine or review and has not examined or reviewed any financial documents, statements or materials that have been or may be furnished in connection with the authorization, issuance or marketing of the bonds, and accordingly will not express any opinion with respect to the accuracy or completeness of any such financial documents, statements or materials.

DELIVERY OF BONDS: The City will furnish bonds ready for execution at its expense. Bonds will be delivered without expense to the purchaser through DTC in New York, New York, or such other place to be agreed upon. The usual closing documents, including a certificate that no litigation is pending affecting the issuance of the bonds, will be delivered at the time of delivery of the bonds. If the bonds are not tendered for delivery by twelve o'clock noon, prevailing Eastern Time, on the 45th day following the date of sale, or the first business day thereafter if said 45th day is not a business day, the successful bidder may on that day, or any time thereafter until delivery of the bonds, withdraw its proposal by serving notice of cancellation, in writing, on the undersigned in which event the City shall promptly return the good faith deposit. Payment for the bonds shall be made in Federal Reserve Funds. Accrued interest to the date of delivery of the bonds shall be paid by the purchaser at the time of delivery.

CUSIP NUMBERS: It is anticipated that CUSIP identification numbers will be printed on the bonds, but neither the failure to print such numbers on any bonds nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with terms of the purchase contract. All expenses in relation to the printing of CUSIP numbers on the bonds shall be paid for by the City; provided, however, that the CUSIP Service Bureau charge for the assignment of such numbers shall be the responsibility of and shall be paid for by the purchaser.
